2021–2022
Annual Giving Report

PRESIDENT'S MESSAGE

Aloha HBA friends and family,

As our pace and life starts to spin fast again, sometimes the busyness of our thoughts and the responsibility of our days can take the place of what is most important. When the 2022–2023 school year began, our HBA 'ohana was given a simple reminder, to pause and linger in the presence of our Heavenly Father.

Our students have been on campus for in-person learning for many months now, and have been blessed with the opportunity to participate in sports, clubs, field trips, and afterschool activities. While we have returned to "normal" in the post-pandemic era, we are still identifying who we are as individuals, families, and organizations continuing to learn and grow in the world around us.

I would invite you to take moments to watch the wind blow through the trees, pause to feel the sun on our faces, or listen to the sounds of children laughing. We are blessed to see the extraordinary in what may seem ordinary. We also know that taking moments to pause will help us to be able to continue His work and our mission.

We are happy to share with you a few notable moments this past year that remind us that we remain committed to excellence in all things to bring glory to God:

- HBA was honored for overall school excellence by the Hawaii Medical Service Association for the 15th time in 17 years.
- Four HBA students claimed four state titles in their respective sports in the Hawaii High School Athletic Association (HHSAA): Josh Hayashida '22 was the HHSSA Golf State Champion; Josiah Lum '22 was the HHSSA Judo State Champion; Jordy Davenport '23 was the HHSAA Track & Field State Champion; and Connor Malinger '22 was the HHSAA Track & Field State Champion.
- Two HBA Coaches and former alums received National Recognition by being named the 2021–2022 Hawaii Coaches of the Year by the U.S. Track & Field Cross Country Coaches Association: Shelby Tanaka '11 and Aaron Kondo '05.
- HBA won second place in Hawaii's Best Workplaces of 2022 from *Pacific Business News* for the second consecutive year.
- Five seniors of the Class of 2022 received prestigious UH Scholarships: Celina Tong and Kate Higa were awarded Regents Scholarships, which include full tuition for four years, a $4,000 yearly stipend, and a $2,000 one-time travel grant. Evan Yoshishige, Kisa Tamai, and Noah Watanabe were awarded Provost Achievement Scholarships, which include a $10,000 yearly tuition credit for four years.
- Three sophomore students won first place at the Japan Wizards Competition held by the Japan-American Society of Hawaii. Jadynn Wong (Team Captain), Torin Hayashi, and Jack Hong competed against teams from other public and private schools in the state. As the highest scoring team, the students earned a $1,000 scholarship and an all-expenses-paid trip to Japan!
- The student newspaper, *Eagle Eye*, won Best-In-State for the eighth consecutive year.

Oh, that we might know the LORD!
Let us press on to know Him.

HOSEA 6:3

While we never know what the future holds, we are confident in one thing, that we can rely on God to see us through. We are thankful for God's guidance and strength and your prayers and partnership in supporting the ministry of Hawaii Baptist Academy. Your generosity helps us continue growing to educate the next generation of resilient leaders.

For more than 70 years, HBA continues to thrive, and we had the opportunity to grow with the addition of our preschool at GracePoint in Mililani Mauka. Now, we are truly starting with our youngest learners providing them with a foundation that will help nurture them so they, too, will one day be proud graduates of HBA. We pray they will uphold the values of Jesus Christ and become the next generation of compassionate, confident, and mindful leaders to create a brighter future.

Your support is what makes this possible. I am honored that God has allowed me to continue being a part of His plan for His School, and it is through Him that our ministry continues to bless others. May God continue to bless you and your families. Thank you again for your continued prayers and contributions as we press on together to know Him more.

In Christ,

Ron Shiira '75
PRESIDENT

MESSAGE FROM THE DIRECTOR OF INSTITUTIONAL ADVANCEMENT

Aloha, Friends,

As we reflect back on the 2021–2022 school year, there were so many examples of how our students, faculty, staff, and administration pressed on through the challenges of the pandemic. Their faith and resiliency are evidence of God's grace over our school. Through the generosity of our global HBA community, we were able to successfully maintain our commitment to excellence in all that we do, providing a Christ-centered learning environment that brings faith and learning together so that we may join God in the formation of people and the transformation of the world.

In this year's report, we celebrate new ways our school inspired giving with our first ever Giving Week and student led, Color Run fundraiser. We were excited to welcome back to campus our Mainland Advisory Council for MAC Week 2022, while also utilizing technology to connect us to MAC who were unable to make the journey. Our alumni continue to inspire us through their many ways of leading a life of service within our community, and we are encouraged through generous hearts to 'pay it forward' blessing others as they have been blessed. These are just a few of the many stories we are excited to share with you of lives who have been touched by HBA.

This report recognizes your contributions to the school during the fiscal year July 1, 2021–June 30, 2022. It is our goal to accurately publish our donor list. If you feel that an error has been made, please contact the Office of Institutional Advancement.

The Word encourages us to be generous with others as we are able. "Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver." (2 Corinthians 9:7) Thank you for your giving hearts and uplifting prayers as we partner together in kingdom building work that brings honor and glory to our Lord fulfilling our school's mission.

Aloha,

Billie Takaki Lueder '94

10 Annual Giving Report

EAGLE PRIDE was on full display as HBA held its first-ever Giving Week, October 25–29, 2021.

Giving Week kicked off our annual fund campaign that supports the Fund for Excellence, which provides financial aid scholarships, academic program and professional development support, and campus enhancements.

With the help of our entire HBA community, we raised over $109,000 with 350 gifts, which included a total of $17,000 worth of matching gifts during the week-long celebration that ended with a community sign waving day.

We couldn't have done it without you and are so thankful for your willing hearts to glorify His kingdom through your generous giving. Whether it was your first gift or your 100th gift to HBA, your generosity is a tremendous blessing.

Volunteer sign wavers included administration, faculty, staff, students, Board of Directors, and alumni on all three campuses.

2021 Annual Giving Appeal

As part of our annual giving campaign, testimonial cards were sent to alumni, current parents, past parents, MAC members, employees, and friends of HBA.

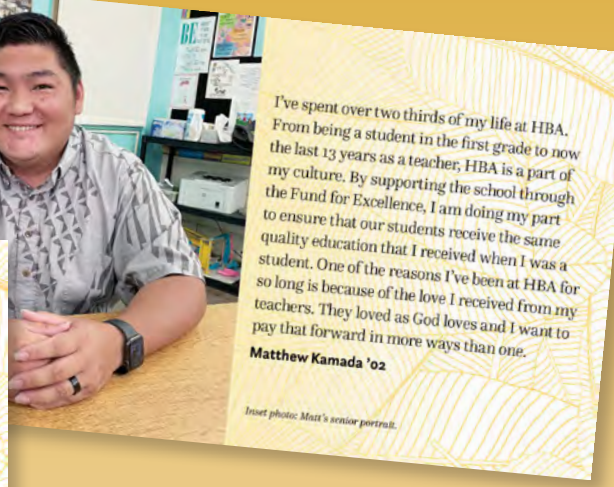

While much has changed since I was a student at HBA, the teachers who share the love of God and the love of learning with the students and their families have not. When we were considering schools for our son, there was no question that HBA was our first choice. We knew HBA would provide a quality education that not only developed his mind, but his spirit and heart as well. I am grateful for the many people at HBA who have impacted my life, and am delighted that our son will be able to have the same experience.

Traci (Shibuya) Morihara '91

Traci (Shibuya) Morihara '91 and son, Johnathan '31

I've spent over two thirds of my life at HBA. From being a student in the first grade to now the last 13 years as a teacher, HBA is a part of my culture. By supporting the school through the Fund for Excellence, I am doing my part to ensure that our students receive the same quality education that I received when I was a student. One of the reasons I've been at HBA for so long is because of the love I received from my teachers. They loved as God loves and I want to pay that forward in more ways than one.

Matthew Kamada '02

I know pain, but I also know God. I know what it's like to not have enough resources, but I also know God. He used my journey to bless others, and it gives me great joy to financially help students in need through my scholarship. HBA is a place where everyone is welcomed and loved, and I hope my 41 years at the school, as well as my established scholarship, is a testament to that.

Dr. Rebecca Ovitt

Over the years, our family has been blessed by scholarship support from HBA's generous donors. My dad, who recently passed away, raised us to give and have a servant heart in everything we do. In hopes of continuing his legacy, I established a scholarship in his name. I want to honor my father and the way he lived his life: faithful, generous, and always bringing glory to God. Honoring my father and giving back to HBA goes hand in hand. As a multi-generational HBA family, I hope to instill those same values in my son, so that he may carry-on his grandfather's legacy.

Eric Yamashita '84

As a parent, I desired to raise my children so that as adults, they would be strong in their faith and active in their churches. I wanted to instill in them the ethic of serving others and being positive contributors in their communities. As the saying goes, "It takes a village..." and in my case, our village was the faculty of HBA. Today, all three are very involved in their churches and all are educators in their respective fields. I am thankful for the opportunities HBA provided to help them be successful servants and leaders.

Sue Yoshida

Dear MAC Friends,

I want to say thank you for providing this scholarship for me. It means a lot to get to go to HBA and receive a great education. I love HBA not only because of all the friendly teachers and students, but because unlike other schools, we get together and worship God. Thank you so much for all your support.

Love,
Kate Iida

Press On

After two years, HBA safely opened our campuses to welcome back our Mainland Advisory Council (MAC) members to the annual meeting in Honolulu. We were excited to have 29 MAC members join us in person and additional members joined virtually throughout the week. The visits to the campuses and interactions with the students were reimagained to ensure safe and meaningful experiences for all. The week concluded with the Aloha Banquet at the Ala Moana Hotel. Guests enjoyed an evening of fellowship and worship through performances by HBA's Soldiers of Light and Halau Hula O Kalama Ula led by Todd Yokotake '84, as well as the Wind Ensemble led by Dwaine Woo.

During the week, we shared our deepest aloha with Clara Inglish of Dallas, Texas, for her two years of courageous leadership of MAC during the pandemic, and welcomed George Gorham of Edmond, Oklahoma, as our 2022–2023 MAC Chair. Don Randall of Surfside Beach, South Carolina, was voted in as the 2022–2023 MAC Vice-Chair. HBA is blessed by these faithful servants.

Estate and Planned Giving

Dr. Erica Chun '07

Why I give to HBA

> *"God planted seeds during my time at HBA, and now as a faculty member...I am continuing to grow, to press on to serve Him."* ERICA CHUN

Dr. Erica Chun is a proud second generation alumna of Hawaii Baptist Academy. She is currently serving as a counselor at the Dan Kong Middle School. She joined us for a virtual Gift and Estate Planning seminar as our featured speaker and shared her HBA experience and how she gives back to her alma mater now.

"As a student at Hawaii Baptist Academy, I discovered interests and hobbies through school sports such as cross country and tennis. In addition to my involvement with sports, I gained leadership skills through my participating in student government and served the community through the Interact Club. I formed solid friendships which remain strong until today."

Erica with her father, Dr. Gerin Chun '73.

During her time at HBA she was curious to learn more about God and was thankful to do so through Bible classes, chapels, grade level camps, and Christian Emphasis Week. She had the opportunity to dive deeper into her faith, strengthen her relationship with God, and make the commitment to follow Him.

After graduation, she studied psychology at George Fox University in Oregon and found the study the of mind and behavior fascinating. Her desire for learning continued through her masters and doctoral programs in counseling. When a door opened to serve the Lord at her alma mater she heeded His calling.

"At HBA I see our students demonstrating humility by being open to each other. Students show curiosity by asking questions and trying new things. I witness dedicated and committed leaders, teachers, counselors, and staff who continually help our students and their families, while encouraging one another as peers. I also see and feel the love in our HBA community. Our collective hope is that every student, no matter where they are in their journey, will feel loved, safe, accepted, and supported at school," she shared.

"One of my favorite verses that frequently comes to mind is 2 Timothy 4:7—'*I have fought the good fight, I have finished the race, I have kept the faith*'. When I was a student and cross country runner, it taught me endurance and that even through the obstacles—there is something that God is teaching us and He is always faithful through it all."

LEGACY PLANNING FOR KINGDOM BUILDING

Hawaii Baptist Academy, in partnership with the Hawaii Baptist Foundation, sponsored a virtual gift and estate planning seminar in November 2021. Participants learned about options to plan for the future to make a significant difference in the lives of our students for generations to come. A planned gift is a gift that comes from sources other than a person's current expendable income and is based on total assets. It is generally part of a total estate plan and may take effect during the donor's life or after death. Because every person's financial and charitable objectives differ, a plan should be customized to meet one's specific needs. Each person should explore their planned giving options by working with a qualified attorney, certified financial planner, or other professional financial planner.

Fundraising for capital and operational needs is ongoing. Since tuition covers only about 80% of the school's operating budget, the remaining 20% and all capital funds required for buildings are raised through the generous gifts from supporters.

Contact the Office of Institutional Advancement at development@hba.net or (808) 533-7094 to learn more.

FreeWill

As a thank you for supporting the mission of HBA, donors can access a free online tool called FreeWill at **www.hba.net/giving** by clicking on *Ways to Give* to help create your legal will. It is the simplest kind of planned gift for a donor to make. Additionally, you have the option to state a specified dollar amount, asset, or percentage of your estate after other commitments have been satisfied.

Color Run 2022

A Student Led Fundraiser

Students at the Richard Bento Elementary campus didn't let the pandemic stop them from being creative in their fundraising efforts to support their campus. In the spring of 2022, then elementary student council president, Keira Liew '28, introduced the idea of holding an HBA Elementary fundraiser to raise money for student events and new playground equipment.

The students brainstormed possible events such as a bubble run, color run, or a field day type of event with different activity stations. The council voted on a color run as the culminating event of Spirit Week. Throughout the learning experience the student council officers met with various support areas of the school to research, discover, and plan out their fundraiser down to the details such as the colors of powder to purchase, the routes students should run, and how much needed to be raised for each incentive prize. They brainstormed ideas for the spirit week dress up and the timeline in which communications to homerooms and their families should be shared. The officers and sixth grade ambassadors assembled and distributed all the fundraising packets for the student body.

In a few short months, the students planned and executed HBA's first ever Color Run fundraiser. The event was an overwhelming success raising a total of $67,851, exceeding their goal three times over. This would not have been possible without God's grace and the generosity of so many.

"The students were amazed at how much was raised, surpassing all our expectations. The student council was very excited and all the students had a blast on the event day," shares Trisha (Fukumoto) Lee '94, Elementary Vice Principal.

"Their creativity and hard work really paid off. They learned the importance of teamwork as they had help from across the entire school community. They learned about the generosity of others as so many people gave financially to support this event but also the generosity of people's time and talents to make this vision a reality. My hope is that they learned that anything is possible. If they have a dream, they just need to be willing to work hard and ask others for help so they can make it a reality."

Student Lessons Learned

"I learned the value of money. Everything is so expensive! We learned how to budget and set goals. I was most impressed by the generosity of others who gave to the Color Run."

Cinnamon Lee '28

"I learned collaboration and leadership. There was a lot of hard work put into the Color Run by the Student Council, and we all worked together as a team to make the first Color Run the best it could be. I learned what it was like to be an officer and help others along the way, as well as organization and time management."

Keira Liew '28

Thanks to generous donations from the Color Run, the Elementary Student Council was able to plan an extra special end of the year Field Day celebration with bouncy houses and fun water activities for all to enjoy!

Color Run Funds at Work

- In April, a playground for Junior Kindergarten was purchased and assembled with the help of Junior Kindergarten students.
- A gaga ball pit was purchased and has been a very popular activity during recess.
- HBA apparel was purchased for all the Elementary faculty and staff.
- Teacher Appreciation snacks and gifts were purchased for Elementary faculty and staff.
- A new couch was procured for the teacher lounge.
- Rental of four bounce houses for Elementary field day.
- Purchased plastic eggs, baskets and candy for the students to give to the community for Easter.
- Incentive gifts for citizenship and scholar awards for students.

Establishing A Legacy Through Scholarship

In Memory of Deanna Aoki

Deanna Aoki

Deanna Aoki impacted many with the way she encouraged people, extended grace, and pointed people to Jesus. Her radiant smile and gentle spirit will always be remembered. She went home to be with Jesus on October 31, 2019, after a long battle with cancer. One of those people that were touched by her example is Alice Hu, an HBA parent of two sons, Adam '19 and Noah '23, who recently established a scholarship to benefit HBA students in honor Mrs. Aoki's servant heart.

"Deanna was probably one of the most influential people in my walk with the Lord. I didn't always like it, but she pushed me beyond my comfort zone to serve in ways that stretched me to grow in Christ. We would study the Bible, visit nursing homes, knock on people's doors, and do other community projects that focused on sharing Christ's love with others. I was so uncomfortable. But ironically, I met her because she knocked on my door and invited me to church, and then became a mentor to me," shares Alice Hu.

Mrs. Aoki, 72, served the Hawaii Pacific Baptist Convention as Executive Director for Women's Missionary Union from 2000 until she retired in 2010. Churches and people she came in contact with have been deeply impacted by Deanna's life. Her Christ-likeness in all matters and her encouragement were outward expressions of the work of Christ in her. Throughout her life, her ministry and even in her suffering, she was a shining example of the hope found in Jesus.

Alice and Randall Hu with their sons, **L–R** Adam '19, Joshua, and Noah '23 at the National Cathedral in Washington D.C.

Deanna's son, Pastor Stephen Aoki '94, executive pastor of Tiburon Baptist Church in California, delivered the message at her memorial service. "You need to know how much my mom loved you and loved serving you, alongside you," Pastor Stephen told those who attended his mother's memorial service. Pastor Stephen also shared the personal influence his mother had on his life. "If there is just one thing that she would want said, it would be this, 'focus on Jesus.'"

Deanna's other sons Chris Aoki '92 and Joe Aoki '97 also shared at Deanna's memorial service, "There are many reasons why people choose to believe in God," said Chris. "...For me, I know there is a God because of my mom and watching her live life, loving God and loving others."

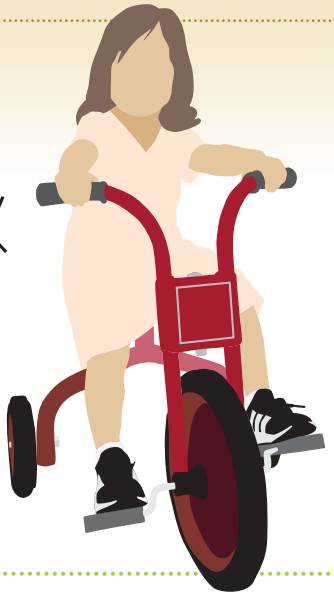

The Aoki family. Deanna and John Aoki, center, with their sons and their families, **L–R** Stephen '94, Joseph '97 and Christopher '92.

Joe added that Deanna was a woman of God's word who loved spending time with God, reading the Bible, and saw how God's word influenced his mother. "Growing up, I remember her sitting at the dining room table every morning, reading the Bible, praying and communing with her Savior," Joe said. "These times with her savior allowed the word of God to dwell richly in her."

"What inspired me to set up a scholarship in honor of Deanna was seeing my own boys receiving scholarships from HBA. The Rev. O.W. Dub & Grace Efurd Scholarship that Adam received as well as the Endurance scholarship Noah received made our family remember that establishing a scholarship was a good way to not only honor Deanna's memory, but to encourage future generations to consider living life as Deanna did, in service to the community through her love for Christ. It also has allowed our family to give back to HBA in gratitude."

HBA Legacy Society

The **HBA Legacy Society** includes those who have named HBA as a beneficiary in their estate plans through a bequest, trust, gift annuity, pooled income, life insurance policy, or retirement account. Only a statement of intent to leave a gift to HBA is required for membership. Members are invited to all school donor events. You may choose to remain anonymous in your giving, but participation in the Legacy Society may inspire others to also ensure that HBA will have the resources to continue providing a Christ-centered education for generations of Hawaii's children and youth.

For more information about the Legacy Society, contact the HBA Office of Institutional Advancement at (808) 533-7094 or development@hba.net.
