

## Dismissal from Troy High

- **Parent pick-up by the gym (RED)** Students can exit the building by the auditorium or by the gym to find their ride on that side of the building. Parents can pick up along the curb or towards the back of the student lot. Cars can exit the campus by going back to the Long Lake drive or by going toward the Northfield Parkway drive.
- **Parent pick-up at Northfield Parkway loop (BLUE)** Students can exit the building down on the first floor at the Northfield Parkway door and find their ride in the loop. Cars exit the campus going south.
- **Buses (Yellow)** will pick bus riders up in the main entrance loop. They will exit campus using the Northfield Parkway drive. No one else will be allowed into the main entrance loop.
- **Student drivers (Green)** can exit the campus by going back to the Long Lake drive or by going toward the Northfield Parkway drive.
- **Walkers and bike riders** can exit the building using the door where they entered.

**Cars that choose to exit campus by going out the Northfield Parkway drive may be held up by bus dismissal. Students and parents, please be patient and considerate upon dismissal. We are moving over 2,100 students off campus and everyone's safety is our top priority. We usually have campus cleared out within 10 or 15 minutes, so just be patient!**
