A note from Principal Hiltner's office

Students continue to make me proud everyday. Pawsome Behavior, kindness, and hardwork can be seen around every corner at Oakwood Elementary. Students are coming to school happy, healthy and ready to learn. Families and teachers push each child to be the very best they can be, and it has an incredible outcome!

We have a few fun activities planned in December (7 days of Christmas), but don't let that fool you because these students are still hard at and making academic growth.

While we are off for Christmas Break I encourage everyone to spend time reading. Books are such a blessing and thanks to the PTO students get to share their love of reading this Christmas season.
