

**ANNUAL ASBESTOS NOTIFICATION
SCHOOL DISTRICT OF THE CITY OF PONTIAC**

2022 – 2023 SCHOOL YEAR

In accordance with Section 763.84 of the Asbestos Hazard Emergency Response Act (AHERA), or the “Asbestos in Schools Rule,” the School District of the City of Pontiac is notifying employees and building occupants, or their legal guardians, of activities conducted within the past school year involving the asbestos inspections, response actions, and post-response action activities, including re-inspection and periodic surveillance activities, that are planned or in progress at School District facilities.

During the upcoming (2022 – 2023) school year, the School District of the City of Pontiac has planned the following activities related to asbestos-containing materials throughout the school district:

Three Year Re-inspections: The EPA requires that each school district re-inspect all known and assumed asbestos-containing materials once every three years. The three year re-inspection activities for all School District of the City of Pontiac facilities were last completed in October 2017. The next three year re-inspections will occur in the October 2022.

Six Month Periodic Surveillances: Six month periodic surveillances will be completed every six months and continue on a regular six month schedule. The next scheduled round will occur in January 2023.

Asbestos Abatement Projects - Scheduled: As of the beginning of the school year, asbestos abatement projects have been scheduled at WHRC. When necessary, to support building operations or renovations, asbestos abatement projects will be completed in accordance with all state and federal regulations by trained and accredited personnel

During the previous (2021- 2022) school year, the School District of the City of Pontiac completed the following activities related to asbestos-containing materials throughout the school district:

Asbestos Abatement Projects - Completed: asbestos abatement projects were conducted at the following district facilities during the 2021 - 2022 school year: Pontiac High School, Pontiac Middle School, Whitman Elementary School and WHRC.

AHERA Management Plans are available for review in each school building office or at the Administration Building: 47200 Woodward Avenue Pontiac, MI. Summaries for all of the asbestos abatement projects conducted prior to the 2022-2023 school year are located in the AHERA Management Plans, while complete documentation is maintained in the Administration Building

Questions regarding the asbestos program for the district may be addressed to Robert Englund, Director of Facilities for the School District of the City of Pontiac at (248) 451-8114.
