

PJ Day for the Kids in Region 14 Raises Money for Connecticut Children's Medical Center

Wearing pajamas to school is one way the students in Region 14 schools are helping kids just like them who are facing an illness.

On Friday, December 8, Region 14 Schools participated in the statewide Connecticut Children's Medical Center's "PJ Day For The Kids." Students and staff in our schools wore their PJs to school and donated money for the privilege.

In total, more than \$2,200 was raised for the cause.

Student councils and student groups throughout the district helped spread the word for this worthy cause -- wear PJs in support of kids at CCMC who wear their PJs for long periods of time while they undergo cancer treatments.
