Sara Lindemuth/Anna Carter Primary School, Thomas W. Holtzman Jr. Elementary School, and the Middle School are proud to be Schoolwide Title I schools. Our Title I program is funded through the "Every Student Succeeds Act" or ESSA which ensures equal opportunity for academic achievement for all students. An important feature of ESSA is that schools and parents work together to help all students succeed. All students and families are asked to complete and return the compact agreement outlined below. The compact describes how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement. Another goal of ESSA is to develop a partnership between families and the school that will support the children in the achievement of the Commonwealth's high standards. ***This School-Parent Compact is for the 2022-2023 school year.***
