To permit fair and orderly public expression, the Board will provide a period for public comments at regular public meetings of the Board on meeting agenda items only.

The presiding officer of each Board meeting at which public participation is permitted shall administer the procedures of the Board for its conduct.

Eastern Greene Schools is advertising a total budget of \$12,266,184. That is \$259,308 less than what was advertised in 2022. We are advertising an estimated tax levy of \$3,469,634. That is the amount we are estimating we will raise from taxes. That is \$102,289 less than what we estimated for 2022. The advertised tax rates are not shown on the table above. We are advertising a tax rate of \$.62 per 100 dollars of assessed value for the Debt Service Fund. We are advertising a rate of \$1.3403 per 100 dollars of assessed value for the Operations Fund. Those rates are down slightly from 2022. The rates for 2022 were .6982 and 1.3429 for the Debt Service and Operations fund, respectively. That is an overall difference of \$.0808 per 100 dollars of assessed value.

There is not a tax rate for the Education Fund as it is funded by the state. There is also not a tax rate for the Rainy Day Fund as that is our "savings account". We transfer money into the Rainy Day Fund out of the Operations Fund each year (when we are able) so we have some cash on hand in case of emergencies.

We will be keeping a cautious eye on the Operations Fund in 2023. We have made significant improvements and repairs to all of our school buildings in 2021 and 2022. For 2023, my

recommendation is to make needed repairs but not to take on any projects that can wait. We need to build up our cash balance in Operations again so we have cash on hand and don't need to rely on only what we receive from tax levies.

As of September 6, our student population has increased from 2022. This is an increase of 73 students from September of 2021. If this increase stays the same on the state ADM count day (September 16) that will lead to an increase in state funding in our Education Fund. Most of the Education Fund is used to pay staff salaries.

The Debt Service Fund contains any debt (bonds and loans) that the corporation must pay back. The biggest source of debt right now is the repayment of the bonds that were issued to build Eastern Greene High School.

RESOLUTION FOR 2023 BUDGET HEARING

WHEREAS, the Eastern Greene Schools, Board of School Trustees acknowledges the proposed 2023 budget as advertised and:

WHEREAS, this Board of Trustees also acknowledges that some changes may need to be made at the 2023 Budget Hearing.

THEREFORE, BE IT RESOLVED, that Mr. Trent Provo, Superintendent of Eastern Greene Schools, is hereby authorized to make any changes, adjustments or reductions that he deems necessary to any of the 18 lines on Form 4B, including line 5 and:

BE IF FURTHER RESOLVED, that Mr. Trent Provo is directed to report any changes made at the Budget Hearing to the Board of School Trustees following the Hearing.

### **2022-2023 Return to School Plan**

State and Federal Mandates require schools to review and update their return to school plans every six months. The return to school plan is in relation to how we will handle COVID. The suggested plan is below. This is the same plan we used from mid February throughout the rest of the 21-22 school year. If you have any input or comments concerning this plan, feel free to email Superintendent Trent Provo at [tprovo@egreene.k12.in.us](mailto:tprovo@egreene.k12.in.us). Or you can email one of our board members. Their contact information can be found on the corporation website. Our Return to School Plan will be adopted at the July 11 board meeting.

- The attendance plan for Eastern Greene Schools will be in-person. This would only change if we were advised to close school(s) due to an outbreak of an illness that fits the DOE or Greene County Health Department definition of an outbreak.
- We will no longer contact trace or quarantine students if they are a close contact to a Covid positive individual.
- Masks will be **optional** in all Eastern Greene buildings and at all events.
- If a student or staff member is positive for Covid they will isolate for five days and can return on day 6. Wearing a mask at school, and during extracurricular activities, on day 6-10 will be **optional**.
- A negative test or doctor's note **is not** required to return to school.
- We will go back to our pre-pandemic policy concerning illness. **Students should not come to school if they are feeling ill.** They should definitely not attend school if they have a fever (100.4 or higher), are vomiting, or have diarrhea. They should be fever free for 24 hours without the aid of medication to return to school.
- If your student is a close contact to a positive case in the home, or elsewhere, and you are considering a self-imposed quarantine, please contact your student's building nurse and principal as this can affect attendance.
- If your student must isolate due to a positive COVID test, please contact your student's principal to arrange the best plan to continue their education. If you have reliable internet your student may be able to remotely attend classes.
- This plan is subject to change due to changes in national, state, or local emergency health mandates and/or changes in the number of local COVID cases and/or quarantines.
- This plan, and any updates, will be posted on the corporation website: [egreene.k12.in.us](http://egreene.k12.in.us)
