Dear DCS,

This week, Coach Phil Jacobs was named the [Detroit News Dream Team](#) Coach of the Year and was also named the [Associated Press Coach of the Year](#). Congratulations to Coach Jacobs, the entire DHS coaching staff, and the entire Dreadnaught football program!

He was joined by several players on the two lists: Cole Cabana, Brennan Parachek, and Micah Davis.

We are blessed to have so many talented, dedicated, and caring coaches working with our student-athletes. Everyone in Dexter knows what a great group of coaches we have throughout our programs and honors like this are a continued reminder to everyone of how great it is to be a Dreadnaught!

Congratulations to Coach Jacobs, the coaching staff, our players, and the entire Dreadnaught football program!

Go Dreads!

Sincerely,

Christopher Timmis, EdD

Superintendent
