Good morning, Wausau School District Community:

We are reaching out to let you know that our COVID-19 mobile testing units are once again offering PCR tests. That's in addition to the rapid antigen tests.

For a look at the testing schedule and what you need to do before you're tested, please [click here](#).

As a reminder, testing is only offered on days when school is in session, so that means our mobile units will not be available over Winter Break (December 23-January 1).

Thank you and have a great Monday!
