Our philosophy is to help guide our students in their journey to find the right fit. In guiding our students to find the right fit we value helping our students to find their voice.

**College Appointments**

Beginning in December of a student's junior year, students and parents may schedule appointments with one of our college counselors. Our counselors are also available for either first time meetings with Seniors or follow up meetings with students and parents for a more in depth discussion about a student's list of schools and finding the right fit for them.

KEEP CALM and WRITE THE ESSAY
개인 진술 및 보충 에세이

The essay demonstrates your ability to write clearly and concisely on a selected topic and helps you distinguish yourself in your own voice. What do you want the readers of your application to know about you apart from courses, grades, and test scores? Choose the option that best helps you answer that question and write an essay of no more than 650 words, using the prompt to inspire and structure your response. Remember: 650 words is your limit, not your goal. Use the full range if you need it, but don’t feel obligated to do so. (The application won’t accept a response shorter than 250 words.)

- Some students have a background, identity, interest, or talent that is so meaningful they believe their application would be incomplete without it. If this sounds like you, then please share your story.

- The lessons we take from obstacles we encounter can be fundamental to later success. Recount a time when you faced a challenge, setback, or failure. How did it affect you, and what did you learn from the experience?

- Reflect on a time when you questioned or challenged a belief or idea. What prompted your thinking? What was the outcome?

- Reflect on something that someone has done for you that has made you happy or thankful in a surprising way. How has this gratitude affected or motivated you?

- Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others.

- Describe a topic, idea, or concept you find so engaging that it makes you lose all track of time. Why does it captivate you? What or who do you turn to when you want to learn more?

- Share an essay on any topic of your choice. It can be one you’ve already written, one that responds to a different prompt, or one of your own design.

"Why Northwestern" Statement:

While other parts of your application give us a sense of who you are, we are also excited to hear more about how you see yourself engaging with the larger Northwestern community.

In 300 words or less, help us understand how you might engage specific resources, opportunities, and/or communities here. We are curious about what these specifics are, as well as how they may enrich your time at Northwestern and beyond.

Do you plan to complete the "Why Northwestern" Statement? (We strongly encourage a response, as your answer will help us connect the dots across your application to imagine what kind of college student you might become.)*

교사 VS. 카운셀러 추천서

• 교사는 수업의 맥락 내에서 학생에 대한 관점을 제공합니다.
• 카운셀러는 학생이 GBS/커뮤니티/일에 기여한 것에 대해 보다 "글로벌" 시점에서의 관점을 제공합니다.
• 학생은 자신을 잘 "채점"하는 교사뿐만 아니라 자신을 잘 "아는" 교사에게 요청해야 합니다.
• 교사 추천은 반드시 5개의 학과목 중 1개여야 합니다.

Why 대 What

“대학은 학생들이 무엇을 하는지보다 왜 하는지에 훨씬 더 관심이 있습니다. 우리는 이벤트에 열광하는 것이 아니라 그것이 당신에게 무슨 의미인지, 당신이 자신에 대해 배운 무엇인가에 있습니다.”

Yes. Early Decision applicants are part of a much smaller pool of candidates. During the 2020-21 admission cycle, Boston College received 3,225 Early Decision applications (ED I and II combined). 39% of ED applicants were admitted, filling 48% of the Class of 2025. During Regular Decision, the remaining 52% of the class was filled from an applicant pool of nearly 37,000 applications. The admit rate for Regular Decision applicants was 17%.

Because Early Decision attracts a small, but competitive pool of candidates, the acceptance rate is higher than at Regular Decision. Early Decision allows you to demonstrate your commitment to enroll at Boston College. It also enhances our ability to enroll students interested in the Jesuit, Catholic approach to education, personal growth, and service of others.
