## ALL GRADE LEVELS

**PRIVATE PIANO LESSONS** Between 3:30 and 6:00pm \$50 per Lesson

These one-on-one lessons will give students an opportunity to receive quality instruction adapted to their level and focusing on their needs.

The lessons for beginners will start with piano basics; learning to read notes, read rhythms, play scales, play basic chords and other tools essential to play any style of music. The students with more experience will be able to continue on their path to the mastery of the instrument. [Students will be able to choose their individual schedule online.](#)

**Teacher:** TBA

## GRADES 5-7

**GROUP GUITAR LESSONS** 4:00-5:00 Grades 5th-7th \$485

In these weekly sessions of group instruction, the students will learn to learn to play the guitar, care for it, tune it and become familiar with various techniques and styles. They will also learn to read standard music notation, chord diagrams and tablature

At the end of the year, they will present a piece they have worked on during the semester and will have the opportunity to be recorded during their performance

[This class will be taught in French and English, thereby giving our students the opportunity to develop musical vocabulary in both languages.](#)

**Teacher:** MOUYAL, David

## TUESDAY

## GRADE 7-10

**SMART PHOTOGRAPHY** 4:30-5:30 Grades 7th-9th \$325

In this photography class, you will learn the essentials to take professional-looking photos with nothing more than your smartphone. We will start out by adjusting camera settings and understanding available tools. You will learn how to utilize all design elements to achieve better results. You will be walked through, step by step, on how to photograph different situations, as well as on the basics of photo editing.

**Teacher:** ALMEIDA, Gabi

## TUESDAY

---

NEW

### **MIX MASTER | MUSIC STUDIO 4:00-5:30** **Grades 7th-10th** **\$580**

If you are passionate about sound engineering and studio recording, this workshop is for you!

We will start with the basics of audio production and learn to use Ableton Live 11 Digital Audio Workstation. We will then start creating our own audio productions using various instruments. At the end of this workshop, you will have learnt to record, edit, mix and put together your own audio creation.

**Teacher:** MOUYAL, David

## WEDNESDAY

---

### **GRADES 5-9**

### **ENGLISH DRAMA** **3:30-4:30** **Grades 5th-6th** **\$325**

This activity is not for actors and actresses only. It is a fun challenge for anyone who enjoys the arts. It offers students the chance to write, direct and produce scripts and plays and culminates with an end of semester performance.

**Teacher:** Clover-Brown, Robert

### **ENGLISH DRAMA** **4:30-5:30** **Grades 7th-9th** **\$325**

This activity is not for actors and actresses only. It is a fun challenge for anyone who enjoys the arts. It offers students the chance to write, direct and produce scripts and plays and culminates with an end of semester performance.

### **ALL GRADE LEVELS**

### **PRIVATE GUITAR LESSONS**

**Between 3:30 and 6:00pm** **\$50 per Lesson**

In these one-on-one 30-minute lessons, the students will learn to master the basics of guitar playing before they begin working on more advanced techniques such as picking exercises and basic scales to prepare them for band practice. At the end of the year, students will present a piece they have worked on during the semester and will have the opportunity to be recorded during their performance

[This class can be taught in French or in English depending on the student's preference](#)

[Students will be able to choose their individual schedule online](#)

**Teacher:** MOUYAL, David

## GRADES 5-12

**CHESS****3:30-4:30** **Grades 5th-8th****\$325**

Come join in the fun and learn how to get started playing chess. Whether you are a complete beginner or a more experienced player, Your NTCA Chess Coach is excited to spend the semester teaching you how to build and hone your chess playing skills. The class will also include fun facts about chess history and current events. Of course, there will be plenty of activities and playing!

Teacher: **Texas Chess Center**

**CIRCUS Advanced****5:00-6:00** **Grades 5th-12th****\$500**

There is nothing more exhilarating and beautiful as a circus with its soaring acrobatics, gravity defying feats, amazing aerialists and contortionists, mesmerizing illusions, breathtaking dance, moving music, and hilarious comedy. At Lone Star Circus, we take pride in our rich history as an eighth-generation circus family, as well as being the leader in Circus Arts through our culturally diverse performances in Texas and beyond. \$40 Show Fee payable in January. More info sent by Lone Star Circus in the spring.

[This activity takes place at the Churchill campus. A shuttle service is available to transfer the enrolled students from the Waterview campus to the Churchill campus. Parents have to pick-up for their children at Churchill at the end of the activity.](#)

**LATIN / ANCIENT GREEK****4:30-5:30** **Grades 7th-12th****\$325**

In this course, participants will acquire the literary, historical, and artistic elements of the Ancient Greek culture. They will learn about mythology, the origins of Rome, historical extent, cultural breadth of ancient civilizations and more. Students will be able to identify the influence of ancient works or history in cultural productions of different periods while reading, understanding, translating, and interpreting simple statements in the language studied. Participants will strengthen their foundation of the French language while broadening their minds and expanding their understanding of the Ancient Greek culture.

Teacher: **CHARLES, Bérengère**

### **GRAPHIC DESIGN AND VIDEO 4:30-5:30**   **Grades 8th-12th**   **\$325**

This class is designed to teach creativity through graphic design to students of all levels. Participants will learn the basics and principles of video editing and graphic design. They will be able to work with Adobe Photoshop/Illustrator and Adobe Premiere and will be introduced to the notion of picture formatting. Students will develop video creation skills while having the freedom to express their imagination.

Students will have to bring their own laptop (16 go ram minimum/recent graphic chipset)

**Teacher: MASSON, Frederic**
