To all drivers: **Staff parking is for staff only!** We have made great efforts to add parking spots in the school's parking lots. Please use them! Residents that live on North View Drive do not receive their mail because cars continue to park in front of their mailboxes. Please, if any other parking spots are available, do not park on the side streets near the school. Also, students who drive to school and park in the north parking lot, please be careful while entering the parking lot. Be aware of others. If you have any questions, please contact Eve in the office.

**Spring dual credit registration** is open starting November 1st. Please see Mrs. Ruesink or Mr. Bunkers with questions.

**Haven is looking for:** applicants that are interested in subbing. If you are interested, please see Eve in the high school office.

The Dell Rapids C team lost a tough one on Friday night against the West Central Trojans. The boys all worked hard and will continue to get better all season long.

The Quarrier Boys Basketball JV team lost Friday night 48-32 to a tough West Central team. Cole Ruesink and Lincoln Fersdahl led the scoring on the night and the boys played well defensively. They will continue to improve all season long as they showed some great flashes on Friday.

The Dell Rapids Varsity Basketball team played a hard-nosed game on Friday night against the West Central Trojans and came out on top 57-44. All dudes played great with the great energy from the crowd. Pankonen and Henry led the scoring charge and the defensive effort from all 11 guys was fantastic. Keep on coming out to support the Quarriers!

**QUARRIERS:** The last full week before a little holiday break. Things stay pretty busy; hopefully the weather cooperates. See you at a game.
