

## McKinney-Vento Information Form

This form is designed to help a district liaison determine whether a student is homeless as defined by the federal McKinney-Vento Act. Answers to the statements below will help determine if the student meets eligibility requirements for services under the McKinney-Vento Act. The district liaison may use this as an interview form and give a copy of it to the family after completing the form. Liaisons may want to keep this form as an ongoing tool to keep notes on throughout the duration of a student's homelessness.

3. Access to free meals, Title 1 and other educational programs, and transportation to extra-curricular activities to the same extent that is offered to other students.
