

3. USBE will also offer virtual Community Council trainings on November 9 & 14 (at Noon and 7:00 PM on both dates). Invitations to these virtual trainings will be sent via email to all council members from USBE on October 21. Additional Community Council trainings may also be scheduled through USBE ([USBE Council Training Request](#)).

SCHOOL GRADES ▪ School grades have been on a pause for the past four years due to state legislative flexibility and COVID. School grades resume this year. Letter grades have been assigned to each school in Utah. School grades will be publicly released on October 11. School grades are “embargoed” by USBE until October 11 (meaning we cannot share grades with the general public until then), but USBE has created a temporary log-in for school leaders to view the assigned grades prior to October 11. More details will be shared during the District Leadership Business Teams meeting next Monday. View your school grade using the following information: - Secure Access Link: <https://secure-utahschoolgrades.schools.utah.gov/> - Username: LEAtest - Password: S&P36Kx%JgSX
