

PTA - December 2022 Meeting minutes

Senior Campus, 5th of December, 2022

PTA board ATTENDEES

Sylwia Roukens Chairperson SRO

Carolina Saul, Secretary CSA

8 Parents

Teachers

Mr Moreno RMO

-
1. International Food Fair:
 - a. Initially planned to be on March 25th but due to Ramadan, it will be moved to March 18th
 - b. SRO proposed to create a Food Fair organization committee of at least 3 people to work on the preparation besides the PTA board. Ideally, it should be formed during the next PTA meeting in January.
 - c. We will put the information about it in the next bulletin.
 2. PTA still needs a representative of the 10th grade, RMO will ask the tutors to reinforce the request.
 3. Festival of Lights (FOL)
 - a. FOL will have two breaks, and PTA will provide some refreshments for the parents
 - b. There are leftovers from the Wine & Cheese event
 - c. If any expenses will be made by the parents, the PTA will cover it
 - d. 136 people are expected
 - e. There will be three parents helping during the first break and three in the evening
 4. Last Day of School (Wednesday 21st December)
 - a. A potluck lunch for students is being organized
 - b. The classes will decide who brings what

- c. PTA will provide a treat for all the students, it was decided that it will be clementines and gingerbreads. SRO will take care of the purchase and delivery, coordinated by Mr Moreno. The cost will be covered by PTA funds.
- 5. Cafe Crime
 - a. New drama teacher prepared a video message for the PTA and asked the parents to participate in the Cafe Crime that will happen in 2023. More details to come.
- 6. Update on the Green Roof Project (Helene Frisch HFR, project leader)
 - a. HFR started with general information about the Green Roof project origins for the new parents
 - b. An resume of meeting with the Dakdoctors that took place earlier today : slides with two different variants (one center green island versus small movable elements)
 - c. short resume of the students survey
 - d. budget - next step in successful development of the project is feedback from the Wolfert organization, we need to know to what extent Wolfert will be funding/ helping the project. So far poor engagement, their representative was absent during today's meeting with the architects.
