BOND 2017: Hall of Honor Update - LSC

PROJECT OVERVIEW: THE EXHIBITS AT THE HALL OF HISTORY

The Hall of History will be located in the Barbers Hill Independent School District Leadership Service Center. It will tell the story of the history and development of both Barbers Hill ISD and the city of Mont Belvieu.

Branding the Building

This rendering shows one way that the city and the school's logos could be incorporated. The final design for the Hall of History's facade is still to be determined.

BOND 2017: Hall of Honor Update - LSC

Display installation in progress – artifacts will be placed once all of display cases are completely fabricated and installed.
