Intent to Participate in College Credit Plus (CCP) for the 2023-24 School Year
****Form must be completed and returned by March 31, 2023****

Student Name: _____

Student ID#: _____

High School: _____

I would like to declare my intent to participate in CCP. I understand that signing this form does not obligate me to participate during the coming school year and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school when I gain admission to my selected institution of higher education. It is also my responsibility not to exceed 30 credits in one academic year, including summer term. My school counselor will help me determine my credit eligibility for the coming school year. I also understand that it is my responsibility to notify my school if I am not going to participate in CCP for any reason.

I certify that I have received information and counseling related to the College Credit Plus Program (CCP).

I am aware of my responsibilities, the benefits and possible risks of participating in the College Credit Plus Program including the expectation to pay the cost of the course if I do not pass the course or withdraw within the time frame given by the college/university. I am also aware and will be responsible for payment of any course that exceeds 30 credits.

Student's Signature: _____

Date: _____

Parent's Signature: _____

Date: _____

Counselor's Signature: _____

Date: _____

For the 2023-2024 school year, select the payment option for the student's course(s).

OPTION A: The student/family will be financially responsible for all tuition and the cost of all textbooks, materials, and fees associated with the College Credit Plus course.

The student must inform the secondary school whether the student wants to receive college credit only or high school and college credit.

OPTION B: The state of Ohio is financially responsible for the eligible course(s) in which the student chooses to enroll.

If Option B is selected, the funding for the course will be deducted from the secondary school and redirected to the college.

The student will receive high school and college credit.

COMBINATION OF OPTIONS A & B: Student/family chooses to be responsible for all tuition, textbooks, materials, and fees for one or more courses. If this option is chosen, the student must inform the college which course(s) will be under Option A and which will be under option B.

Please consult with your school counselor for more information and to choose the option(s) that best suits your College Credit Plus endeavors. Your selection of Option A or Option B is tentative on this form. You must confirm your selection by your college's no-fault withdrawal date. You must also inform your high school of your final selection.
