Love and Peace

White doves fly,
In the blue sky.
You can see lit candles passing by.

The world is full of happiness and joy.
Little children play in the park, go
home, and enjoy their pie

Lanterns float above the river.
Stars shine ever so high.

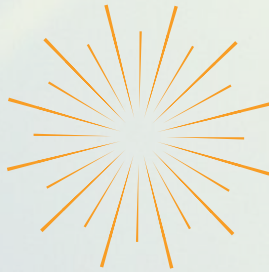

YEVA, PYP2B

May Peace go mightier!!

May Peace go mightier!!

*The festival of lights, it makes the world
so bright.*

*Oh, my dull night, life will make you bright.
Let us stand united, I am so excited.*

*I see light here, I see like there,
I see light everywhere.
But children are crying,
their parents are dying.*

*The candle will fall, humanity will crawl.
Stop this gory war, close the evil door.*

*Let us pray for peace, do away with caprice.
May the light shine brighter...
may peace go mightier!!*

KENSEI, PYP1A

'Nagasaki'

I was born in Nagasaki.

A long time ago,

an atomic bomb fell.

Many civilians died.

**May Nagasaki be the last place
on the earth to be bombed.**

AANAY, PYP2A

WHAT IS PEACE?

Peace feels like a leaf falling on me. Peace makes me feel at home. Peace is my friend when I am lonely. Peace is when a tree that has been saved from a chainsaw. Peace is the opposite of violence in the world.

UNTITLED

When wars and conflicts totally cease, in our world, there shall be peace. People must learn to get along, not blame others for being wrong.

The fight for control, fight for land, some just need a helping hand. We must rid ourselves of vanity, And embrace peace, through humanity.

Wars make children so much tougher, Lose their innocence, while they suffer. We should fight for peace instead, Love not war, we should spread.

TANYA, PYP2A

Friend

Am I not your friend
Do you see

Can't we just pretend
Maybe

Through the darkest night
Through the deepest day
By the brightest light
By the heaviest shine

Am I just pretend
You see

Or are you just pretend
Are you just pretend
I see

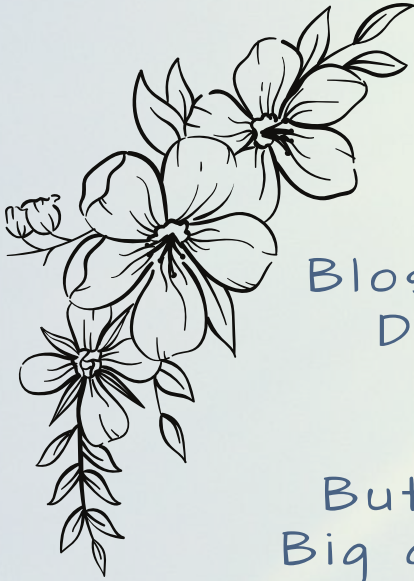

Am I not your friend

Yes I am
I am your friend
Your dearest friend
Because I see
I see you in me
In my eye

Like
The darkest emerald
The deepest ocean
The brightest sky
The heaviest rye

NINA, PYP2A

Blossoms bloom
Day by day
And die

But don't cry
Big as a screech
To your feet

Like a bee
I might see

ELIZABETH, PYP5B

Peace

If only the world was filled
with me,
And yet it's not.

People run each day
just to find me,
People risk their lives
to be with me,

People die searching for me,
I wait for people to find me,
Or sometimes
I'll come to them,

Yet I ain't everywhere
I am peace,
And if only the world was
fully filled with me.

JESSICA, PYP5B

INNER PEACE

The rain falling on the
windowsill
the clouds grey and fluffy

no sounds are heard
other than soft breaths
and turning pages...

the dim light
and the muffled rain
and delicate thoughts
fill your brain

you somehow feel
an inner peace
as the chaotic world crumbles...
around you

BHAVATI, PYP4B

Peace

peace is the blanket that covers the world
with happiness. The peace what the children want

No hunger in the world,

No poverty in the world,

No war in the world,

No pollution in the world,

In the new world, Peace should be the sound of
laughter between the people, animals and birds.

Peace sneaks through the door everyday. peace is
what the world wants.

*Peace and harmony are the key to the world,
Discrimination and war are the lock .*

*Peace does not hate,It always forgives
Peace has a meaning
To love and play
To honour and smile
And stay a while.*

*Peace does not mean to war and fight
Peace just means to
Forgive and be kind.*

*Peace is a gift we can give
To the world and the people living in it.*

Poem For Peace

Peace is an act that you can control,
however people's greed can consume it whole.
Life is more than just something small.
Peace is something we could know, to live
a life you need to thank your soul, to live
in this world you have to think of all,
to make this work you need to play a
role, do not give up you need to think
of all. Peace is one of the games in life,
people use their brains to carry on tight,
peace is one of the challenges in life, to live
you need to accept the balances in life.

PYP Festival of Lights Poem by Josefina PYP4A:

Peace, reaching from all the corners of Earth,
From one thought to another,
You relax while calmness surrounds you,
You feel compassion coming towards you,
Peacefulness is just a piece of your heart,
You deserve it,
Empathy is just another way of saying you,
Everybody is everything

My Peace Poem By Adya

*Freedom to think, eat, love, laugh and talk is peace
for me.*

Being calm and not violent is peace for me.

*Seeing the sparkling morning dew drip from the
soft green grass is peace for me.*

*Listening to calm pop music while drawing is
peace for me.*

*Gardening in the cool summer breeze is peace for
me.*

*Sitting on the couch wrapped in a fluffy blanket
while reading a book is peace for me.*

*Peace is like the sun it comes and it goes but when
it's there it gives us hope.*

I want peace and I hope so do you.

When doves fly

White doves fly high in the sky,

The heavy rain stops, such as the kids
who cry,

A bright rainbow comes along with a
soft breeze,

No matter what, everyone should live
in peace.

zPeace

Peace is a part of life.
A part that you cannot see,
but can be seen around the world.
Peace doesn't exist everywhere,
but it can
if we all choose to make it.

PEACE POEM by Finn PYP4A

Peace is yours

Peace is ours

We can keep peace by roses and flowers.

Peace communicates

Peace solves problems

Peace has power to hold the world.

End Racism. Build Peace.

Would there be peace without war,
Could there be free will but no sores,
Should we all just sleep, safe in our beds,
Let's make a peaceful future ahead.
A future with no bombs,
A future with lots of love,
To end racism,
To respect and accept.
This is a peaceful future ahead.

A Thought

People that walk on Earth
Have a heart inside.
Put aside differences
And join hands.
When prayers and dreams are answered,
Only then will we all realize
That
World Peace and Harmony
Make us one.

MY POEM ABOUT PEACE, LOVE, AND RESPECT.

My name is Gabby and this is my poem piece about Love, peace, and respect.

I think everybody should be loved. For example, I think every family member of your's should love, protect, and care for you. But it's not only your family that should love you. Your friends love and care for you too.

Unfortunately some people in this world are ashamed of their skin color, hair color and even their religion. To me this is very sad because everybody is different and they shouldn't change just because they don't fit in.

In class I have noticed that when there are subs they are not respected as much as their home teacher. I can see and notice that the sub is having a hard time keeping the class quite so some kids sometimes help them out. I think it is really important to respect people because some people are going through a hard time and you never know when they could use a hand.

The myth about being perfect isn't true but remember, you are perfect in your own way.

Gabby PYP4A

WHITE DOVE!!!↑↑

Peace is when there is no harm

Peace is when all the hearts are warm.

A young helping an old,a rich helping a poor.

Lending a helping hand to someone who is hurt.

I am the peace and I am a white dove.

I stop wars and I stop fights.

Pray for people to change their minds

from bad to good to make the world a better and

peaceful place.

Peace

Why we need to be respectfull?

Why we need to be so nice?

It's because it's great to live,
in the world, that full of peace,
in the world, that we can trust.

Our world, is full of love,
our world is full of life!

It's so nice to be respectfull,

It's so nice to be so cute!

Our world and we are helpfull,
so we can make much more life;

so we can make much more peace!

Just remember some of rules, like:
please, don't forget about peace!!!

Kar;agina Katya pyra

Light a candle
for me light a
candle for you.

Peace is the way out
of any problem. It can
mean many things.

It can help many
ways peace is our
lives

ANYA HA

You are the light

Just be who you want to be,
there is nothing to hide.

Everyone is special on the inside.
Keep your head up, don't be afraid.
Be yourself, it's not about the grade.
You are the light!
