# HOW TO ACCESS YOUR COURSES IN SCHOOLOGY

1. **Go to** https://www.cmsd.k12.pa.us/4/home
2. **Click on Schoology on the left side of the screen.**
3. **The student will enter their email address**
4. **The student will enter their password**

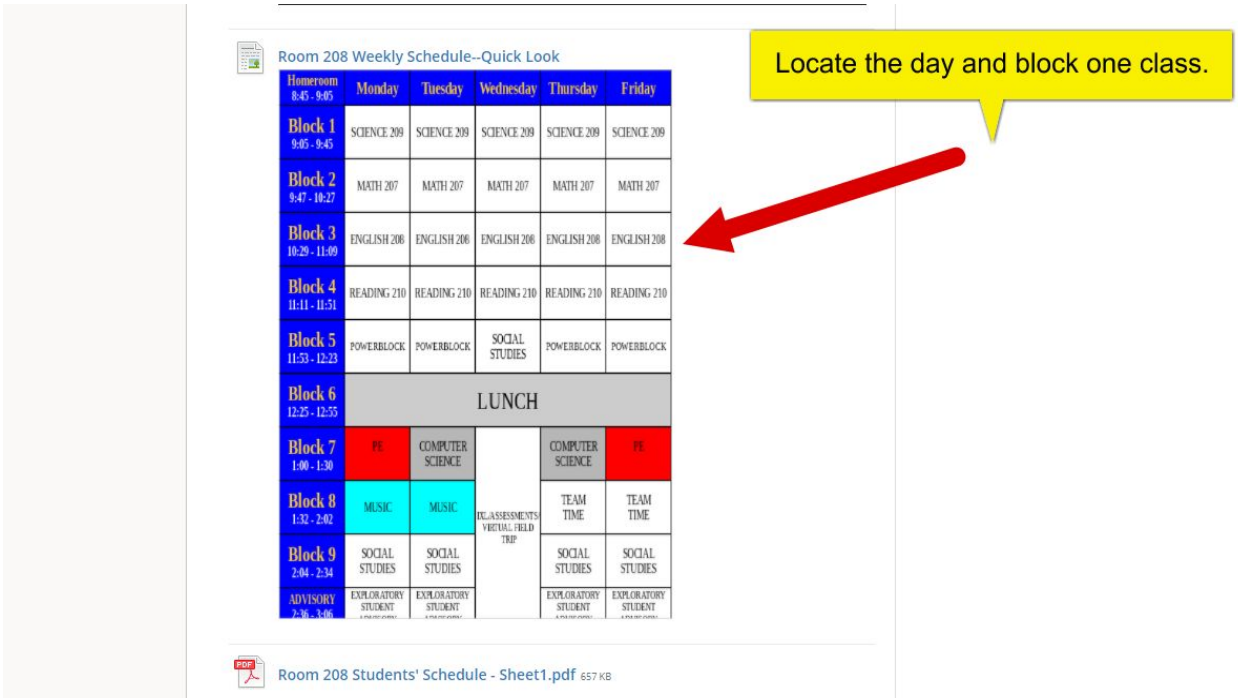

**Here is the first screen you will see after you login. Click on Course Dashboard.**

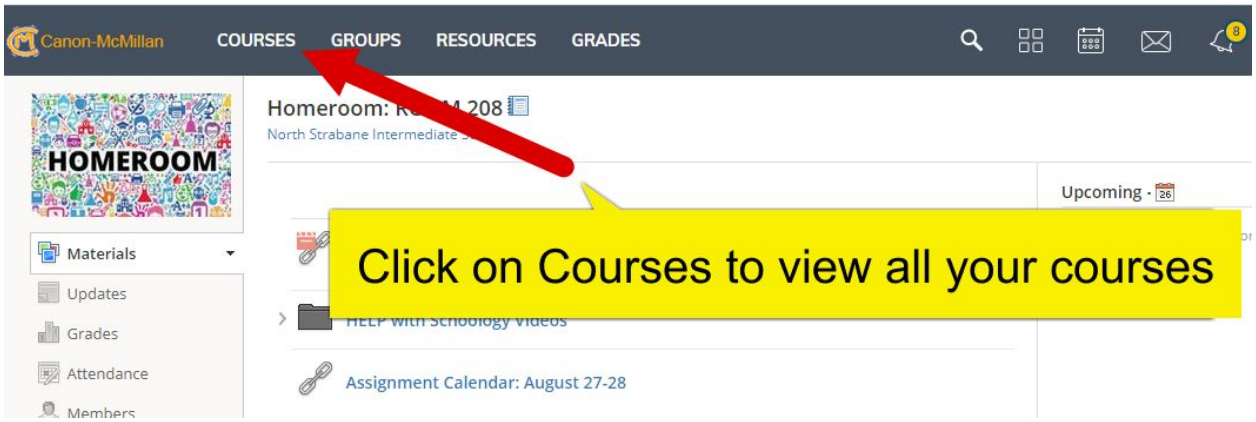

**You will see all of your courses for each subject and homeroom. To view your daily schedule, click on Homeroom.**

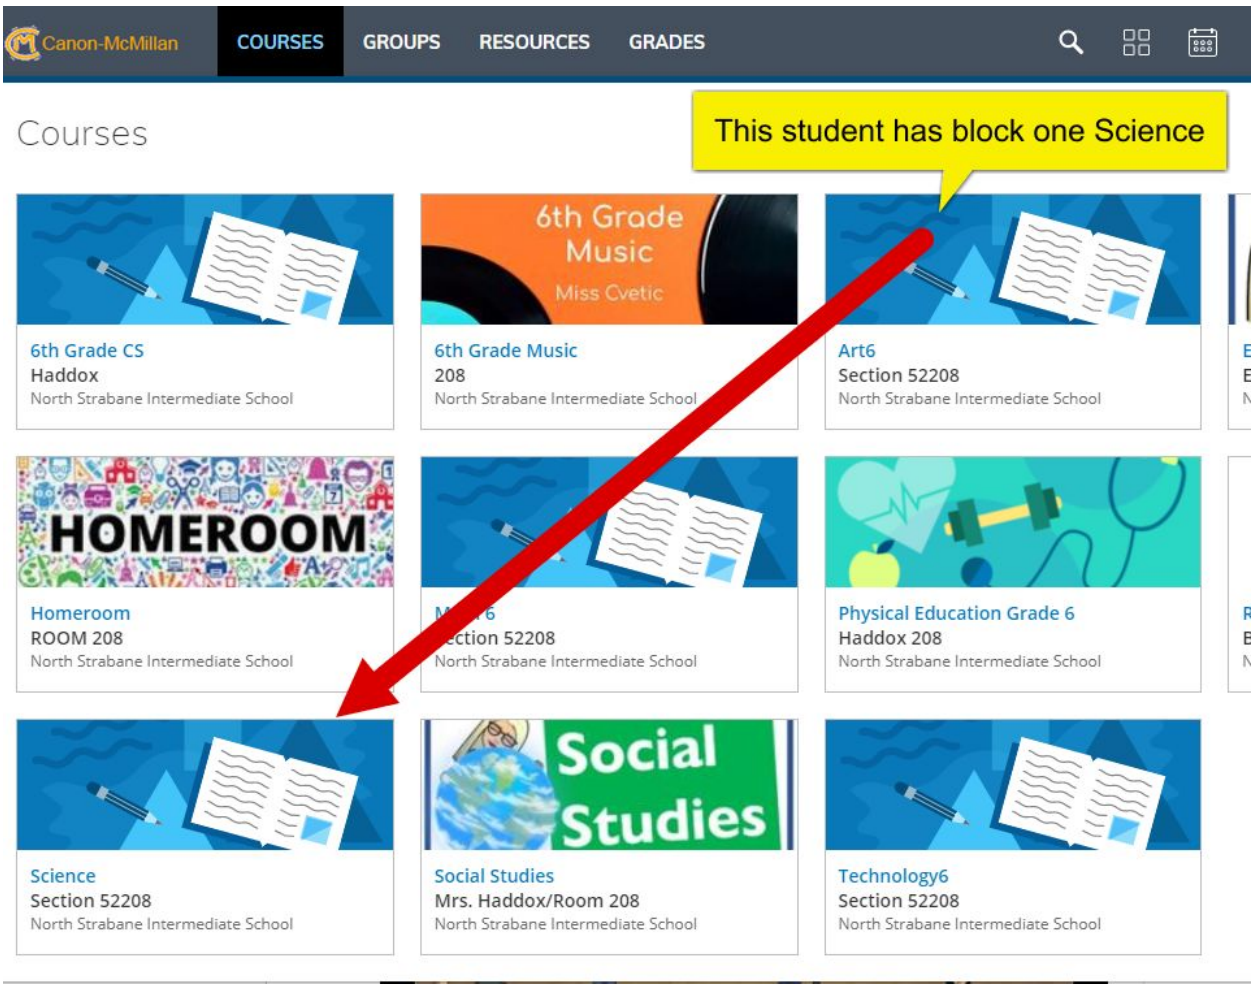

**If you don't see your schedule, you may need to scroll down the page.**

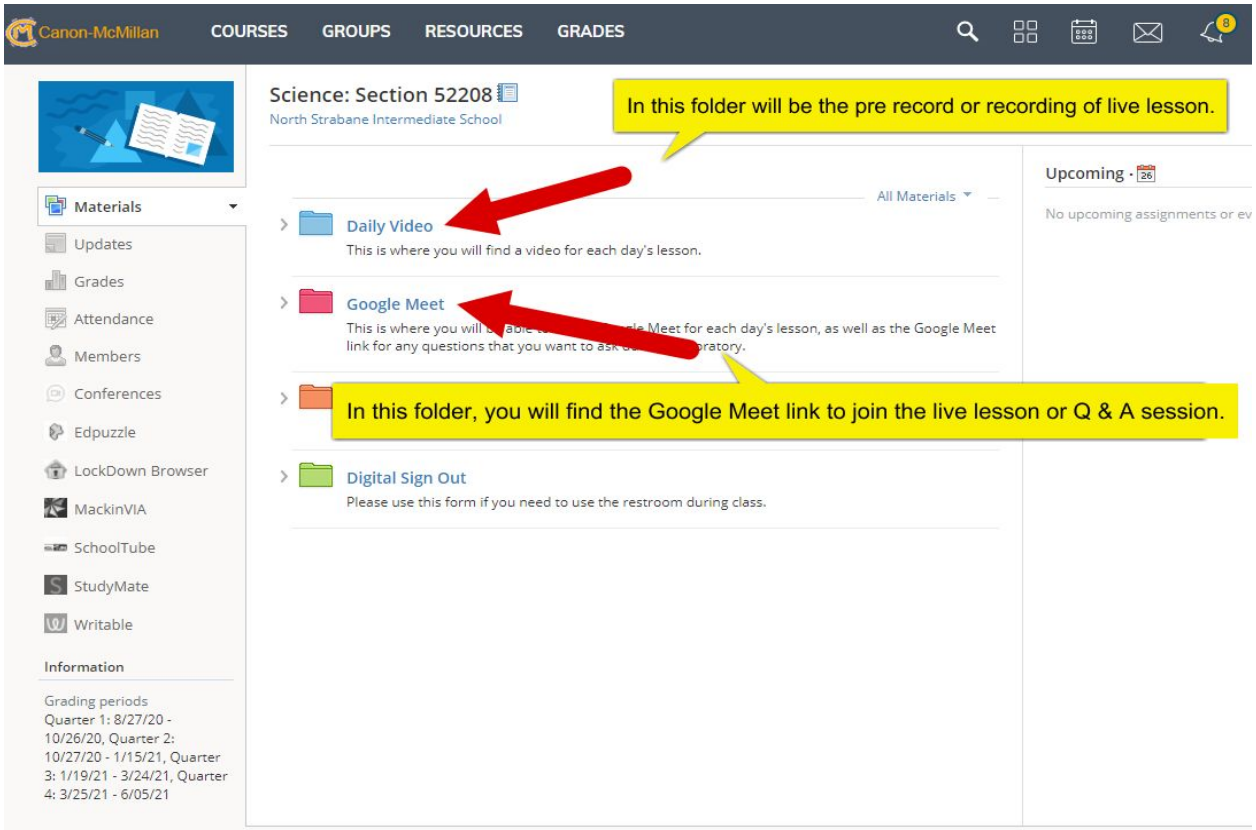

**After you find your block one class, click on Courses to select that class.**

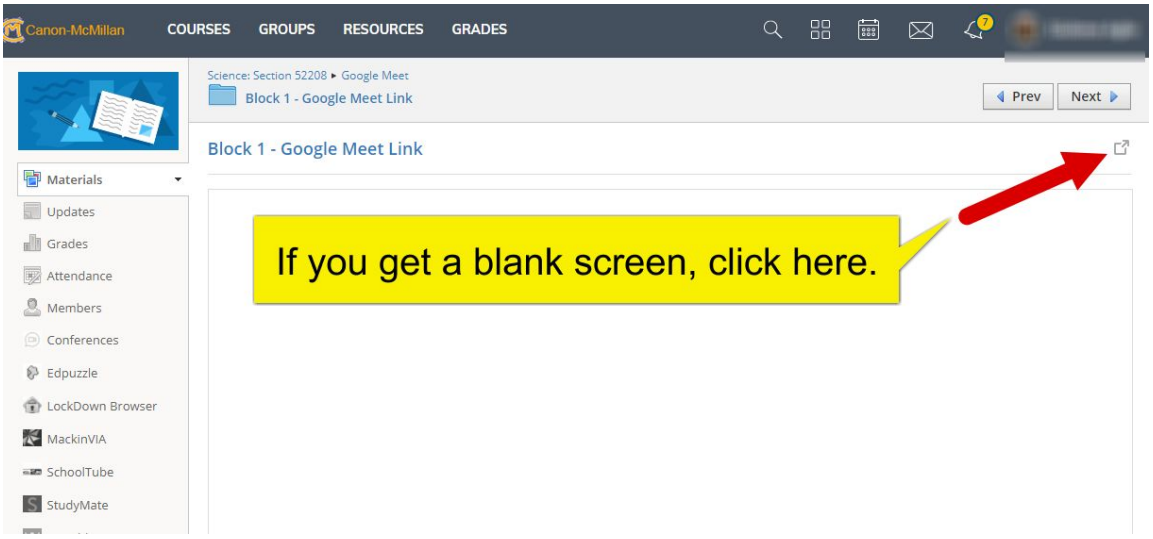

**You will see all of your Courses. In this example, this student has Science Block One. Locate it and click to open it.**

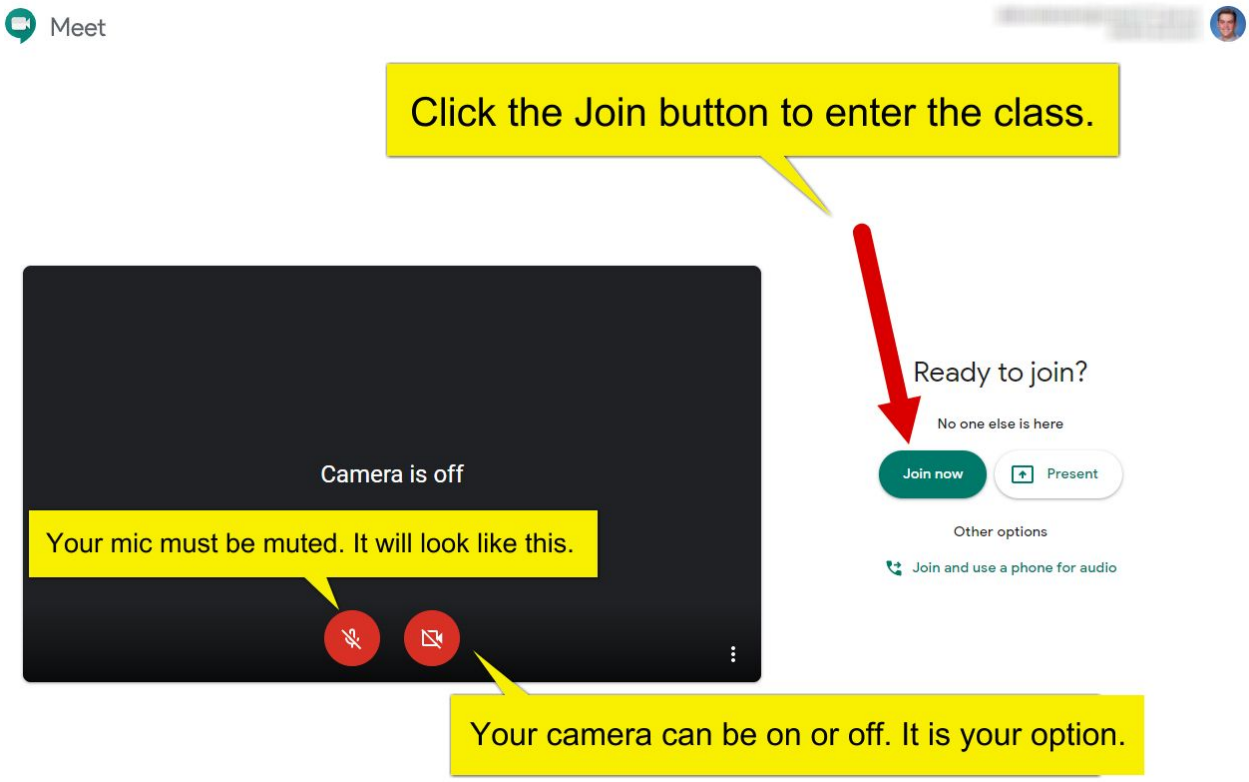

**In each of your Courses, you will find a Daily Video and Google Meet folder. The Daily Video folder will contain the pre recorded or recorded video of the day's lesson. The video will be labeled with the date and subject. For sixth graders, the video will have the date and Block (i.e. 8/25/2020 Block One).**

**On Friday, August 28, all Remote Learners should follow the steps above to locate their Block One Course. After you open it, go to the Google Meet folder. Open the folder and click on the link. Sometimes you may get a blank screen, just click the small square in the upper right corner.**

**The Google Meet screen will open and you will see the following. When you are ready to enter the class, click on Join. Do NOT click on the Present button at any time. Your mic should always be off when you enter the class. You will turn your mic on when the teacher calls on you or asks you to turn it on. You can turn your camera off or leave it on. The only person that will see you is your teacher. And the only person you will see is the teacher.**

**After you are in the class, the teacher will know you are there by welcoming you. Good luck on your first day!**
