

Canon-McMillan School District

Athletic Department

Resocialization of Athletics Procedures-Revised September 17, 2020

INTRODUCTION

The COVID-19 pandemic has presented all Athletic Department's with countless challenges. The COVID-19 virus is a highly contagious illness that primarily attacks the upper respiratory system. The virus that causes COVID-19 can infect people of all ages. Research from the Centers for Disease Control (CDC), among others, has found that while children do get infected by COVID-19, relatively few children with COVID-19 are hospitalized. However, some severe outcomes have been reported in children, and a child with a mild or even asymptomatic case of COVID-19 can spread the infection to others who may be far more vulnerable. While it is not possible to eliminate all risk of furthering the spread of COVID-19, the current science suggests there are many steps schools can take to reduce the risks to students, coaches, and their families.

The Canon-McMillan School District will take the necessary precautions and recommendations from the federal, state, and local governments, CDC, Pennsylvania Department of Health (DOH), as well as the National Federation of High Schools (NFHS), and Pennsylvania Interscholastic Athletic Association (PIAA) to safeguard the participants and staff of our athletic programs. The Canon-McMillan School District realizes knowledge regarding COVID-19 is constantly changing, as new information and treatments become available. The recommendations below will be adjusted as needed as new information becomes available in order to decrease the risk of exposure for our staff, students, and spectators.

Return to Competition:

PIAA FALL Sports at CANON-MCMILLAN HIGH SCHOOL

You can view the entire list of restrictions and guidelines approved by the PIAA at http://www.piaa.org/assets/web/documents/Return_to_Competition.pdf

*Please note these restrictions may change in either direction, at any time with advice from the WPIAL, PIAA, PA Department of Health or Governor Wolf.

Below is the information in each of the key areas regarding the fall sports season, however, the full Resocialization of Athletics Procedures should be reviewed.

Covid Screening - All coaches and student athletes will be screened for signs/symptoms of COVID-19 prior to any event. Screenings will include a temperature check and questioning. Any individual with COVID-19 symptoms will not be allowed to enter the facility.

All individuals will have their temperature checked by a coach.

Any person with a temperature over 100.4 degrees will not be allowed to participate.

Coaches are to isolate the player until the player can safely leave the facility.

The following health screening questions must be asked as recommended by the PA Department of Health. It is recommended that student-athletes pre-screen prior to attending team functions such as practice, meetings, games, or weight room activities. Players should contact their coach immediately if they feel that they would fail the screening.

If you respond YES to any of the questions in section 1 with an *, please make your coach aware as soon as possible.

Positive Case – The PIAA has stated in reference to guidance from the DOH, if one student on a team tests positive for COVID-19, the whole team will need to be quarantined for 14 days.

Masks - All coaching staff and other adult personnel **MUST** wear face coverings (masks or face shields) at all times. All students must wear face coverings at all times including on sidelines, entering and exiting facilities, except when directly engaged in athletic activity.

Facility Restrictions – Per PDE restrictions, gatherings shall not exceed 25 (indoor) / 250 (outdoor) total individuals or 50% of facility capacity (whichever is less), including all players, coaches, fans, staff & event workers.

Transportation – We will continue to use district provided transportation to all away athletic events. Transportation will depart from Canon-McMillan facilities as it has in the past.

Concessions – Concession areas will not be permitted to operate.

Physicals – Students who are participating in PIAA sports are still required to have a sports physical completed after June 1, 2020 and the required CIPPE forms (section 5 & 6) need to be completed and submitted on Healthy Roster. Registration on Healthy Roster and current physical must be submitted before a student is permitted to practice.

The PIAA issued new guidelines for the operation of the 2020 Fall sports season. While the guidelines provide good news for being able to conduct a sports season, there are downfalls and drastic changes from how our fall season traditionally looks.

Out of State Travel - If a player or coach travels out of state to a reported hot spot, they must quarantine for 14 days prior to rejoining the team. Here is the link to check what states are on the Pennsylvania Department of Health Hot Spot list:
