Canon-McMillan Mask Policy:

1. Masks are optional starting June 25, 2021.

Canon-McMillan Athletic Screening Procedures

1. All Athletes will be expected to self-screen using the chart below prior to attending any team practices, games, or events.
2. All athletic teams will keep accurate attendance in case contact-tracing is mandated by the PADOH.
 - a. It will be up to the individual coaches how they want to chart attendance
3. All coaches must have an up to date roster with the following information:
 - a. Player name and phone number
 - b. Parent or Guardian name and phone number
 - c. Player email address
 - d. Parent email address

SECTION 1 - SCREENING QUESTION	Yes	No
<i>*If the response is 'yes' please contact your head coach or athletic director prior to attending in-person practice, game or other athletic activity. If the response to all questions is 'no' proceed to Section 2.</i>		
*Has anyone in the home tested positive or suspected of having COVID-19 in the last 14 days?		
SECTION 2 - SCREENING QUESTIONS	Yes	No

<p>Group A (If the child has 1 or more 'yes' responses from this group, the child is not to attend in-person practice, game, or other athletic activity on this day.)</p> <ul style="list-style-type: none"> ● Fever 100.4° or higher ● Cough ● Is the child taking any medication to treat or reduce a fever? ● Shortness of breath ● Difficulty breathing ● New lack of smell or taste ● Is the student awaiting the results of a COVID-19 test? 		
<p>Group B (If the child has 2 or more symptoms from this group, the child is not to attend in-person practice, game, or other athletic activity on this day.)</p> <ul style="list-style-type: none"> ● Sore throat ● Runny nose/congestion ● Chills ● Muscle pain ● Nausea or Vomiting ● Headache ● Diarrhea 		

***Any vaccinated staff or players do not need to follow these three steps. Vaccinated individuals should follow PADOH guidance.**

1. If **SYMPTOMATIC / NOT TESTED** - exclude for 10 days from symptom onset AND at least 24 hours fever free without medication AND improved respiratory symptoms.
2. If **SYMPTOMATIC / CHILD CLEARED BY PRIMARY MEDICAL DOCTOR OR OTHER HEALTH CARE PROVIDER** - exclude until fever free for 24 hours (if fever is present) AND symptoms improving. Please provide documentation upon return to play to your head coach and/or athletic trainer..
3. If **SYMPTOMATIC / ATHLETE TESTS NEGATIVE** - exclude until fever free without medication for 24 hours (if fever is present) AND improved respiratory symptoms. Please provide documentation upon return to play to your head coach and/or athletic trainer.

● Notify the school immediately (principal, athletic director, school nurse, athletic trainer, and/or coach)

What to do if a student or staff becomes ill with COVID-19 symptoms during practice, event, or during transportation to or from an event?

- **Make every effort to isolate the ill individual from others, until the student or staff member can leave the school or event**
- **If student, parent/guardian will be contacted immediately, and arrangements will be made for the student to be picked up**
- **The ill individual will be asked to contact their physician or appropriate healthcare professional for direction**
- **Student or staff must provide written medical clearance from their medical doctor or CRNP**
- **Return to athletics can begin once the individual is determined by a medical doctor or CRNP to be non-contagious, fever free (without fever-reducing medicine), has vast improvement in respiratory symptoms (cough, shortness of breath), and experiences no vomiting or diarrhea.**

Canon-McMillan Contact-Tracing Procedures

- 1. If a team has a positive case, we will follow all Pennsylvania Department of Health contact tracing/quarantine mandates.**

Indoor/ Outdoor Gathering Limits

- 1. As of May 31, 2021 - All gathering limits for the state of Pennsylvania have been lifted. Therefore, we are at 100% capacity within all of our facilities in the district, indoor and outdoor.**

Health and Safety Guidelines/Protocols for Athletics:

- 1. Athletes will be required to bring their own hydration to all practices, games, lifting sessions, etc.**
 - a. Teams can provide individual, single use hydration (water/gatorade bottles).**
 - b. We will not be activating water buffaloes.**
- 2. Hand sanitizer and wipes will be available to our coaches to use within our athletic facilities.**
- 3. We will continue to disinfect and clean facilities daily.**
- 4. Concession stands will be allowed to continue in full capacity as of July 1, 2021**
- 5. Promote healthy hygiene practices to limit the spread of COVID-19 including:**
 - a. Hand washing or hand sanitizer (20 seconds with warm water and soap)**
 - b. Continue with intensified cleaning, disinfection, and ventilation in all facilities.**
 - c. Educate Athletes, Coaches, and Staff on health and safety protocols**
 - d. Personal protective equipment (PPE) will be used as needed and situations warrant, or determined by local/state governments.**
 - e. Require that anyone who is sick to stay home.**
 - f. Regularly communicate and monitor developments with local authorities, coaches, staff, and families regarding cases, exposures, and updates to policies and procedures.**
