Job Description:

We are looking for a talented Welder to join our team specializing in manufacturing for our business segment in Henderson, CO.

In this role, you will make an impact in the following ways:

- Perform skilled activities including but not limited to; mid welding, gauge steel, mild steel and welding enclosures which support manufacturing business needs while using appropriate personal protective equipment.
- Select and use appropriate tools, machinery and specialty equipment while completing work with limited guidance.
- Learn and understand the protocols of working safely with electricity and other energy sources with industrial equipment.
- Perform work in accordance with diagrams, sketches, operation manuals and specifications using various tools, measuring and testing instruments.
- Repair and maintain equipment while documenting preventive, emergency, corrective and predictive maintenance activities.

To be successful in this role, you will need the following:

- Requires some work experience or intermediate level knowledge obtained through education, training or on-the-job experience.
- High school diploma or certificate of completion of secondary education or equivalent experience to the extent such experience meets applicable regulations.
- This position may require licensing for compliance with export controls or sanctions regulations.

Compensation and Benefits

The hourly range for the position is \$17.69 - \$29.18/hour. Base salary rate commensurate with experience. Additional benefits vary between locations and include options such as our 401(k) Retirement Savings Plan, Cash Balance Pension Plan, Medical/Dental/Life Insurance, Health Savings Account, Domestic Partners Coverage and a full complement of personal and professional benefits.

Cummins and E-verify

At Cummins, we are an equal opportunity and affirmative action employer dedicated to diversity in the workplace. Our policy is to provide equal employment opportunities to all qualified persons without regard to race, gender, color, disability, national origin, age, religion, union affiliation, sexual orientation, veteran status, citizenship, gender identity and/or expression, or other status protected by law. Cummins validates right to work using E-Verify. Cummins will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS), with information from each new employee's Form I-9 to confirm work authorization.
