Why the Annual Dinner Matters

DJDS's annual dinner is the largest fundraiser of the year, raising more than 1/3 of the school's annual fundraising budget. These funds support teacher salaries, provide financial aid to more than 50% of our students, and help us maintain an innovative curriculum. Donations also ensure that DJDS can offer a modern, integrated, and rigorous education rooted in Jewish tradition, ethics, and beliefs. Whether our 320 students in grades K-12 are pursuing academic or extracurricular activities on our beautiful 18-acre campus, they are always inspired to explore, inquire, and grow.

Our Mission

Our pluralistic Jewish community day school prepares and inspires Jewish students through an extraordinary secular and Judaic education to live purposefully, act ethically, and thrive in the world.
