

Golf is coming to Wylandville Elementary and you don't have to be a Wylandville student to participate!!

TGA Junior Golf is the perfect opportunity to help your child learn the life-long sport of golf. Whether a first time golfer or someone with previous golf experience, TGA coaches will meet your child at their ability level. All equipment will be provided. We only ask that your child wear tennis shoes and clothes they will be comfortable being active in.

When: 4:00pm-5:00pm

Dates: Monday, January 23rd, 30th, February 6th, and 13th

Cost: \$115 prior to January 17th

Or \$135 after January 17th

All students registered for the program will remain at school, in the gym, and be supervised by a TGA coach until the program begins. If your child attends morning kindergarten or is coming from another school, please have them arrive by 3:55pm.
