

# International School of Indiana Vancouver

May 22-28, 2023

International School of Indiana

# PLACE-BASED LEARNING GOALS

1. Students get a chance to practice and improve their Mandarin speaking and comprehension skills.
2. Students come to a better understanding of globalism and push/pull factors in immigration as they are playing out in the city of Vancouver, where 20% of the population identifies as Chinese.
3. Students understand the complexity of immigration and the beauties of multiculturalism outside of their own everyday environments.
