Role of the Board

The primary purpose of the Board is to provide local, citizen governance and oversight of education. Board responsibilities fall generally in one of the following areas:

- Adopting goals and priorities for the District and monitoring the success in the achievement of those goals.
- Adopting District policies and reviewing the effectiveness of those policies.
- Adopting a District budget and setting the tax rate.
- Overseeing the management of the District.
- Ensuring that the Superintendent implements and monitors plans, procedures, programs, and systems to achieve appropriate, clearly defined, and desired results in the major areas of District operations.
- Hiring a Superintendent and evaluating him/her at least annually.
- Communicating with the community about the work of the District.

The Board has final authority to determine and interpret the policies that govern the schools and, subject to the mandates and limits imposed by state and federal authorities, has complete and full control of the District. Board action shall be taken only in meetings that comply with the Texas Open Meetings Act.

Board members as individuals shall not exercise authority over the District, its property, or its employees. An individual member may act on behalf of the Board only with the express authorization of the Board. Without such authorization, no individual member may commit the Board on any issue.

The Board and the Superintendent shall work together to:

- Advocate for the high achievement of all District students;
- Create and support connections with community organizations to provide community-wide support for the high achievement of all District students;
- Provide educational leadership for the District, including leadership in developing the District vision statement and long-range educational plan;
- Establish Districtwide policies and annual goals that are tied directly to the District's vision statement and long-range educational plan;
- Support the professional development of principals, teachers, and other staff; and
- Periodically evaluate Board and Superintendent of Schools leadership, governance, and teamwork.

The Board relies on the advice of the Superintendent in order to fulfill its governance responsibilities - **and together, the Board and Superintendent form a "Team of Eight."**

While the Board’s role is governance, the Superintendent is the educational leader and “CEO” of the District. The Superintendent implements the policies and goals adopted by the Board and is responsible for the operations of the District. An effective Board focuses on its governance responsibilities and leaves day-to-day administrative responsibilities to the Superintendent.

Board members who have concerns regarding District operations should communicate with the Superintendent and the Board President and allow the Superintendent to appropriately investigate/address the concern.

Reauthorization of Board Operating Procedures

These operating procedures will be reviewed biannually no later than September by the Board and shall reflect a continuous improvement model.

Review of Vision, Mission and Motto

The Board will annually review and reaffirm or revise the District’s Vision, Mission, and Motto to improve student performance. The Board President may appoint a subcommittee of the Board to conduct an initial review of the Vision, Mission, and Motto and report recommendations to the Board. (Refer to Appendix A current Vision, Mission, and District Motto).

Review of Board Self-Evaluation

At or around the time the Board reviews its Vision, Mission, and Motto, the Board will annually evaluate their performance using the TASB Board Self Evaluation Tool or other mutually agreed to evaluation tool.

Board Protocols

New Board Member Orientation and Training

The Board has developed orientation materials to ensure new Trustees have adequate information as they begin Board service. The Board shall periodically review the new Trustee Orientation materials to ensure they remain current and complete. When a new Trustee is seated, the Board President shall appoint a Trustee mentor to work with the new member to support him/her throughout the first year.

New Board members are encouraged to complete New Board Member training through TASB or a TEA registered provider as soon as possible. New Board members shall utilize the New Board Member Checklist (Appendix D) to support their orientation process. In the first year of service, a Board member shall receive at least ten hours of continuing education in addition to other legally required training. Up to five of the required ten hours may be fulfilled through online instruction, provided the training is designed and offered by a registered provider as defined by TEA, incorporates interactive activities that assess learning and provide feedback to the learner, and offers an opportunity for interaction with the

instructor.

- At least 50 percent of the additional continuing education (based on assessed needs) shall be designed and delivered by persons not employed or affiliated with the school district. No more than one hour of the required continuing education that is delivered by the school district may use self-instructional materials.
- The Board President shall receive continuing education related to leadership duties of the Board President as some portion of the annual requirement.
- When Board members attend training opportunities, it is an expectation that each member ensures they are in attendance for all sessions for which they have been registered. When multiple Board members attend a training, the Board will work to diversify the sessions attended in order to prevent multiple Board members from attending the same session unless the Board determines a training/session should be attended by multiple members.
- Following Board training, the Board President will determine an opportunity to share what was learned in support of the District at the training.

Board Member Training Expenses

For any authorized expense incurred, the Board member shall submit a statement, with receipts to the extent feasible, documenting actual expenses and in accordance with procedures applicable to employee expense reimbursement. The travel expenses of spouses and other persons who have no responsibilities or duties to perform for the Board will not be reimbursed.

Board members who desire to attend a workshop or convention should inform and seek approval from the Board President prior to making plans or financial commitments. A Board member may receive reimbursement for legitimate business expenses incurred in attending approved continuing education programs in accordance with District policies and procedures and applicable to law. In order to be reimbursed, the continuing education should be a registered provider as defined by TEA.

Such reimbursable expenses, not to exceed allowable rates, would include:

- Basic travel in accordance with standard district employee travel, including standard fares on a commercial carrier or mileage based on the current District mileage rates; receipts required.
- Lodging will be paid or reimbursed. Receipts are required. All lodging inside of Dallas County is not reimbursable.
- Meals will be paid or reimbursed, when not included as a part of the conference registration fees. Expenses exceeding the current GSA rates will not be reimbursed.
- Registration and memberships – cost of registration for directly related activities are reimbursable. Cost of membership in organizations directly related to district activities is reimbursable.

Advocacy and Engagement

The Board promotes the vision and engages the community in developing and fulfilling the vision. The Board advocates on behalf of Texas public schoolchildren. The Board:

- Demonstrates its commitment to, and advocates on behalf of, the shared vision and goals by clearly communicating them to the Superintendent, staff, and community.
- Regularly reports District progress to families and the community, which could include an online dashboard for the community.
- Ensures multiple forms of two-way communication will be used to engage, empower, and connect students, families, staff, media, and community with the District.
- Builds collaborative relationships and partnerships with families and community, business, nonprofits, higher-education, education support organizations, and governmental leaders to influence and expand educational opportunities and meet the needs of students.
- Recognizes the respective roles of and provides input and feedback to the legislature, State Board of Education, and the Texas Education Agency to ensure maximum effectiveness and benefit to Texas schoolchildren.
- Promotes school board service by educating the community about the role of a school board and encouraging leadership opportunities within the community.

Providing Endorsements

Individual Board members may participate in the electoral process according to their individual consciences but should refrain from using their influence as a Board member as a forum for endorsing candidates. If an individual Board member chooses to provide an endorsement to a candidate for elected office, no reference to the Trustee's role as a CFBISD Board member will be used.

Board members shall not wear clothing or any item that identifies the individual as a CFBISD Board member at any election or campaign events.

Board members strive to govern the District in a nonpartisan manner and to work with all elected officials in the other governmental entities with which CFBISD interacts. To support that goal, the Board as a corporate body will not endorse any candidate running for public office.

Communications

Board Member Accountability

If a Board member believes that another Board member has violated any of the Board's Operating Procedures or district policies, it is the responsibility of the concerned Board member to discuss the alleged violation with the other Board member in private prior to taking any other action, unless the nature of the allegation requires immediate escalation to the Board President.

If, after the concerned Board member has privately discussed the alleged violation with the other Board member, the concerned Board member remains unsatisfied that the alleged violation has been addressed, the concerned Board member may submit, in writing, the allegation to the Board President. If the Board President is involved in the allegation, the concerned board member may instead submit the allegation, in writing, to the Board Vice President or the next most senior Board member not involved in

the allegation.

The Board President, Vice President, or next most senior Board member will review the allegation and determine timing to bring to entire board for resolution.

Board Member Requests for Information Other than Agenda Items

- When making a request for information in their capacity as a school board member, members should request information not related to a meeting agenda item directly from the Superintendent. Board members should carbon copy (cc) the Board President on communications with the Superintendent.
- Members normally should not seek such information directly from other staff members.
- The Superintendent will determine if the information requested is available from existing sources or records or if it requires that a special, one-time-only report be developed.
- If the requested information can be provided from readily available data with no diversion of staff time, then it normally will be provided within 20 days after the request.
- If the request requires a special report that will divert staff time from established priorities, the Superintendent will notify the requestor and the Board President.
- The requestor will follow procedure for adding items to an agenda to determine following procedure for agenda development, if a majority of the Board agrees the requested information is important for its future decision-making.
- If the Board agrees that the information is important for future decision-making, then the Superintendent will direct that a report be developed and provided as requested by the Board and commit to a time frame for providing the information.
- All Board members will receive a copy of any report generated by a Board member's request in accordance with this procedure.

Board Member Visits to Campuses or District Facilities

In order to show support for school activities, Board members are encouraged to attend as many school events and to accept invitations to school events as their time permits.

- Board members will notify the Superintendent of their intent to visit a campus or facility, excluding public events or activities the Board member is attending as a parent.
- Board members may visit any campus or facility. To avoid disruption of the learning process, Board members are to confer with the campus principal or facility supervisor in advance about the best time to visit. Visits shall not be permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal classroom or business operations environment.
- Board members will give the campus principal or facility supervisor twenty-four (24) hours' notice regarding an intent to visit.
- Board members shall check in with the principal's office or main facility entrance upon arrival and follow all campus guidelines for visitors. Board members shall display their district namebadge

identifying them as a Board member at all times.

- Board members may not give any direction to any staff or students, except when safety or liability is immediately at risk.
- When visiting with teachers or administrators of their own children, Board members will make it clear that they are acting as parents rather than as Board member.
- Board members will not request or accept extraordinary consideration nor “favors” from any District employee.

Board Member Responses to Community or Employee Complaints

From time to time, employees or community members may seek out a Board member to discuss a concern or complaint. While a Board member, understandably, desires to be responsive to a constituent, the member must not lose sight of his or her role and authority when receiving such communications. If employees, parents, students, or other members of the public bring concerns or complaints to an individual Board member, he or she shall refer them to the Superintendent or another appropriate administrator, who shall proceed according to the applicable complaint policy. When the concern or complaint directly pertains to the Board’s own actions or policy, for which there is no administrative remedy, the Board member may request that the issue be placed on the agenda, following Board Operating Procedures.

Board Member Communication with the Media

- The Board President or designee will serve as the Board’s spokesperson to the media on all issues regarding board actions. The Board President should make clear when he or she is speaking in the capacity as the Board President or as an individual trustee.
- The Superintendent or, in his or her absence, a specified designee shall be the official District spokesperson to the media on issues of District operations or activities.
- Any Board member who receives a call from the media requesting information, comments, or an interview will direct the media representative to the Superintendent (or Superintendent’s communications department designee) for District business and to the Board President for Board-specific issues.
- Communications dealing with school district issues submitted for media publication (such as letters to the editor, magazines, blogs, etc.), with the exception of a Board member’s submission of personal campaign materials, should be coordinated with the Board President and then communicated to other Trustees.
- It is inappropriate for a Board member to state an opinion on an upcoming issue that is scheduled for discussion at a board meeting.
- Board members shall be bound by all provisions of the open government laws concerning discussion during any closed session.
- Members should not speak negatively about another member, Superintendent, or staff in the media.
- A Board member who chooses to speak to a media representative should clarify at the

beginning of the interview that he or she is speaking only as an individual and not as an authorized representative of the Board of Trustees. Along with the Board member's personal comments, the Board member will remind media representatives of any official position or action already taken on the issue by the Board of Trustees and refer media to the spokesperson for further information.

Board Member Communication with the Community

Board members are encouraged to participate in community activities as liaisons between the public and the District. When doing so, Board members are expected to:

- Accurately relay information about District vision, mission, and motto.
- Clarify a Trustee's limitations, obligations, and responsibilities as a member of the Board.
- Respect Board decisions.
- Interact in a positive manner.
- Listen politely and respectfully to comments.
- Make no commitment on behalf of the Board or District.
- Avoid criticism of District personnel and fellow Board members.
- Refer questions about specific District activities to the appropriate staff person if he/she does not know the answers.
- Be cognizant that the Board member is seen and perceived as a Board member. Comments or statements are not made "off the record."
- Members should not speak negatively about another member, Superintendent, or staff in the community.
- Direct complaints or concerns regarding District operations to the Superintendent.
- Avoid making statements indicating bias or prejudgment on contested matters pending hearing before the Board.

Communications received by the Board or a Board member may be forwarded to the Superintendent for review.

Policy Ref: BBE (LOCAL), BBF (LEGAL)

Board Member Response to Electronic Communication

- Board members are encouraged to respond to phone calls, and written correspondence, including, but not limited to, e-mail, text messages, or social media from constituents, but should bear in mind that any such responses may be subject to Public Information Act requests and may be applicable to the Texas Open Meetings Act.
- A Board member retains the right to respond to an individual but must understand that such communication may be interpreted as being an official statement of the Board. The member should do the following:
 - Clarify that he/she is responding as an individual and not for the Board.

- Remind the individual of any position/action the Board has officially taken on the subject.
- If all Board members receive the original communication, then the Board President will respond in conformity with the open meetings law.
- When the Board President is not included in the original communication, the member who received the communication will forward to the Board president and not copy other members.
- Board members will not respond to anonymous communications, unless the communication pertains to criminal, health or safety issues. Any such communication, pertaining to criminal, health or safety issues, will be forwarded to the Superintendent for action. Board members will be informed, if appropriate.
- If a Board member receives any communication which he/she perceives to be of a threatening nature, the Board member will immediately call and forward the communication to the Superintendent for action. In compliance with open meetings laws, the Superintendent will apprise all Board members, if deemed necessary.

Board Member Use of Social Media

- Board members should refer to the CFBISD Employee handbook for guidelines and expectations concerning the use of Social Media. The social media protocols are outlined in the [CFBISD Employee Handbook](#).
- Board members who participate in social media platforms with other Board members, should avoid online conversations (e.g., posts) concerning matters related to the District as such communications could constitute “deliberations” for purposes of open meeting laws.
- Board members who participate in social media platforms, should avoid posting communications that could be construed as speaking for the Board as a whole.

Meetings

All Board meetings are held for the purpose of conducting the business of the District in public. While meetings are held in public, they are not public forums for the purpose of engaging in interactions with the public. To allow for meaningful public participation in Board meetings, the Board provides an Audience for Guests section on the agenda for each regular business meeting. The Board intends that all meetings shall be conducted in compliance with the Texas Open Meetings Act and all applicable law.

There are a variety of meetings for Board members. Attendance at some meetings is more critical than others, but all are important to attend. While most meetings occur on a regular basis, dates can change or meetings can be omitted altogether due to other conflicts on the calendar.

- Board Meetings - These open meetings are usually held in accordance with the published calendar, at the CFBISD Administrative Building Board Room on the first Thursday of every month (exceptions do apply). These meetings are preceded by a pre-meeting. The purpose of the pre-

meeting is for the Administration to provide reports to the Board, typically on consent agenda items. All meetings are open to the public and are subject to provisions of Texas law. They are held to conduct the formal business of the District in public. Action may be taken during this meeting. The Board meeting is streamed online and available within seven business days on the CFBISD website.

- Executive/Closed Sessions - These meetings are not open to the public and typically include consultation with legal counsel or special hearings for the Board, as permitted by law. Action by the Board cannot be taken in Executive/Closed session. Any action on items discussed or deliberated in Executive/Closed Session must be taken in open meeting. Executive/Closed sessions can be agenda items within meetings.
- Work Study - These open meetings are held for Board members and staff to engage in intensive discussion on subjects or projects that will most likely come to the Board at a regular Board Meeting. The meeting could be preceded by an Executive/Closed session as permitted by law.
- Community Sessions - On issues of broad community interest, the Board may decide to conduct public input sessions. Examples include tax rate setting, boundary changes, feeder pattern changes, bond packages and similar topics. This meeting may be held at individual schools or at a location other than the Board.
- Special Meetings - A special meeting is a business meeting held on a date/time other than the regularly scheduled meeting. Action may be taken.
- Emergency Meetings - An emergency meeting is a business meeting scheduled with at least a one-hour notice to the public. An emergency meeting is called to deliberate or take action on an emergency or an urgent public necessity.
- Board Subcommittees - The Board President may choose to designate a committee consisting of 2-3 Board members for a specific purpose.

Open and Closed (Executive) Session Format

- The Open Session of every meeting shall begin at the time designated on the agenda.
- The Board may meet in Executive/Closed Session to address agenda items as allowed by the Texas Open Meetings Act. Prior to entering a Executive/Closed Session, the Board President shall announce in Open Session that an Executive/Closed Session will occur and cite the applicable provisions of the Texas Open Meetings Act that authorizes the session.
- No action will be taken in Executive/Closed Session. Any and all action taken by the Board shall be taken, and only will be taken in Open Session.
- The Superintendent shall attend all Executive/Closed Sessions except when the Board is in Executive/Closed Session for the purpose of deliberating the Superintendent's contract or evaluation, for the purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal.
- It is the responsibility of each person who attends an Executive/Closed Session to maintain the information discussed in Executive/Closed Session in strict confidence.

Board Meeting Agenda Development

To ensure that the agenda for each Board meeting includes topics that are necessary for the operations of the District and to assist the Board and Administration in preparing for Board meetings, the Board's Administrative Secretary will maintain an annual Board Agenda Planning Calendar that includes not only recurring matters the Board may consider, but also matters that are anticipated to come before the Board and other topics that the Board has requested. These additional procedures should also be followed:

- The Superintendent (or designee) and Board President will collaborate to develop the meeting agenda, with the Superintendent developing a preliminary agenda and reviewing it with Board President at least one day before the agenda is posted and distributed to the Board and/or staff.
- The preliminary agenda will include those items reflected on the Board Agenda Planning Calendar, any items required by law, routine items and other items necessary for District operations, and any other items requested in accordance with policy and/or operational procedures.
- Board members may request items be added to an agenda by following the expectations outlined in Board policy BE (LOCAL).
- In compliance with the Texas Open Meetings Act, the public notice for meetings will include the list of all consent agenda items; and the Board will be provided ample information about these items in advance.
- Any individual Board member may ask questions or discuss an item on the consent agenda by identifying it and asking for individual consideration before the consent agenda is called for a vote. Following action on the consent agenda, the Board President will allow discussion and possible action on any item(s) that were removed for individual consideration.
- Examples of items routinely included on the consent agenda include the following:
 - Out-of-state field trips, election, and, regular bid and purchase items
 - Minutes of regular and special Board meetings
 - Acceptance of financial reports

Board Meeting Preparation

- The Superintendent will supply each Board member with supporting information required for informed decision-making via the Board Meeting Agenda Packet or as a carry-in item with the approval of the Board President.
- The Superintendent will post (unless special or unique circumstances occur) the board meeting

agenda packet by the Friday before the Board meeting in order for Board members to have adequate time to prepare for the meeting.

- Members are encouraged to seek such information as they reasonably require to participate in meaningful deliberation about an agenda item.
- Board members shall direct all questions through a shared document about agenda items or requests for additional information about them to the Superintendent or his/her designee no later than the end of the day the Monday prior to the board meeting to allow for sufficient time for a response.
- Board members should carbon copy (cc) the Board President on communications with the Superintendent about board meeting agenda items.
- Responses to agenda questions will be provided by the Superintendent to all Board members. Provided the matter is on the agenda, Board members may discuss the provided information in the meeting, if necessary.
- At the meeting, all participants will be prepared to address items on the agenda. Board members will read the agenda packet materials before each board meeting and be prepared to ask agenda-related questions and to deliberate the items as needed.
- The ability to ask agenda-related questions during a meeting should not and does not serve as an excuse for lack of preparation by any board member.

Policy Ref: BE (LOCAL)

Board Participation in Discussion, Debate, and Voting During Board Meetings

These additional procedures should also be followed:

- Board members shall not comment on or disclose personally identifiable information about any student in public session except when announcing student awards or recognition unless the parent has requested that the discussion be held in public pursuant to the Texas Open Meetings Act.
- Generally, Board members should not comment on personnel matters related to a specific employee in public session unless the employee has requested, pursuant to the Texas Open Meetings Act, discussion of the information in public.

- All Board members are expected to conduct themselves with professionalism, respect, and integrity.
- The Board President, or chair, of a meeting will recognize any member who wishes to speak on a subject. Members will not be allowed to speak a second time until every member who wishes to participate has spoken once.
- Debate and discussion must continue until such time as each Board member feels that he/she has had adequate time to ask clarifying questions or make other comments unless the previous question has been moved and adopted.
- When recognized by the presiding officer, Board members may ask questions of presenters, including staff. All other questions should be directed to the Superintendent.
- Once a decision has been made and action taken by the majority of the Board, all Board members should respect the majority vote, recognizing that it carries the full authority of the

Board, and respect that decision.

Any person who fails to stop speaking and yield the podium at the end of his or her allotted time may be escorted from the podium. If there are 10 or more speakers or if the Audience for Guests period exceeds thirty (30) minutes, the time limit may be reduced. The Board has developed a process for officer elections. The Board shall review the process each year before the annual Trustee election and make changes to the process as desired.

- The Board elects officers to facilitate effective operations and governance. Officer designations are not intended to single out members for special recognition except as necessary for operational purposes.
- Election of officers will be held at the first board meeting following elections or at any other time the board determines it needs to reorganize. The Board will elect a President and Secretary in accordance with policy BDAA (LEGAL) and a Vice President as specified in BDAA (LOCAL).
- The Board may reorganize and elect officers at other times of the year by placing "reorganization of the Board" or "election of (position)" on an agenda.
- No member may hold a board office until he or she has at least one year of experience on the Board.
- No Board member shall maintain the same board office position for more than three consecutive years. There is no automatic progression of board positions. This does not preclude that same Board member from occupying that same office at a later time.

- Elections will be conducted in accordance with *Robert's Rules of Order*.
- Any Board member may make nominations.
- Nominations will not be closed until all who wish to make a nomination have done so.
- More than one person may be nominated for a given office.
- No vote will be taken by secret ballot per policy BE (LEGAL) and the vote for officers must occur in open meeting.
- Board members should exercise care and avoid violating the Texas Open Meetings Act by informally gathering a quorum of members to discuss member qualifications in preparation for reorganization and election of officers.

The call of the meeting will include a provision for an Executive/Closed session for the purpose of reconstituting the officers of the Board.

- a. During the Executive/Closed session, the Board will discuss the duties and qualifications of a public officer.
- b. When reconvened in open session the presiding officer will preside over the election. The current presiding officer will entertain nominations. If additional nominations are made, then each office will be voted on separately by the Board according to Robert's Rules of Order. The Board will vote for each office in turn, beginning with the Board President. If there is more than one nominee for a position, the candidate will be voted on in the order of their nomination.
- c. Newly elected officers will assume responsibility for their office immediately upon election to the Board Office

The immediate past president and the newly elected president shall meet with the Superintendent within one week of the election of officers to review matters pending, to ensure the newly elected president has all the information required of the office, and to be sure all operating procedures are completed in a timely manner.

The Board also elects members to fill the following responsibilities each year:

- TASB Delegate
- TASB Delegate Alternate
