

GIVE YOUR TEACHER A TRIBUTE CARD

Scratching your head over that perfect holiday gift for your child's teacher? Does he really need another mug or scented candle?

Here's another option: Give your teacher a tribute card instead, through a donation to the Glendale-River Hills School District Foundation.

When you donate to the tribute card program, 100% of your gift is available to support your teacher -- along with tribute gifts from other families -- and she can spend it on books, art supplies, globes, maps, music instruments, or anything else she decides her classroom needs.

No donation is too small to matter! And since your donation is being made to a non-profit organization, you might also be able to multiply your gift -- ask your employer if it has a matching gift program.

To give a tribute card to a teacher, staff member, or school program, just fill out the attached form and return it with your donation. We'll make sure that each teacher you designate receives a special card announcing your gift and providing instructions on how to use it.
