CODE WIZ CLASSES

MINECRAFT WORLD BUILDER

The Minecraft economy has never been as exciting as Minecraft World Builder, in this class you will learn how to run a city, manage money, protect the environment, all within the 3D world of Minecraft! This camp is not coding-based but more real-world economics, city planning, and life management! In Minecraft World Builder, you will be a part of a committee and learn to manage money by building onto your ever-growing city with your peers. All by using the Minecraft World Builder mods!

Your child will learn real-life money management, town designing, environment protection, public speaking, presentation skills, and economics all within the very popular 3D video game Minecraft.

A PC or a Mac is required, Chromebook will not work for this class.

(instructor will email meeting log-in info prior to the start of the program)				
Age:	6 - 12 years old			
Fee:	$175.00R/$195.00NR			
Min/Max:	1/8			
Instructor:	Code Wiz Staff			

MAKE YOUR OWN ROBLOX GAMES

Become a Roblox game wiz using Lua! Create versions of your fairytale universe with Roblox. Roblox studio has all the tools to make your wildest gaming imaginations a reality. In this camp, you and other passionate kids will learn how to make use of the many tools on Roblox to code terrific games, relaying your imaginative capabilities to the world. Through drag and drop techniques, you'll be creating extensions to the Roblox game while fostering your creativity and learning real-world computer coding.

Your child will learn how to program within Roblox Studio using the LUA programming language. They will learn how to use the Roblox Studio 3D game engine by designing a 3D world, scripting different objects, Debugging code, and by learning the life cycle of game development.

A PC or a Mac is required, Chromebook will not work for this class.
