England's first secure school

Education

Our 52 Oasis Academies exist to provide exceptional education at the heart of our communities, serving 30,000 young people and their families. Find out more on the Oasis Community Learning website.

Community

We have 18 local charities - Oasis Hubs - that provide youth and family work, advice, crisis support, and spiritual care. Our Hub Councils bring together volunteers and community leaders to create change.

Housing

Every year we work with 2,000 individuals on their journey out of homelessness in 17 projects across the country, including Gateshead and London. Find out more on the Oasis Community Housing website.

Global

Oasis' work continues outside the UK. There are Oasis organisations in Uganda, South Africa, Zimbabwe, Mozambique, Belgium, India, and Kyrgyzstan.

Oasis Football For Life

Oasis Football For Life works with vulnerable children and young people, using football as the medium for building confidence and self-esteem, and teaching valuable life skills.

Since 2006, Oasis has been working to bring an end to human trafficking. Stop The Traffik was formed in 2008 as part of the Oasis family. Find out more at the Stop the Traffik website.

Oasis Community Health and Justice

We are excited about developing a therapeutic model of care and education with a strong focus on restoration.

Oasis Restore Restore Network

Oasis Charitable Trust is working with the Ministry of Justice to create **England's first secure school** - an alternative to youth custody.

Vision and Mission

Vision

‘Transforming children’s lives through relationships, discovery and community’.

Mission

‘We transform the life chances of children in the criminal justice system, through nurturing a therapeutic and educational community that embeds hope, stability and opportunity beyond Oasis Restore. Oasis Restore creates an environment that gives the children, and the organisation, every opportunity to reach their full potential and be the best they can be’.
