WELCOME TO MORTON MIDDLE SCHOOL.

WE ARE PLEASED TO HAVE YOU AS A STUDENT  
AND WILL DO OUR BEST TO HELP MAKE YOUR EXPERIENCE HERE  
AS PRODUCTIVE AND SUCCESSFUL AS YOU WISH TO MAKE IT.

Morton Middle School strives for a positive learning environment where all students can experience academic, behavioral, and social growth. The structure used to create this environment is based upon Positive Behavioral Intervention and Supports (PBIS). This language comes directly from the 1997 reauthorization of the Individuals with Disabilities Education Act (IDEA). PBIS is based on principles of behavior analysis and a proactive approach that values positive behavior support. PBIS is a framework for assisting school personnel in adopting and organizing evidence-based behavioral interventions into an integrated continuum that enhances academic and social behavior outcomes for all students. PBIS is a staff-driven, proactive approach to school discipline based on research-based practices and data analysis of school-wide behavior. The goal is to maximize academic and social behavior outcomes for students.

PBIS supports the success of ALL students.

### EQUAL EDUCATION OPPORTUNITY

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment on the basis of "Protected Classes" that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of unlawful harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means students, administrators, and professional and classified staff, as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

The Board designates the following individuals to serve as "Anti-Harassment Compliance Officers" for the District. They are hereinafter referred to as the "Compliance Officers".

### STUDENT RESPONSIBILITIES

The School's rules and procedures are designed to allow students to be educated in a safe and orderly environment. All students are expected to follow staff members' directions and to obey all school rules.

Students must arrive at school on time, prepared to learn and participate. If, for some reason, this is not possible, the student should seek help from the guidance counselor or administration.

In order to keep parents informed of their child's progress in school, parents will be provided information on a regular basis and whenever concerns arise. Many times it will be the responsibility of the student to deliver the information. The School, however, may use the mail, e-mail, or hand delivery to ensure contact. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

*The Morton staff believes strongly in a "self-discipline" concept. We believe that students understand the behavior necessary for the school work place and expect them to conduct themselves accordingly while attending Morton Middle School or any associated school activity.*

Teachers will instruct students regarding the general rules of Morton Middle School. Students are expected to adhere to the general rules. When a general rule is violated, students will be assigned demerits. Blatant disregard for rules and serious offenses will not be handled with demerits, but instead with office referrals.

Demerits can be earned by students in the following categories:

- Tardy to class-1 demerit
- Excessive talking or disrupting class-1 demerit
- Repeatedly coming to class unprepared-1 demerit
- Repeatedly off-task in class-1 demerit
- Failure to follow directions-1 demerit

## DESIGNATION OF DIRECTORY INFORMATION

The Vandalia-Butler Board of Education has designated certain education records as “directory information,” which can be disclosed without the prior written consent of the parent or eligible student, except that directory information is not released for a profit-making plan or activity. Directory information includes the following:

1. The student's name
2. The student's address
3. The student's date of birth

4. The student's participation in extracurricular activities
5. The student's achievement awards or honors
6. The student's weight and height, if a member of an athletic team

If a student's parent(s) or eligible student does not want directory information to be released without prior written consent, you must notify the School District in writing within two weeks of your receipt of this notice. Send such notification to the Superintendent, at the address below, stating any or all of the items which the student's parent(s) or eligible student refuses to permit the District to designate as directory information about that student. If no written notification is received, the District will designate the above information as directory information about the student. The designation will remain in effect until modified by the written direction of the student's parent(s) or the eligible student.

### **EMERGENCY CLOSING AND DELAYS**

If the School must be closed or the opening delayed because of inclement weather or other conditions, the School will notify local radio and television stations. Information concerning school closings or delays can also be found on the School's web page at [vbcsd.com](http://vbcsd.com). Parents and students are responsible for knowing about emergency closings and delays.

### **EMERGENCY DRILLS**

The School complies with all fire, tornado, and safety laws and will conduct these drills in accordance with State law. Teachers will provide specific instructions on how to proceed in the case of fire, tornado, or safety drills and will oversee the safe, prompt, and orderly evacuation of the building in such cases. A fire and tornado evacuation plan is posted in each room. During fire, tornado, and safety drills, students are to walk to designated locations without talking.

### **EMERGENCY MEDICAL AUTHORIZATION**

A complete Emergency Medical Authorization Form must be on file with the school at the time of enrollment or before each school year begins, as well as in order for a student to participate in any activity off school grounds, including field trips, spectator trips, athletic and other extracurricular activities, and co-curricular activities.

### **EMERGENCY NOTIFICATION**

In the event of a school emergency or serious threat to student safety, parents will be notified via our One Call Now calling system. The phone number to which the call will be made is the primary number provided/verified by parents during the annual information verification. Notification of any changes to the primary number is the responsibility of the parent. This information will also be posted on the district website.

### **ENROLLING IN THE SCHOOL**

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides

- unless enrolling under the District's open enrollment policy.
- unless enrolling and paying tuition.

New students under the age of eighteen (18) must be enrolled by their parent or legal guardian. When enrolling, parents must provide copies of the following:

- A. a birth certificate
- B. court papers allocating parental rights and responsibilities, or custody (if appropriate),
- C. proof of residency,
- D. proof of immunizations.

The District Attendance Administrator will verify residency.

Students enrolling from another school must have an official transcript from their previous school in order to have credits

transferred. The office staff will assist in obtaining the transcript, if not presented at the time of enrollment.

A student who has been suspended or expelled by another public school in Ohio may be temporarily denied admission to the District's schools during the period of suspension or expulsion even if that student would otherwise be entitled to attend school in the District. Likewise, a student who has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired, may be temporarily denied admission to the District's schools during the period of expulsion or removal or until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District. Prior to denying admission, however, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other factors the Superintendent determines to be relevant.

### **FACILITIES AND EQUIPMENT USAGE**

Students must receive teacher permission before using any equipment or materials in the classroom. Students must seek permission from the Principal prior to use of any other school equipment or facility. Students are responsible for the proper use and protection of any equipment or facility they are permitted to use.

### **FEES AND FINES**

Students will be provided necessary textbooks for courses of instruction without cost. In accordance with State law, Morton Middle School charges specific fees for the following activities and materials used in the course of instruction. The cost of fees for each student is \$50 for a variety of materials, which students consume at school. This cost covers such items as agenda books, science consumables, exploratory fees, and general supplies. School fees should be paid online using the EZPay system.

Charges may also be imposed for loss, damage or destruction of school apparatus, equipment, musical instruments, library materials, textbooks and for damage to school buildings or property. Students, using school property and equipment can be fined for excessive wear and abuse of the property and equipment.

Fees may be waived in situations where there is financial hardship. Students can avoid late fines by promptly returning borrowed materials. Failure to pay fines, fees, or charges may result in failure to attend field trips or take part in incentives.

## **Health Related Information**

### **IMMUNIZATIONS**

Students must be current with all immunizations required by law or have an authorized waiver from State immunization requirements. For the safety of all students, the school principal may remove a student from school or establish a deadline for meeting State requirements if a student does not have the necessary immunizations or authorized waiver. Any questions about immunizations or waivers should be directed to The Director of Pupil Services.

All pupils entering 7<sup>th</sup> are required to be vaccinated against meningococcal (Meningitis) disease and Tdap (Diphtheria, Tetanus and Pertussis). One dose of meningococcal and Tdap vaccine is required prior to entry into 7<sup>th</sup> grade. All pupils entering 12<sup>th</sup> are required to be vaccinated against meningococcal (Meningitis) disease. A second dose of meningococcal vaccine is required prior to entry into 12<sup>th</sup> grade.

### **CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES**

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff may remove or isolate a student who has been ill or has been exposed to a communicable disease or highly-transient pest, such as lice.

Specific communicable diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments.

Any removal will be only for the contagious period as specified in the school's administrative guidelines.

### **INJURY AND ILLNESS**

All injuries must be reported to a teacher or the office. If the injuries are minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures.

A student who becomes ill during the school day should request permission from the teacher to go to the clinic which is located in the front hallway. If the nurse is not available, the student should report to the office. An appropriate adult in the office will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental permission. NO STUDENT IS TO GO HOME WITHOUT FIRST CHECKING WITH THE OFFICE.

Please do not send a child to school if he/she shows symptoms of illness. School staff may administer minor first aid. Parents will be notified in case of serious injury or illness.

## **MEDICATION USAGE**

### **Prescribed Medications**

Students who must take prescribed medication during the school day, must comply with the following guidelines:

- A. Parents/Guardians should, with their physician's counsel, determine whether the medication schedule can be adjusted to avoid administering medication during school hours.
- B. The appropriate form must be filed with the respective building principal before the student will be allowed to begin taking any medication during school hours or to use an inhaler to self-administer asthma medication. Such forms must be filed annually and as necessary for any change in the medication.
- C. The container must be original and labeled with the student's name, physician's name, dosage, name of medication and time to be taken.
- D. All medications must be registered with the Principal's Office and must be delivered to school in the containers in which they were dispensed by the prescribing physician or licensed pharmacist.
- E. Medication that is brought to the office will be properly secured. Except as noted below, medication must be delivered to the Principal's Office by the student's parent/guardian or by another responsible adult at the parent or guardian's request. Except as noted below, students may not bring medication to school. Students may carry emergency medications, for allergies and/or reactions, or asthma inhalers during school hours. Students are strictly prohibited from transferring emergency medication or inhalers to any other student for their use or possession.
- F. Any unused medication unclaimed by the parent/guardian will be destroyed by school personnel when a prescription is no longer to be administered or at the end of a school year.
- G. The building principal will maintain a log noting the personnel designated to administer medication, as well as the date, and the time of day that administration is required. This log will be maintained along with the physician's written request and the parent's written release.

### **Non-prescribed (Over-the-Counter) Medications**

No staff member will dispense non-prescribed, over-the-counter (OTC) medication to any student without prior parent/guardian and physician authorization. Parents/Guardians may authorize administration of a non-prescribed medication for up to two consecutive days on forms that are available from the Principal's Office or online. However, usage of over the counter medication beyond two consecutive days will additionally require physician authorization.

If a student is found using or possessing a non-prescribed medication without parent/guardian, physician when required, and principal authorization, the student will be brought to the school office while the student's parents/guardians are contacted. The medication will be confiscated.

Any student who distributes medication of any kind or who is found in possession of a non-authorized medication is in violation of the School's Code of Conduct and will be disciplined in accordance with the drug-use provision of the Code.

A student may possess and use a metered dose inhaler or a dry powder inhaler to alleviate asthmatic symptoms or before exercise to prevent the onset of asthmatic symptoms, at school or at any activity, event, or program sponsored by or in which the student's school is a participant if the appropriate form is complete and on file in the Principal's Office.

A student who is authorized to possess and use a metered dose or dry powder inhaler may not transfer possession of any inhaler or other medication to any other student.

## **INDIVIDUALS WITH DISABILITIES**

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the District's programs and facilities.

A student can access special education services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEA) and State law. Contact the Director of Pupil Services at 415-6400 to inquire about evaluation procedures and programs.

## **LOCKERS**

1. Students are permitted to go to lockers after 7:20 a.m., at designated times and after school.
2. DO NOT LEAVE VALUABLES IN LOCKERS.
3. Each student is responsible to keep an orderly locker.
4. The school provides combination locks. Students are urged to keep their combination confidential and the locker locked at all times. The school assumes no responsibility for articles or books kept in lockers.
5. The lockers are the property of Morton Middle School and are subject to inspection by authorized school personnel.

## **LOST AND FOUND**

The lost and found area is located in the cafeteria. Students who have lost items should check there and may retrieve their items if they give a proper description. Unclaimed items will be given to charity at the end of each grading period. Students are responsible for their own property. Personal property and textbooks should be marked with the owner's name so items can be returned. Unclaimed items will be donated to charity at the end of each nine weeks.

Students may also bring their own lunch to school to be eaten in the School's cafeteria. Clean up after yourself. All food is to be eaten in the Cafeteria. After eating, report to recess area. No student may leave school premises during the lunch period without specific written permission from the Principal.

Applications for the School's Free and Reduced Meal program are distributed to all students. If a student does not receive an application and believes s/he is eligible, contact the office.

## **MEDIA CENTER**

The purpose of the Media Center is to see that all types of educational materials are readily available to all students. Orderly, quiet, courteous conduct is expected at all times. Students will be permitted to check out two books at a time for

a period of two weeks. Failure to do this will result in the student losing his/her library privilege until the matter is resolved. Students with overdue books will have media center privileges denied. A student must pay promptly if the book is lost, damaged, or stolen. After one month overdue, a book will be assumed lost, and the student will be charged the cost of the replacement. Any violation of the rules of the media center may result in the loss of media center privileges.

### **MISSING CHILD**

A pupil, at the time of his/her initial admission to the Vandalia-Butler City Schools, shall present to the person in charge of admission a copy of his/her birth certificate or comparable certificate/certification issued from another state, territory possession, or nation, and copies of any record given him/her by the elementary or secondary school most recently attended. Within twenty-four hours of the pupil's entry into the school, a school official shall request the pupil's official records from the elementary or secondary school he/she most recently attended.

If the school the pupil claims to have most recently attended indicated that it has no record of the pupil's attendance or the records are not received within fourteen days of the date of request or if the pupil does not present a certification of birth or comparable certificate, the admission officer or principal shall then notify the police department having jurisdiction in the area where the student resides of this fact and the possibility that the student may be a missing child.

The primary responsibility for supervision of a student rests with his/her parent(s) or guardian(s). The school district staff will provide the assistance it can to parents and guardians with this responsibility.

### **POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS (PBIS)**

Morton Middle School strives for a positive learning environment where all students can experience academic, behavioral, and social growth. There are five critical elements that contribute to making our school a positive environment for students:

- Behavior Expectations
  - These 3 key expectations are commonly referred to as the "Aviator Expectations":
    - Be Respectful, Be Responsible, and Be Resourceful.
- Teaching Behavior
  - From day one, the Morton Middle School staff will teach and model desired behaviors throughout the school day that are based upon the Aviator Expectations. Our school-wide Advisory program provides students with character education and promotes the Aviator Expectations in all parts of students' lives.
- Celebrating Positive Behavior
  - Acknowledgement of desired student behavior is an important step in the development of behavioral growth. When students meet expectations, staff will acknowledge those efforts through various recognition programs such as the Aviator Flight Pass, AAA (Academics, Attitude, Attendance) Incentive, Aviator Aces, Sub from the Sub, and other possible classroom and grade level incentives.
- Responding to Behavior
  - When students do not meet expectations, staff will respond in the moment to stop the undesired behavior and will follow-up when appropriate with strategies that reinforce desired behaviors. Behaviors that inhibit a safe environment that is conducive to learning will not be tolerated and will result in disciplinary action in order to maintain a positive learning environment and safety of all students and staff.
- Use of Data
  - Morton Middle School systematically collects data about student behavior in order to teach and support desired behaviors at the individual student level, classroom level, and building level. The PBIS Team regularly reviews student data at its monthly meetings and responds with interventions and supports that lead to a positive learning environment for all students.

## **SCHOOL DAY**

Classes begin at 7:30 a.m. and end at 2:30 p.m., with *the exceptions of Mondays when school will be dismissed at 1:30*. Breakfast will be available one-half hour before school starts.

## **STUDENT RECORDS AND ANNUAL FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT NOTIFICATION (FERPA)**

The School District maintains many student records including both directory information and confidential information. State and Federal law requires that student education records be maintained as confidential. State law further exempts certain information and records from public disclosure. As such, the Board of Education is obligated to take appropriate steps to maintain certain information and records as confidential.

Directory information includes: (District Policy 8330)

A student's name; address; telephone number; date of birth; major field of study; participation in officially-recognized activities and sports; height and weight, if a member of an athletic team; dates of attendance; date of graduation; awards received; honor rolls; or scholarships.

Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all of such "directory information" upon written notification to the Board.

Other than directory information, access to all other student records is protected by (FERPA) and Ohio law. Except in limited circumstances as specifically defined in State and Federal law, the School District is prohibited from releasing confidential education records to any outside individual or organization without the prior written consent of the parents, or the adult student, as well as those individuals who have matriculated and entered a postsecondary educational institution at any age. The Board will provide access or release directory information to armed forces recruiters unless the parent or student request that prior written consent be obtained.

Confidential records include test scores, psychological reports, behavioral data, disciplinary records, and communications with family and outside service providers.

Students and parents have the right to review and receive copies of all educational records. Costs for copies of records may be charged to the parent. To review student records please provide a written notice identifying requested student records to Building Principal. You will be given an appointment with the appropriate person to answer any questions and to review the requested student records.

Parents and adult students have the right to amend a student record when they believe that any of the information contained in the record is inaccurate, misleading or violates the student's privacy. A parent or adult student must request the amendment of a student record in writing and if the request is denied, the parent or adult student will be informed of their right to a hearing on the matter.

Consistent with the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- A. political affiliations or beliefs of the student or his/her parents;
- B. mental or psychological problems of the student or his/her family;
- C. sex behavior or attitudes;
- D. illegal, anti-social, self-incriminating or demeaning behavior;
- E. critical appraisals of other individuals with whom respondents have close family relationships;
- F. legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- G. religious practices, affiliations, or beliefs of the student or his/her parents; or
- H. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

Consistent with the PPRA and Board policy, parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the building principal.

The Superintendent will provide notice directly to parents of students enrolled in the District of the substantive content of this policy at least annually at the beginning of the school year, and within a reasonable period of time after any substantive change in this policy. In addition, the Superintendent will notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- A. activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information for otherwise providing that information to others for that purpose); and
- B. the administration of any survey by a third party that contains one or more of the items described in A through H above.

The Family Policy Compliance Office in the U.S. Department of Education administers both FERPA and PPR. Parents and/or eligible students who believe their rights have been violated may file a complaint with:

#### **STUDENT WELL-BEING**

Student safety is the responsibility of both students and staff. All staff members are familiar with emergency procedures such as fire and tornado drills and accident reporting procedures. If a student is aware of any dangerous situation or accident, s/he must notify a staff person immediately. State law requires that all students have an emergency medical authorization completed signed by a parent or guardian on file in the school office. Students with specific health care needs should deliver written notice about such needs along with physician documentation to the school office.

#### **TELEPHONE USAGE**

Office telephones are not to be used for personal calls. Except in an emergency, students will not be called to the office to receive a telephone call. Telephones are available in the school for students to use when they are not in class. *Students are not to use telephones or personal cell phones to call parents to receive permission to leave school.* Office personnel will initiate all calls on behalf of a student seeking permission to leave school. Messages from parents or other relatives can be relayed to the student, so long as the request is reasonable. Such messages can be given to the school secretary and will be delivered to the student at an opportune time.

#### **VALUABLES**

Students are encouraged not to bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. The School will not be liable for any loss or damage to personal valuables.

#### **VISITORS**

Visitors, particularly parents, are welcome at the school. Visitors must report to the office upon entering the School to sign in, obtain a pass, and state their business. A visitors badge must be obtained from the office and worn throughout the visit. Any visitor found in the building without signing in or obtaining a pass shall be reported to the Principal. Students may not bring visitors to school without prior written permission from the Principal.

Parents wishing to visit their child's classroom should contact the building principal in advance of the visit, and make arrangements for the visitation. The principal will schedule a classroom visitation as soon as practical following the request, taking into consideration the parent's desires and the education program. A 24-hour notice by the parent should

be considered reasonable, unless there is testing or other activity scheduled for the class, which might not serve the parent's purpose for the visit.

## **VOLUNTEERS**

All volunteers must complete a background check through the Bureau of Criminal Investigation (BCI) which includes fingerprinting. If you are interested in volunteering, please contact the Vandalia-Butler HR Department at (937) 415-6404.

*"No act of kindness, no matter how small, is ever wasted."*

## **SECTION II: ATTENDANCE POLICY**

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. Many important lessons are learned through active participation in classroom and other school activities which cannot be replaced by individual study.

In Ohio, children are required to attend school from age six to eighteen unless the pupil has graduated from high school, is employed on an age and school certificate, or has been determined to be incapable of profiting substantially from further instruction. While it is the school's duty to enforce the compulsory attendance law, responsibility for compliance with the law rests upon the parents, guardians, or other persons having control of the child. (Sec 3321.01 Ohio Revised Code).

### **NOTIFICATION OF ABSENCE**

When a student is absent, parents are required to notify the school by calling 415-6689 or by sending an e-mail to: [attendance@vbcisd.com](mailto:attendance@vbcisd.com). If a student should know in advance that he/she will be absent, the office needs to be informed by a parental note.

### **STUDENT ABSENCES AND EXCUSES**

Regular attendance by all students is very important. In many cases, irregular attendance is the major reason for poor school work; therefore, all students are urged to make appointments do personal errands, etc., outside school hours.

Students are entitled to 10 days of excused absence each year without medical documentation. Beginning on the 11th day a physician's note is required or the absence will be unexcused. Physician's notes documenting school absences must specify the date of the appointment with the physician and the date(s) of the excused absence.

Reasons for which students may be excused include, but are not limited to: personal illness of the student; illness in the student's family; death in the family; quarantine of contagious disease; religious reasons; and pre-approved college visits.

Each student who is absent must immediately, upon return to school, make arrangements with individual teachers to make up work missed. Students who are absent from school for reasons not permitted by Ohio law may, or may not be permitted to make up work. Each case is considered on its merits by the principals and the respective teacher(s). Students should supply a note to the school after each absence explaining the reason for the absence or tardiness.

If a student does not attend school on a school day due to illness, fever or communicable disease, he/she is not permitted to attend school/co-curricular activities on that day.

The Board does not believe that students should be excused from school for non-emergency trips out of the District; however guidelines have been developed for family vacations and are outlined in the Student Code of Conduct. The responsibility for such absence resides with the parent(s), and they must not expect any work missed by their child to be re-taught by the teacher.

## **TRUANCY**

TRUANCY-Ohio HB 410– County of Montgomery) One school day at Morton Middle School equals 7 hours.

### A. Habitual Truant:

Unexcused absence from school (truancy) is not acceptable. Students who are truant will receive no credit for school work that is missed. To remain compliant with HB410 a student will be considered habitually truant if the student is absent without a legitimate excuse for:

- 30 consecutive unexcused hours
- 42 unexcused hours in a month
- 72 unexcused hours in a year

### Intervention

If a student is habitually truant during a school year the parent/guardian and student will be notified.

HB 410 requires the parent/guardian and student to participate in a mandatory 60 day building intervention plan. If a student is placed on an absence intervention plan, the student must successfully complete the plan within the allotted time frame.

If the student fails to successfully complete the intervention program, the district attendance officer will:

- File a complaint with Montgomery County Juvenile Court
- Make a referral to Montgomery County Children Services (if applicable)

The district reserves the right to:

- Suspend the student ability to participate in or attend any school related extracurricular activities to include but not limited to: Sports, dances, clubs etc.
- Assign additional sanctions as needed until the attendance issue is resolved.

### B. Enforcement of School Attendance Law:

Juvenile Court has jurisdiction over children alleged to be unruly and truant and can order said child to:

- Require the child to attend an alternative school if one has been established by the district.
- Require the child to participate in any academic program or community service program
- Require the child to participate in drug/alcohol abuse program
- Require the child to receive medical/psychological treatment
- Juvenile Court can make any further orders that the court finds proper to address the child's continued truancy.

### Notice of excessive absences:

To stay in compliance with HB 410 any absence with or without legitimate excuse for 38 hours in a school month or 65 or more hours in a school year.

No student is to leave the school grounds during school hours without the permission of an administrator or teacher.

## **MAKE-UP OF TESTS AND OTHER SCHOOL WORK**

Homework missed for an excused absence shall be made-up. One day for every day absent (maximum 1 week) is given for make-up work. Students are responsible for work/tests that are given on the day of return, if the assignment was made prior to the absence. It is the student's responsibility to take the initiative in making up this work.

## **EARLY DISMISSALS**

All appointments should be made outside school time if possible. In the event that it becomes necessary for a student to be dismissed before the regular time, such dismissals may be arranged upon a written request from a parent, stating the reason and time for dismissal. This request should be filed in the office before school starts in the morning. Notification to the teachers of such request will be posted on the morning absence list. The student must check with the teacher at dismissal time and a parent must sign the student out in the office before the student may leave. Dismissal

after 11:00 am but before 1:30 pm is recorded as a half-day absence. Dismissal from school before 11:00 am is counted as a whole-day absence.

No student may leave school prior to dismissal time without a parent either submitting a signed written request or coming to the school office to request the release. No student will be released to a person other than a custodial parent(s) or guardian without a permission note signed by the custodial parent(s) or guardian.

#### **WITHDRAWAL/TRANSFER FROM SCHOOL**

Parents must notify the Principal about plans to transfer their child to another school. School records, including disciplinary (suspension or expulsion) will be transferred to the new school.

The student is to get a checkout/withdraw sheet from the main office and have teachers complete it. A parent or guardian must come in the office to sign a release of records to go to another school. All outstanding fees must be paid at this time.

#### **TARDINESS**

Parents are requested to call the school (415-6689) before 9:00 a.m. if their child will be tardy to school that day. There is a recording available 24 hours a day for your convenience. Students who are late to school, except for a late bus, must sign in the office before going to their lockers or to class. Unexcused reasons for tardiness may include but are not limited to: oversleeping, missing the bus, not leaving early enough, etc. A student is considered tardy for the day if arrival is after 7:30 but before 11:00. A half-day absence is recorded if a student arrives after 11:00 but before 12:00. A student arriving after 12:00 would be considered a whole day absence. Parents must either call in the student as tardy, send in a note with the student, or personally sign in the student as tardy. Each semester, a detention will be assigned for the 4th and 6th tardies, and a Friday session will be assigned for the 8th and 10th tardies. Any student with 11 or more tardies in a semester will result in additional consequences. ALL STUDENTS MUST REPORT TO THE MAIN OFFICE TO ESTABLISH ATTENDANCE AND GET A PERMIT TO ENTER CLASS.

#### **VACATIONS DURING THE SCHOOL YEAR**

Parents are encouraged not to take their child out of school for vacations. However, five days are allowed within the ten-day policy. When a family vacation must be scheduled during the school year, it must be pre-approved by the Principal five days in advance in order for it to be excused. Vacation request forms are available in the office. If a student has already had 10 absences, the vacation will be denied and all days thereafter will be unexcused. Vacations will not be approved during state-wide testing.

~ JIM ELLIOT

## **SECTION III: ACADEMICS**

#### **SCHEDULING AND ASSIGNMENT**

Schedules are provided to each student at the beginning of the school year or upon enrollment. Schedules are based on the student's needs and available class space. Any changes in a student's schedule should be handled through the guidance counselor. Students may be denied course enrollment due to lack of available space or the need for the student to pass prerequisite courses. Students are expected to follow their schedules. Any variation must be approved by a school counselor or administrator.

#### **GRADES**

Morton Middle School has a standard grading procedure, as well as additional notations that may indicate work in progress or incomplete work. Grades indicate the extent to which the student has acquired the necessary learning. In general, students are assigned grades based upon test results, homework, projects, and classroom participation. Each teacher may place a different emphasis on these areas when determining a grade and will so inform the students at the beginning of the course. If a student is not sure how his/her grade will be determined, s/he should ask the teacher. All students will receive electronic mid-term updates once throughout each nine-week grading period in the five basic skills classes.

The grading system for grades 6-8 is: A = 90-100; B = 80-89; C = 70-79; D = 60-69; F = 59 & below

## **GRADING PERIODS**

Students will receive an electronic report card (on PowerSchool) at the end of each nine week period indicating their grades for each course of study for that portion of the academic term. When a student appears to be at risk of failure, reasonable efforts will be made to notify the parents so they can talk with the teacher about what actions can be taken to improve poor grades.

## **CONFERENCING AND PARENT INVOLVEMENT**

Parents are formally involved with Morton Middle School and its staff during the four conference dates designated during the year. We feel it is important for parents or guardians to meet with staff so both can learn more about the student. As parents, you will be receiving feedback of your son/daughter's performance through the electronic gradebook (PowerSchool). If a parent requests paper copies, progress reports and grade cards can be sent home. It is our expectation that you closely monitor this information and communicate any concerns you may have to your child's teacher. Meetings may be arranged, at your request, for more formal exchanges of information. Additionally, you may be called upon from time to time to support our staff in some form of academic intervention/remediation or disciplinary action. In order for these interventions to be effective, we need a consistent approach, both at school and at home.

## **PROMOTION, ACCELERATION, AND RETENTION**

Promotion to the next grade (or level) is based on the following criteria:

- current level of achievement
- potential for success at the next level
- emotional, physical, and/or social maturity

A student may be retained if s/he is truant (absent without excuse) for more than ten percent (10%) of the required attendance days of the current school year AND has failed two (2) or more of the required curriculum subject areas in the current grade.

Even if they fall in the preceding category, a student may be promoted if the Principal and the teachers of the classes that the student failed agree that the student is academically prepared to be promoted.

## **RECOGNITION OF STUDENT ACHIEVEMENT**

Students who have displayed significant achievements during the course of the year are recognized for their accomplishments. Areas that may merit recognition include, but are not limited to, academics, athletics, performing arts, citizenship, and volunteerism. Recognition for such activities is initiated by the staff and coordinated by the administration.

## **HONOR ROLL(S)**

Students who put forth the extra effort can be proud of their accomplishment. Each nine-week grading period, basic skill grades are averaged together. Students with a B average (3.0-3.99 GPA) will achieve honor roll placement, and students with all A's (4.0 GPA) will be on the Principal's List. Students achieving the Principal's List or Honor Roll will be honored at the Awards Programs at the end of the each grading period.

## **HOMEWORK**

The assignment of homework can be expected. Student grades may reflect the completion of all work, including outside assignments. Homework is also part of the student's preparation for the required state tests and graduation. Students having difficulty completing assignments will be assigned after-school Friday Study Sessions to complete their schoolwork. Parents may call the school to request homework.

## **POWERSCHOOL (ELECTRONIC GRADEBOOK)**

This software allows parent and students to access your student's current grade information (via any Internet access). The parent/ guardian will receive in the mail the student's unique ID number and PIN code for accessing their current classroom information. If this information is misplaced and another copy is needed, the parent must come to the school office to receive that information. To access PowerSchool, click on the link on the school website. Enter your student's information to see a variety of information such as test scores and missing assignments.

## **COMPUTER TECHNOLOGY AND NETWORKS**

Before any student may take advantage of the School's computer network and the internet, s/he and his/her parents must sign an agreement which defines the conditions under which the student may participate. Failure to abide by all of

the terms of the agreement may lead to termination of the student's computer account and possible disciplinary action as outlined in the Student Code of Conduct or referral to law enforcement authorities.

### **STUDENT ASSESSMENT/ACHIEVEMENT TESTING**

Students will be required to take Achievement Assessments in grades 6-8. While the School District does schedule make-up dates for testing, students should avoid unnecessary absences.

Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests help the staff determine instructional needs.

Classroom tests are given to assess student progress and assign grades. These are selected or prepared by teachers to assess student achievement on specific objectives.

Vocational and interest surveys may be given to identify particular areas of student interests or talent. These are often given by the guidance staff.

## **SECTION IV – STUDENT ACTIVITIES**

### **CO-CURRICULAR AND ATHLETIC ACTIVITIES**

It is the belief of the Morton Middle School staff that a sound educational program includes a wide variety of co-curricular activities. Each student is encouraged to become involved in one of our programs in accordance with his/her interests and time availability. Active participation has proven to contribute to growth as an individual and to the total image of the school. Co-curricular clubs may include but are not limited to the following: Handbell Choir, Lego Robotics, Muse Machine, National Junior Honor Society, Science Club, Student Council, and Yearbook. At Morton Middle School we offer a wide range of athletic activities to our student body. During the school year, we offer to boys: basketball, cross-country, football, track, and wrestling. Our girls' offerings include basketball, cheerleading, cross-country, softball, track, and volleyball.

#### **Athletic Insurance**

The school does not provide insurance for our student-athletes. Parents assume the responsibility for providing insurance for all students including those who are involved in athletics. The Board of Education does provide information for parents to obtain insurance from an outside agency.

#### **Athletic Eligibility**

A student/athlete, to be eligible during any grading period, must be enrolled in school and receive passing grades in subjects which count for five (5) credits per year toward graduation unless s/he is entering ninth grade. In order for a student to be eligible for co-curricular activities in 7<sup>th</sup> and 8<sup>th</sup> grade, a student must earn passing grades in 5 classes and earn no more than 2 F's in the previous quarter.

The Vandalia-Butler Board of Education adopted a G.P.A. requirement of 2.0 in order to be eligible. If an athlete is eligible under the O.H.S.A.A. guidelines but falls under a 2.0 G.P.A. for the preceding quarter, s/he shall attend a mandatory afternoon study table two times a week. Failure to attend will lead toward denial to participate.

#### **Athletic Attendance**

To participate in an athletic event, the athlete must attend school for a minimum of four periods on the date the athletic contest is held. Under extenuating circumstances, with prior approval, the school administration will make the final decision.

### **Athletic Travel**

All student/athletes will be under the supervision of the coaching staff to and from all contests. The only exception would be if the coach releases the athlete directly to his/her parent or legal guardian. The release must be pre-approved in writing by the Athletic Administration.

### **Athletic Training Rules**

The Board of Education has established training rules, which are to be followed during the athlete's involvement throughout the school year. It is hoped that all athletes would abide by the rules during their athletic career at Morton Middle School. The use of tobacco, alcohol, drugs, or possession or transportation of it is strictly prohibited. Violations of the code will be cumulative for violation of this type. First offense will cause the athlete to be denied participation in 30% of games, activities, or performances. The second violation during the athlete's career will cause the athlete to be denied participation in 50% of games, activities, or performances. A third violation of this kind will result in the athlete being denied participation for one full year.

### **CHEERLEADING**

Fall and winter cheerleaders are selected each year. To be eligible to try out, students must attend the required practice sessions and meet the academic eligibility requirements. All cheerleaders will follow the same rules as the athletes. The cheerleaders' coach or designee will make selection of the cheerleaders after having observed each candidate in practice sessions and try-outs.

### **STUDENT ATTENDANCE AT SCHOOL EVENTS**

The school encourages students to attend as many after school events as possible, without interfering with their school work and home activities. Enthusiastic spectators help to build school spirit and encourage those students participating in the event.

It is strongly advised that students attending evening events as nonparticipants be accompanied by a parent or adult chaperone. The Board is not responsible for supervising unaccompanied students nor will it be responsible for students who arrive without an adult chaperone.

If a student does not attend school on a school day due to an unexcused absence from school, illness, fever or communicable disease, he/she is not permitted to attend school/co-curricular activities on that day.

### **NON-SCHOOL SPONSORED CLUBS AND ACTIVITIES**

Non-school-sponsored student groups may meet in the school building during non-instructional hours. The application for permission to use school facilities can be obtained from the Principal. The applicant must verify that the activity is being initiated by students, that attendance is voluntary, that no school staff person is actively involved in the event, that the event will not interfere with school activities and that non-school persons do not play a regular role in the meeting. All school rules relating to student conduct and equal opportunity to participate apply to such activities.

Membership in any fraternity, sorority, or other secret society as proscribed by law is not permitted. All groups must comply with School rules and must provide equal opportunity to participate.

No non-district-sponsored organization may use the name of the school or school mascot on any materials or information

## **SECTION V – TRANSPORTATION**

### **BUS TRANSPORTATION TO SCHOOL**

Generally, the Board provides transportation for resident students, kindergarten through grade eight, who live more than one mile from school and for all students with physical or mental disabilities which make walking impossible or unsafe. Due to safe path to schools issues, certain buildings are provided additional services. Specifically, all resident students at Smith and Morton as well as any resident Demmitt students living west of I-75 are provided busing services regardless the distance from home to school. The transportation of high school students will not be provided.

### **BUS CONDUCT**

Students being transported to and from school on transportation provided by the school **for any reason** are required to follow all basic safety rules. This applies to school-owned buses as well as any contracted transportation. The driver may assign seating or direct students in any reasonable manner to maintain that transportation safety.

#### **Students must comply with the following basic safety rules:**

Each student shall:

1. be on time at the designated loading zone (5 minutes prior to scheduled stop);
2. stay off the road at all times while walking to and waiting for school transportation;

4. wait until the school transportation is completely stopped before moving forward to enter;
5. refrain from crossing a highway until the driver signals it is safe to cross;
6. go immediately to a seat and be seated.

It is the parents' responsibility to inform the bus driver when their child will not be aboard school transportation. Drivers will not wait for students who are not at their designated stops on time.

#### During the trip

Each student shall:

- a. remain seated while the school transportation is in motion;
- b. keep head, hands, arms, and legs inside the school transportation at all times;

### **VIDEOTAPES ON SCHOOL BUSES**

The Board of Education has the right to install and use video cameras on school buses to monitor student behavior. If a student misbehaves on a bus and his/her actions are recorded on a videotape, the tape will be submitted to the Principal and may be used as evidence of misbehavior.

### **PENALTIES FOR BUS INFRACTIONS**

A student who misbehaves on the bus shall be disciplined in accordance with the Student Discipline Code and may lose the privilege of riding on the bus.

# SECTION VI – STUDENT DEVICES

## 1:1 Student Device Guidelines

# **SECTION VII – STUDENT CONDUCT**

## **STUDENT CONDUCT CODE**

### **CODE OF CONDUCT**

A major component of the Vandalia-Butler Schools educational program is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards.

#### **Expected Behaviors**

Each student shall be expected to:

1. abide by national, state, and local laws as well as the rules of the School;
2. respect the rights of others;
3. act courteously to adults and fellow students;
4. be prompt to school and attentive in class;
5. work cooperatively with others when involved in accomplishing a common goal regardless of the other's ability, gender, race, or ethnic background;
6. help maintain a school environment that is safe, friendly, and productive;
7. act at all times in a manner that reflects pride in self, family, and in the School.

The District is committed to the use of Positive Behavior Intervention and Supports (PBIS). PBIS is a school-wide systematic approach to embed evidence-based practice and data-driven decision making to improve school climate and culture in order to achieve improved academic and social outcomes, and increase learning for all students. PBIS emphasizes prevention of student behavior problems through the use of non-aversive techniques. PBIS encompasses a range of systemic and individualized positive strategies to reinforce desired behaviors, diminish reoccurrences of challenging behaviors, and teach appropriate behaviors to students. It is integrated with the district's Code of Conduct. Parents are an important part of PBIS implementation and we encourage parents to use the same expectations and rules that the school teaches. This common language creates consistency and a unified support for expected student behavior. Children and young adults thrive when they have consistent, predictable expectations and consequences.

Your possession of the student code of conduct along with your signature acknowledging that you understand the contents of the student code and handbook constitutes a first warning for disciplinary purposes. Refusal to sign does not excuse you from complying with the rules set forth in the student code of conduct nor does a refusal to sign exempt you from the disciplinary consequences outlined within the code.

#### **Substitute and Student Teachers**

Substitute teachers are to be treated with the same respect as a guest in your home. You are in a position to help your substitute teacher in a number of ways. It is up to you to give a substitute teacher the best impression of the school that you can possibly give. The reputation of the school is upheld by the action of each individual student. Remember that the substitute is here to help you; please give him or her opportunity to do their best.

#### **Dress and Grooming**

The following styles or manners of dress are prohibited:

1. Anything that can be considered a disruption, distraction, or a health and safety issue.
2. Shorts, skirts or dresses which can be defined as a length that is shorter than fingertip length of the index finger when arms, hands, and fingers are fully extended downward alongside the torso. Or shorts with less than a 3" inseam.
3. Spandex and/or biker shorts.
4. Shirts/Blouses must not be low cut, off the shoulder or otherwise revealing.
5. There should be no bare midriff. Clothing which shows the stomach or back area when arms are extended directly outward perpendicular to the body.

6. Apparel with excessive/inappropriate holes, rips, cuts or tears.
7. Sleep apparel is not appropriate; this includes but is not limited to pajamas, robes, lounge pants, and slippers.
8. Clothing or personal possessions containing messages that are obscene, sexually suggestive, or make references to violence, illegal drugs, alcohol or tobacco products.
9. Hats, hoods, sunglasses, or other head apparel, unless approved by the administration.
10. Excess ornaments that might cause damage or injury (examples: chains on pants, wallet chains).
11. Clothes that expose undergarments.
12. Students will refrain from wearing/using excessive fragrance/cologne both on the bus and at/during school.

In all instances, **school officials will determine when an item of clothing is disruptive or objectionable above and beyond and including the list above.** If it is determined that the above guidelines are not met then the student will be requested to change their clothing immediately, be given clothing to wear or a parent call will be initiated and the student will be sent home (this time will be unexcused) to change the apparel or style which is objectionable. If a student is waiting in the office for clothes, they will be counted as unexcused. Students refusing to cooperate will be considered to be insubordinate and handled accordingly.

Students who are representing Vandalia-Butler Schools at an official function or public event may be required to follow specific dress requirements. Usually, this applies to athletic teams, cheerleaders, bands, and other such groups.

## **Gangs**

**Gangs which initiate, advocate or promote activities which threaten the safety or well-being of persons or which are disruptive to the school environment are not tolerated.**

**Incidents involving initiations, hazing, intimidations or related activities which are likely to cause harm or personal degradation are prohibited.**

**Students wearing, carrying or displaying gang paraphernalia or exhibiting behaviors or gestures which symbolize gang membership or causing and/or participating in activities which are designed to intimidate another student will be disciplined.**

## **Care of Property**

Students are responsible for the care of their own personal property. The School is not responsible for personal property. Valuables such as jewelry or irreplaceable items should not be brought to school.

Damage to or loss of school equipment and facilities wastes taxpayers' money and undermines the school program. Therefore, if a student damages or loses school property, the student or his/her parents will be required to pay for the replacement or repair. If the damage or loss was intentional, the student will be subject to discipline according to the Student Discipline Code.

## **Zero Tolerance**

**No form of violent, disruptive, or inappropriate behavior, including excessive truancy, will be tolerated.**

# **STUDENT DISCIPLINE CODE**

This code is a general standard that should be used as a guide by all students. The following is an enumeration of some of the main areas of conduct that may lead to disciplinary action. This code is also applicable to co-curricular activities and the rules and regulations established by the respective coaches/advisors.

No student shall engage in activity that would constitute a violation of the Ohio Revised Code or federal, state, and local laws on school grounds, in a school vehicle or at a school sponsored event. Any activity that may be determined to be a

violation of federal, state, or local law may result in notification of local law enforcement officials for immediate removal from school or activity.

Students are subject to school disciplinary action, up to and including suspension and expulsion for all actions, which affect the good order, efficiency, morale, management and welfare of the school. Primary emphasis will be directed to activities taking place on school premises, at any school activity, function or event during any school transportation (in a school vehicle or in any mode of transportation arranged by the school), and near school premises before, during or after any school-related activity. However, any student action or behavior, which directly affects the school, regardless of place or time, will be subject to disciplinary control by the school. The following rules shall be in effect:

**1. Disruption of the educational process**

Any actions or manner of dress that materially and substantially disrupts, induces panic, or interferes with school activities or the educational process or which threatens to do so are unacceptable. Such disruptions include, but are not limited to, delay or prevention of lessons, assemblies, field trips, athletic and performing arts events.

**2. Alcoholic Beverages, Drugs, or Narcotics**

Students shall not knowingly possess evidence of consumption, sell, transmit, or have the distinct odor or any narcotic drug, controlled substance, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, intoxicant, mood-altering substance of any kind, anabolic steroid, or HGH in any form.

Prescription drugs and over the counter drugs: Use of a drug authorized by a medical prescription from a licensed physician and over the counter drugs is authorized by the administration of medication policy. Use of prescription drugs authorized by a medical prescription from a licensed physician and over the counter drugs shall not be considered a violation of this rule when the administration of medication policy is followed and the substance is in a prescription bottle, presented to the nurse in the principal's office. Such medication shall be kept in the security of school personnel in a locked cabinet.

**3. Drug Paraphernalia and/or Counterfeit Controlled Substances**

Students shall not use,\* possess, transport paraphernalia that is commonly associated with or construed to be used for any of the above-mentioned chemicals or substances. Counterfeit controlled substances, as per O.R.C. 2925.37 and outlined in the Vandalia-Butler Board of Education policy, will be considered violations of this policy.

A. A counterfeit controlled substance is defined as:

1. Any drug that bears, or whose container or label(s) bears a trademark, trade name, or other identifying mark used without authorization of the owner of rights to such trademark, trade name or identifying mark;
2. Any unmarked or unlabeled substance that is represented to be a controlled substance manufactured, processed packed or distributed by a person other than the person who manufactured, processed, packed or distributed it;
3. Any substance that is represented to be a controlled substance but is not a controlled substance or is a different controlled substance.
4. Any substance other than a controlled substance that a reasonable person would believe to be a controlled substance because of its similarity in size, shape, and color, or its markings, labeling, packaging, distribution, or the price for which it is sold or offered for sale.

B. No student shall knowingly possess any counterfeit controlled substance, nor shall any student knowingly make, sell, and offer to sell, give, package, or deliver a counterfeit controlled substance.

- C. No student shall directly or indirectly represent a counterfeit controlled substance as a controlled substance by describing either with words or conduct, its effects as being the same or similar to the physical or mental effects associated with the use of a controlled substance.
- D. No student shall directly or indirectly falsely represent a counterfeit controlled substance as a controlled substance.  
Example: Pass off oregano as marijuana. This makes the oregano a counterfeit controlled substance and selling the counterfeit substance would carry the same penalty as selling marijuana.

Students will be held responsible for all actions regarding the selling or provision of counterfeit substances as if they are the controlled substance offered.

#### **4. Tobacco/Nicotine/Juul/Vapor/E-Cigarette Substances**

No student is permitted to use, possess, purchase, or sell tobacco substances in or on school property or on any school bus or other Board authorized transportation. Students will not be permitted to have tobacco substances in their possession while in the school building or on school grounds, including offsite school sponsored events. A cigarette, cigar, vape product, Juul, etc., in the student's hand, lit or not lit, will be treated as though the item(s) were being used. Possession of lighters, matches, etc. are prohibited.

All future infractions of this rule will result in further disciplinary action.

#### **5. Use and/or possession of a firearm**

Bringing a firearm (as defined in the Federal Gun-Free Schools Act of 1994) onto school property or to any school-sponsored activity, competition, program, or event, regardless of where it occurs, will result in a mandatory one (1) year expulsion under Ohio law. This expulsion may be reduced on a case-by-case basis by the Superintendent using the guideline set forth in Board Policy 5610/5611.

Firearm is defined as any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any firearm muffler or firearm silencer; or any destructive device (as defined in the Federal Gun-Free Schools Act of 1994). Firearms include any unloaded firearm and any firearm which is inoperable but which can be readily operated.

Students are prohibited from knowingly possessing an object on school premises, in a school or a school building, at a school activity or on a school bus that is indistinguishable from a firearm, whether or not the object is capable of being fired, and indicating they are in possession of such an object and that it is a firearm or knowingly displaying or brandishing the object and indicating it is a firearm.

#### **6. Use and/or possession of a weapon**

A weapon is any device which may be used for offensive or defensive purpose, including but not limited to conventional objects such as guns, pellet guns, knives, or club type implements. It may also include any toy that is presented as a real weapon or reacted to as a real weapon. Possession and/or use of a weapon may subject a student to expulsion and possible permanent exclusion.

**7. Use of an object as a weapon**

**12. Unauthorized Physical Contact of a staff member/student/person associated with the District**

Unauthorized physical contact of a staff member, student, or other person associated with the District which may or may not cause injury will not be tolerated.

**13. Threatening a staff member/student/person associated with the District.**

Any statement or non-contact action that a staff member, student, or other person associated with the District feels to be an expressed threat, will be considered an assault and is prohibited. Profanity directed toward a staff member in a threatening tone may also be considered a verbal assault which may subject a student to discipline.

**14. Physical Altercations/Fighting/Assault**

No student will intentionally assault, cause or attempt to cause physical injury or to behave in a manner that creates an environment of intimidation for students or school personnel. All students involved in fighting will be disciplined; however if self-defense can be clearly established by an administrator during the investigation the punishment for the student acting in self-defense shall be taken into account. Assault\* of any other individual may result in criminal charges and may subject the student to expulsion.

*\* an intentional act by one person that creates an apprehension in another of an imminent harmful or offensive contact*

**15. Violent Conduct**

**Students may face expulsion for up to one school year for committing an act at school, or on school property, at an interscholastic competition, or co-curricular event, or any other school program, or directing an**

act at a Board official or employee, regardless of where or when that act may occur, or directing a violent act toward their property if such an offense results in serious physical harm to the person/property.

**16. Misconduct against a school official or employee or the property of such a person, regardless of where it occurs.**

The Board prohibits misconduct committed by a student against a school official or employee including but not limited to harassment (of any type), vandalism, assault (verbal and/or physical), and destruction of property (school or personal), on any school bus, in transit to school or during any school sponsored activity.

Students shall not cheat. Cheating shall include but not be limited to plagiarism, copying homework, copying digital media/files, using cheat sheets, using a test not expressly provided by the teacher as a study guide, obtaining answers from another student on a test or quiz, and allowing other students to use your materials with the intent to cheat.

Zeros (0) will be given on assignments, tests, or quizzes, parents will be notified.

Co-curricular code of conduct may include additional discipline.

**22. False alarms and false reports**

A false emergency alarm or report endangers the safety forces that are responding to the alarm. It also endangers the citizens of the community, the persons in the building and/or may induce panic. No student shall place a bomb threat, false fire alarm; use without authorization, tamper with, or discharge/employ safety devices and/or any other emergency equipment, including fire extinguishers, smoke detectors, automated external defibrillators, and Bearcade® devices. What may seem like a prank is a dangerous stunt that is against the law and may subject the student to disciplinary action, up to and including expulsion from school.

### **23. Trespassing**

### **24. Unauthorized use of school or private property**

Students must obtain permission to use any school property or any private property located on school premises. Any unauthorized use of school property shall be subject to disciplinary action.

### **25. Theft, Damage or Misuse of School and Private Property**

Students shall not steal, damage, or misuse school or private property either on school premises, on any school bus, in transit to and from school, or during any school sponsored activity. Misconduct on school buses may result in the loss of privileges of riding the school bus to and from school for a period to be determined by the school principal. The transportation of the student to and from school after such removal then becomes the sole responsibility of the parent/guardian.

### **33. Bullying (Policy 5517.01)**

Bullying is any intentional, persistent, and repetitive written, verbal, graphic, electronically transmitted, or physical act that a student or group of students exhibits toward another student and the behavior both: a) causes mental or physical harm to the other student: AND b) is sufficiently severe that it creates an intimidating, threatening or abusive educational environment for the victim.

The harassment and/or bullying of other students or members of staff, or any other individuals is not permitted. This includes any speech or action that creates a hostile, intimidating, or offensive learning environment. Individuals engaging in such conduct will be subject to disciplinary action.

Any student who believes that s/he is the victim of any of the above actions or has observed such actions by a student, should contact the building school counselor or administrator. Any student who believes that s/he is the victim of any of the above actions or has observed such actions by a staff member, or other person associated with the District should contact the District's Complaint Coordinator:

**Detention** - A teacher may assign a maximum of one-hour (1-hour) detention to a student for a violation of classroom or school rules, after giving the student and his/her parents one day's notice. The school is not obligated to furnish transportation to students who have been detained. Detention will take precedence over all extra-curricular/co-curricular activities and after school employment.

**Administrative Detention** – The principal may assign an after school or morning detention to a student for a violation of classroom or school rules. It is the responsibility of the student to notify their parents of the detention and arrange transportation home. The school is not obligated to furnish transportation to students who have been detained. Detention will take precedence over all extra-curricular/co-curricular activities and after school employment.

**Saturday School** - Program is being offered as an alternative to some out-of-school suspensions. It has the potential to help students maintain academic standing while modifying unacceptable behavior. Students will report to school on Saturday as directed. They will be required to bring work, etc. Skipping Saturday School will lead to further disciplinary action. The school is not obligated to furnish transportation to students who have been detained. Saturday School will take precedence over all extra-curricular/co-curricular activities and after school employment.

**Friday School** - Sessions are offered as an alternative to some out of school suspensions. Such sessions have the potential to help students maintain academic standing while modifying unacceptable behavior. Students will remain at school during the designated times. Friday School Sessions will take precedence over all extra-curricular/co-curricular activities and after school employment.

Examples of organizations that could fulfill the community service: Nursing Home, Retirement Home, Churches, Hospice, Hospitals, City, or any non-profit organizations.

**Emergency Removal** - The term emergency removal shall be understood to mean the removal of a student from curricular or extra-curricular/co-curricular activities or from the school premises because the student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process. The time out of school will be unexcused resulting in zero's (0) for all missed work.

**Suspension** - The removal from school and/or school related activities by the principal or superintendent for a duration up to ten (10) school days. Absences are unexcused and students may not come to school or attend extra-curricular activities. A student who is suspended shall be permitted to complete any classroom assignments missed because of this suspension.

**Expulsion** - The term expulsion shall be understood to mean the exclusion of a student from all school attendance and related activities by the superintendent. Students will receive "0's" for the work missed during the expulsion days. These days may be carried over from one year to the next with the approval of the superintendent.

*Should there be a reason school is not in session during disciplinary action, the student will be expected to serve the disciplinary action continuing with the next school day in session.*

## **DUE PROCESS RIGHTS**

Before a student may be suspended, expelled, or permanently excluded from school, there are specific procedures that must be followed.

**As long as the in-school discipline is served entirely in the school setting, it will not require any notice or hearing or be subject to appeal.**

### **Suspension from School**

When a student is being considered for a suspension, the administrator in charge will notify the student of the basis for the proposed suspension. The student will be given an opportunity to explain his/her view of the underlying facts. After that informal hearing, the Principal [or assistant principal or other administrator] will determine whether or not to suspend the student. If the decision is made to suspend the student, s/he and his/her parents will be given written notification of the suspension within one (1) day setting forth the reason for the suspension, the length of the suspension, and the process for appeal. The suspension may be appealed, in writing, with the Treasurer of the Board or the Superintendent within three (3) calendar days after the date of the notice to suspend.

During the appeal process, the student shall not be allowed to remain in school.

**If the appeal is heard by the Superintendent or the Board designee, the appeal shall be conducted in a private meeting. If the appeal is heard by the Board of Education, the appeal shall be conducted in executive session unless the student or his/her representative requests otherwise. A verbatim transcript will be made and witnesses will be sworn in prior to giving testimony. If the appeal decision is to uphold the suspension, the next step in the appeal process is to the Court of Common Pleas.**

**A student who is suspended shall be permitted to complete any classroom assignments missed because of the suspension.**

### **Emergency Removal**

**If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on the school premises, the Superintendent, principal or assistant principal may remove the student from any curricular or extracurricular activity or from the school premises. The athletic director or athletic supervisor may remove the student from any extracurricular activity or from the school premises that is under their supervision. A teacher may remove the student from any curricular or extracurricular activity under the teacher's supervision, but not from the premises.**

**If a teacher makes an emergency removal, the teacher will notify a building administrator of the circumstances surrounding the removal in writing within one (1) school day. No prior notice or hearing is required for any removal under this procedure. In all cases of normal disciplinary procedures where a student is removed from curricular or extracurricular activity for less than one school day and is not subject to further suspension or expulsion, the following due process requirements do not apply.**

Within one (1) school day of the decision to suspend, written notification will be given to the parent(s)/guardian(s) or custodian(s) of the student. This notice will include the reasons for the suspension, the right of the student or his/her parent(s)/guardian(s) or custodian(s) to appeal to the Board or its designee, and the students' right to be represented in all appeal proceedings. If it is likely that the student may be

subject to expulsion, the hearing will be held in accordance with the procedures outlined in the Student Expulsion Policy. The person who ordered or requested the removal will be present at the hearing. In an emergency removal, a student may be kept from class until the matter of the alleged misconduct is resolved either by reinstatement, suspension or expulsion.

## **Expulsion from School**

**When a student is being considered for expulsion, the student and parent will be provided with a formal notice of the proposed expulsion. This written notice will include the reasons for the intended expulsion, notification of the opportunity to appear in person before the Superintendent or the Superintendent's designee to challenge the reasons for the expulsion and/or explain the student's action, and notification of the time and place to appear. Students being considered for expulsion may or may not be removed immediately. A formal hearing will be scheduled no earlier than three (3), nor no later than five (5) school days after the notice is given. Parents may request an extension of time for the formal hearing. The student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice at the hearing.**

**In accordance with Board Policy 5610, the Superintendent shall initiate expulsion proceedings against a student who has committed an act that warrants expulsion under Board policy even if the student withdraws from school prior to the hearing or decision to impose the expulsion. The expulsion will be imposed for the same duration that it would have been had the student remained enrolled.**

**If a student is expelled, the student and the student's parents will be provided with written notice within one (1) school day of the imposed expulsion. The notice will include the reasons for the expulsion, the right of the student, or the student's parent(s)/guardian(s) or custodian(s) to appeal the expulsion to the Board or its designee, the right to be represented in all appeal proceedings, the right to be granted a hearing before the Board or its designee and the right to request that the hearing be held in executive session.**

Within three (3) calendar days after the Superintendent notifies the parents of the expulsion, the expulsion may be appealed, in writing, to the Board of Education or its designee. A hearing on the requested appeal will be formal with an opportunity for sworn testimony. If the expulsion is upheld on appeal, a student's parents may pursue further appeal to the court of Common Pleas.

**Students serving expulsions will not be awarded grades or credit during the period of expulsion. Expulsion for certain violations including use or possession of alcohol or drugs, may result in revocation of student's driver's license. When a student is expelled, the Superintendent will notify any college in which the expelled student is enrolled under the College Credit Plus program at the time the expulsion is imposed.**

## **Permanent Exclusion**

State law provides for the permanent exclusion of a student, sixteen (16) years of age or older who engages in certain criminal activity. Permanently excluded students may never be permitted to return to school anywhere in the State of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one (1) or more of the following crimes while on the property of any Ohio school:

- A. conveying deadly weapons onto school property or to a school function;
- B. possessing deadly weapons onto school property or at a school function;
- C. carrying a concealed weapon onto school property or at a school functions;
- D. trafficking in drugs onto school property or at a school function;

- F. voluntary or involuntary manslaughter on school grounds or at a school function;
- G. assault or aggravated assault on school property or at a school function;
- H. rape, gross sexual imposition or felonious sexual penetration on school grounds or at a

school function, when the victim is a school employee;

- I. complicity in any of the above offenses, regardless of the location.

This process is formal and may follow an expulsion with the proper notification to the parents.

## **Discipline of Students with Disabilities**

Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Improvement Act (I.D.E.I.A.), and, where applicable, the Americans with Disabilities Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973.

## **Suspension of Bus Riding/Transportation Privileges**

When a student is being considered for suspension of bus riding/transportation privileges, the administrator in charge will notify the student of the reason. The student will be given an opportunity to address the basis for the proposed suspension at an informal hearing. After that informal hearing, the Principal [or assistant principal or other administrator] will decide whether or not to suspend his/her bus riding/transportation privileges for all or part of the school year.

**If a student's bus riding/transportation privileges are suspended, s/he and his/her parents will be notified, in writing within one (1) day, of the reason for and the length of the suspension.**

## **SEARCH AND SEIZURE**

**School authorities are authorized to search a student or his/her property (including vehicles, purses, backpacks, gym bags, etc.) with or without the student's consent, whenever the School authorities reasonably suspect that a search will lead to the discovery of evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. General housekeeping inspection of school property may be conducted with reasonable notice. Student lockers are the property of the District and students have no reasonable expectation of privacy in their contents or in the contents of any other District property including desks or other containers. School Officials may conduct random searches of the lockers and their contents at any time without announcement. Unannounced and random canine searches may also be conducted.**

Additionally, students have NO reasonable expectation of privacy in their actions in public areas including but not limited to, common areas, hallways, cafeterias, classrooms and gymnasiums. The District may use video cameras in such areas and on all school vehicles transporting students to and from regular and extracurricular activities.

Anything that is found in the course of a search that may be used as evidence of a violation of school rules or the law and may be taken, held or turned over to the police. The School reserves the right not to return items which have been confiscated.

## **SURVEILLANCE AND STUDENT PRIVACY**

The use of surveillance cameras is intended to increase our students' safety and welfare. Video surveillance cameras are placed throughout the common areas of the building, school grounds and on buses. Actions recorded on these cameras may be used as evidence in disciplinary action. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement agencies.

When a tape or digital image becomes evidence of a student violating the Student Code of Conduct, in a disciplinary action, this tape/digital image is and will remain confidential, and may be viewed by designated school officials only. If the tape/digital image shows any student other than the student involved, the other students' privacy must be protected. Therefore, the tape/digital image will be treated as any other student record, and the school has the obligation to protect the other students' identities. However, in the event of criminal prosecution, the tape/digital image may become evidence at a criminal hearing and will probably become a public record. Under such circumstances the tape/digital image is under the control of the courts not the school.

## STUDENT RIGHTS OF EXPRESSION

The School recognizes the right of students to express themselves. With the right of expression comes the responsibility to do so appropriately. With administrator approval, students may distribute or display, at appropriate times, non-sponsored, noncommercial written material and petitions; buttons, badges, or other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet school guidelines.

- A. Material cannot be displayed if it:
  - 1. is obscene to minors, libelous, is pervasively indecent or vulgar,
  - 2. advertises any product or service not permitted to minors by law,
  - 3. is considered to be insulting or harassing,
  - 4. incites fighting or presents a likelihood of disrupting the school environment.
  - 5. Presents a clear and present likelihood that, either because of its content or manner of distribution or display, it causes or is likely to cause a material and substantial disruption of school or school activities, a violation of school regulations, or the commission of an unlawful act.
- C. Material may not be displayed or distributed during class periods, or between classes. Permission may be granted for display or distribution during lunch periods and after school in designated locations, as long as exits are not blocked and there is proper access and egress to the building.

Students who are unsure whether or not materials they wish to display meet school guidelines may present them to the administration twenty-four (24) hours prior to display.

## **Transportation**

1. All transportation to and from away contests/games is the responsibility of the school system and will be provided by the school system. Athletes are required to travel to and from away contests in transportation provided by the school system. Athletes should not be transporting themselves to or from away contests. If a special situation occurs, the athlete must request in writing approval from the athletic director or school administration prior to the contest. In these cases the athlete will be released only to their own parent by meeting face to face with a member of the coaching staff.
2. The choice of a mode of transportation to and from practices ultimately lies with the athlete and their parents. We strongly suggest that athletes do not ride with other athletes to or from practices. However, if they choose to ride with other athletes (or any other person), the driver accepts the responsibility and liability of the transportation.
3. If a school van is the mode of transportation, the driver must have completed the school system's van certification program. This can be arranged through the Business Services department.
4. Athletes will remain with their squad and under the supervision of the coach when attending away contests. Athletes who miss the bus will not be permitted to participate in the contest unless there are extenuating circumstances. All regular school bus rules will be followed, including food, noise, remaining in seats, and care and respect for equipment. Athletes are expected to dress appropriately.

## **STUDENT'S RIGHTS AND RESPONSIBILITIES**

Co-curricular participants of the Vandalia-Butler City Schools are direct representatives of their school and are expected to conduct themselves in a way that will gain respect for both themselves and their school. Participation is a privilege available to those who have the will and the desire to abide by training and participation rules. Other behavior not defined in this policy but deemed to be unbecoming of an athlete/participant may be grounds for discipline, up to and including, suspension and removal from the co-curricular and extra-curricular activity. A student may temporarily or permanently forfeit his/her right to participate when her/his behavior disrupts the process, deprives others of their basic rights, and violates the student rules established herein.

In accordance the Vandalia-Butler Board of Education believes that the use, possession, or sale of drugs, alcohol, and tobacco has no place in its co-curricular programs.

In order to assist in giving direction to our student co-curricular participants in observing the principles and responsibilities outlined above, the following policy will be observed:

- I. No co-curricular participant shall possess, use, sell, transmit, or have the distinct odor of any narcotic drug, controlled substance, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, intoxicant, mood-altering substance of any kind, anabolic steroid, or tobacco in any form.
- II. No co-curricular participant shall use, possess, or transport paraphernalia that is commonly associated with or construed to be used for any of the above-mentioned chemicals or substances. Counterfeit controlled substances, as per O.R.C. 2925.37 and outlined in the Vandalia-Butler Board of Education policy, will be considered violations of this policy.
- III. This policy will apply for all co-curricular participants in programs administered by the Vandalia-Butler Board of Education.
- IV. This policy is in effect while the student-athlete is participating on the team; dates as adopted by the OHSAA.

V. The penalties in the policy are cumulative, beginning with the participant's first involvement with the Vandalia-Butler high school or middle school co-curricular program. Middle school accumulation ends at the conclusion of eighth grade. High school accumulation begins with the ninth grade and concludes with high school graduation, unless the student participates in a school-sponsored activity that extends beyond the graduation date.

VI. Procedures to be followed in dealing with the possession (including paraphernalia), consumption, use, handling, giving, storing, concealing, or making of alcoholic beverages, drugs, or narcotics:

**First Offense:**

- A. This will result in nonparticipation without alternatives for 30% of the games (athletes) and designated activities or performances (all others). If, when applying the 30% rule (the percentage will be calculated based on the total number of regular season contests/events from the beginning of the season/year), a partial number of contests/events results, the number will be rounded down to arrive at the length of the suspension, (e.g., 30% of 27 = 8.1, which would be a suspension of eight (8) games with a minimum of one (1) contest/event). The penalty will carry through to the next athletic season or school year if the number of suspended contests/events has not been fulfilled.
- B. All End of Season/Post Season Local/Team (Special- i.e., MVP, MOP, Best Defender, Most Improved, etc.) awards lost for one-calendar year.
- C. The student forfeits the privilege to serve in any leadership position for one calendar year.
- D. A Mandatory Assessment may be required at this time due to the severity of the offense.

A student who commits an offense involving drugs or alcohol under this policy will be required, as a condition of continued participation in co-curricular activities, to undergo an assessment by a certified substance abuse counselor at parental expense. A copy of the assessment, with any ongoing recommendations for treatment or intervention, will be sent to the principal per a signed, HIPPA-qualified release form. The student will be required to comply with all recommendations.

**OR**

Failure to complete the Mandatory Assessment will result in denial to participate in all co-curricular activities until requirement is fulfilled.

**Second Offense:**

- A. This will result in nonparticipation without alternatives for 50% of the games (athletes) and designated activities or performances (all others). If, when applying the 50% rule (the percentage will be calculated based on the total number of regular season contests/events from the A. beginning of the season/year), a partial number of contests/events results, the number will be rounded down to arrive at the length of the suspension, (e.g., 50% of 27 = 13.5, which would be a suspension of 13 games with a minimum of one (1) contest/event) with a **Mandatory Assessment for Second Referral.**

A student who commits a second offense involving drugs or alcohol under this policy will be required, as a condition of continued participation in co-curricular activities, to undergo an assessment by a certified substance abuse counselor at parental expense. A copy of the assessment, with any ongoing recommendations for treatment or intervention, will be sent to the principal per a signed, HIPPA-qualified, release form. The student will be required to comply with all recommendations.

**OR**

Failure to complete the Mandatory Assessment will result in denial to participate in all co-curricular activities until requirement is fulfilled.

The penalty will carry through to the next athletic season or school year if the number of suspended contests/events has not been fulfilled.

- B. All End of Season/Post Season Local/Team (Special- i.e., MVP, MOP, Best Defender, Most Improved, etc.) awards lost for the duration of high school career.
- C. The student forfeits privilege to serve in any leadership position for the remainder of the student's high school or middle school career.

**Third Offense:** This will result in denial to participate in all co-curricular activities for one calendar year.

**Fourth Offense:** This will result in denial to participate in all co-curricular activities for the remainder of the student's high school or middle school career.

#### VII. *Academic Eligibility for Co-curricular Activities*

The Vandalia-Butler Board of Education has established requirements for student eligibility and participation. Students must have a GPA of 2.0 and/or no more than one "F" in the preceding grading period to be eligible. Students who do not meet this standard but who wish to continue to participate in co-curricular activities must attend a mandatory "Study Table" until the standard is met. Incoming ninth graders must have passed 75% of the subjects in which they were enrolled the preceding grading period. In order for a student to be eligible for co-curricular activities in 7<sup>th</sup> and 8<sup>th</sup> grade, a student must earn passing grades in five (5) classes and earn no more than two (2) F's in the previous quarter.

#### VIII. *Athletic Eligibility*

Eligibility requirements, as established by the Ohio High School Athletic Association shall be observed. Copies of the rules will be distributed separately to student athletes, and parents and athletes should consult the athletic director or head coach for clarification of OHSAA rules.

#### IX. *Procedure for Implementing the Co-curricular Code*

- A. If the violation occurs at school or during a school-sponsored event or activity, the principal or assistant principal will administer the disciplinary policy. The student would be subject to the Student Code of Conduct as well as the Co-curricular Code.
- B. If the violation occurs away from school and away from school events, the athletic director will conduct the review for athletes /cheerleaders and will explain the code to the athlete, parents, or guardian. For other co-curricular participants, the principal/assistant principal will conduct the review and will explain the code to the participant, parents, or guardian.
- C. It will be the shared responsibility of the principal and athletic director to inform one another when an athlete has completed the mandatory assessment and any recommendations from a physician or outside agency.

#### X. *Penalty Guidelines*

Students will be disciplined for violations of the Co-curricular Code. The level of discipline will be left to the sound discretion of the coach/advisor after considering the nature of the violation with the exception of drugs, alcohol and tobacco which are specified elsewhere in this policy. Penalties may carry over from one co-curricular activity or season to another.

- A. Denial to Participate: The removal from the activity for a period not to exceed ten (10) days.
- B. Removal: Removal from the activity for a specific period of time in excess of ten (10) days.
- C. Permanent Exclusion: Denial to participate in co-curricular activities for the remainder of the student's school career.
- D. Restitution: The student will be responsible for paying for economic losses occasioned by a violation of the Co-curricular Code.

## XI. *Appeal Procedure*

- A. Conference with the head coach/advisor of the activity. For athletes, the athletic director may also be present.
- B. A written request for an appeal should be directed to the athletic director or coordinating principal and must occur within five (5) school days following notification of the infraction. The participant will not be allowed to participate in contests/events during the appeal process.
- C. If not satisfied with the decision of the athletic director or coordinating principal, then a written request for an appeal should be directed to the building principal. The decision of the principal is final.

## XII. *Attendance*

Regular attendance is expected. (See the VBCS District Attendance policy – 10-day rule.)

- A. Excused absences
  - 1. Illness verified by physician's note, parent contact, or coach/advisor awareness.
  - 2. Death in the family, verified by adult contact, coach/advisor awareness.
  - 3. Parental decision – requires mandatory prior approval of coach/advisor.
- B. Unexcused absences
  - Any absences not covered by excused absences.
- C. Students must attend at least four classes during the day of a scheduled co-curricular activity to be eligible for participation, unless the principal has approved a valid excused absence.

## XIII. *Expectations of Co-curricular Participants*

- A. Maintain eligibility
- B. Sign acknowledgment/receipt of Co-curricular Code
- C. Display proper behavior both in and out of school
- D. Model a strong commitment to abstain from tobacco, alcohol, and other drug use
- E. Respect authority – parents, officials, teachers, coaches, administrators, and others
- F. Demonstrate a dedication to high standards in the classroom
- G. Demonstrate a dedication to hard work and training
- H. Students will not steal, damage, or misuse any school or private property
- I. Students will not threaten, assault, cause or attempt to cause physical injury to other students or any school personnel or officials
- J. Students will not intimidate or be party to the intimidation of another student for any purpose including sexual interest, nor engage in any form of exhibitionism, nor engage in sexual misconduct
- K. Students will not violate the Ohio Revised Code

This policy supplements the District's Code of Student Conduct and is administered independently of that Code. A violation of this policy may also violate the Code of Student Conduct. A student may be disciplined under the Student Code of Conduct in addition to being disciplined under this policy.

## GUIDELINES FOR EXTRA-CURRICULAR AND CO-CURRICULAR CONFLICTS

*As a member of both a curricular music ensemble such as band or choir, as well as a member of an athletic team I understand that I have obligations to both organizations. I also understand that my music ensemble is a curricular organization, which means I receive a grade for my participation in both in school and out of school activities. While I will work to avoid all conflicts I understand that some may still arise. When they do I will follow these guidelines that will dictate which activity takes precedence.*

### Conflicting Event 1

Rehearsal  
Any Game/Any Concert  
Game (Regular Season)  
Game  
Tournament Game  
Tournament Game

### Conflicting Event 2

Practice  
Practice/Rehearsal  
Seasonal Concert/Competition

Any Concert  
OMEA Competition

### Event Priority

**Shared time with each group**  
**Game/Concert**  
**Concert/Competition**  
**Game**  
**Tournament Game**  
**OMEA Competition**

1. Choir and Band performances are part of the student’s grade and should not be so easily dismissed.
2. Generally, there are 3 seasonal concerts (Fall, Winter, Spring) for curricular groups, and 1, possibly 2 OMEA large group competitions during the academic year. During any given schedule of a seasonal sport it’s fairly safe to say that there would likely be only 1, possibly 2, music dates that conflict. If a student misses one of these concerts/competitions, he/she has likely missed the only performance during a grading period resulting in a zero for the grade. In the reverse, most athletic teams have numerous dates during the season and missing one date is a small portion of the seasonal schedule.
