Dear Parents/Guardians:

This morning an empty shell casing was found by a student in the High School commons. The empty shell casing was immediately brought to one of our Safety and Security Staff. Our Safety and Security Staff, Director of Security-Christopher Olsen, and Officer Don Hull from the East Lyme Police Department completed a thorough investigation regarding this situation.

They have concluded that there is no reason for any further concern, but out of an abundance of caution Administration and Safety and Security Staff members at each building have been notified. If any further information comes forward, or if there is any other concern that we are made aware of, I will be in direct contact with our staff and parent community. As always, if you have any questions, please contact the building administration or my office.

Sincerely,

Jeffrey R. Newton  
Superintendent
