NOTES FROM CANFORD SCHOOL GOLF LIAISON OFFICER

If you have any queries regarding membership or other administrative matters then please do not hesitate to contact me at the School Sports Centre. All members personal information have been removed from this years diary and contact details for each member can be found on ClubVI where they can manage their own permissions and visible details.

I would be grateful if all members could take the time to read through the accompanying notes. These are important guidelines and recommendations that will enhance yours and others enjoyment of Canford School Golf Club.

1. PATHS i) all man laid gravel and wood chipped paths are deemed immovable obstructions and relief may be taken without penalty (Rule 24-2b. (i) applies).
2. Please ensure that you and any guests who play with you know and follow the appropriate dress code, particularly with respect to men's shorts and shirts.
3. In the course of general play use the yellow and blue tee markers. Only on competition days and in matches should the white tees be used. Ladies will play off the red & red/yellow markers at all times.
4. On the day of a medal or stableford competition a player may not practise on the course with the exception of the practice ground defined by the blue stakes. The penalty for breach of Rule 7: 1b is disqualification.
5. The white stakes behind the 4th/13th green are OOB.
6. When the barrier by the clubhouse is unlocked this is to provide access for greenkeeper's machinery and emergency vehicles, it is not to enable members to extend the parking area.
7. When driving in the park **always keep to the 10mph** speed limit.
8. **Avoid slow play at all times and wave faster players through.**
9. As soon as winter greens begin to be prepared you must take a free drop from them and do not take trolleys over them.
10. Please do not smoke in the Wren building or Marquee.
11. Unless indicated otherwise, winter rules will normally apply from October 1st to April 30th. However, one should always check with the organiser of a competition as to the rules pertaining to that day.
12. Will all members please change their footwear in the locker rooms rather than in the car park. This will ensure you regularly pass and read the notice boards.

13. Members guests must be signed in before they play. This is for insurance purposes. It is a member's responsibility to ensure that their guests' behaviour and clothing adhere to these guidelines. Any Individual guest is limited to SIX rounds of golf per year.
14. Players on the 1st tee with a tee reservation have priority, those coming off the 9th tee should then alternate.
15. If players are waiting to tee off on 9/18th they have priority over players waiting to play from 4/13th tees.
16. Under NO circumstances is it allowed to commence play on the 3rd tee if there are players in sight anywhere on the 2nd/11th hole.
17. If your ball is lost beyond the OOB white stakes to the left of the third and fourth fairways then do not waste time looking for it. If your ball is potentially lost beyond any OOB areas, play a provisional ball before looking for your potentially lost/OOB ball.
18. Adults and Juniors have equal standing on the course, but do recognise that a beginner of any age should not be a target for rebuke but for helpful guidance. If you feel that it is appropriate to approach someone who is not "getting it right" in some way then do so courteously and helpfully. If you encounter a wilful violation of rules or etiquette but do not feel that you can correct the person yourself then have a discreet word with a senior member of the ground staff who will be able to follow the matter up promptly. Failing that record the disc number of the person involved and pass on the details to the Schools Golf Liaison Officer.
19. The green-keepers have priority on the course when carrying out their duties. Please respect this and allow them to finish their tasks before playing your shots during general play
20. At no time is play allowed on the course before 7.30am. If the tee is reserved from 10.00am for any competition/event no play is allowed on the course after 9.30am.
21. Dogs are not allowed on the golf course.

GOLF DRESS AND COURSE ETIQUETTE

DRESS CODE:

1. No jeans or tracksuits
2. No games or multi-coloured shorts. Ladies may wear multi-coloured shorts which are designed for golf. Men's shorts must be tailored, with a waistband and pockets.
3. No tee shirts. All shirts must have a collar except suitable winter golf attire, e.g., Polo neck tops, or dedicated summer golf T-shirts. All shirts should be tucked in.
4. Short socks may be worn and be preferably white.

GENERAL MATTERS OF CONDUCT:

1. Clubs may not be shared in the course of play.
2. Do not run on the course or behave in an unbecoming way. Equally, swearing or shouting on the course is not acceptable.
3. Wave faster players through and always try to be aware of other people on the course so that your conduct is always safe and courteous.
4. Try to play the first hole promptly. Take your trolley/bag beyond the green before putting out and then retire from the green immediately after finishing the hole.
5. Do not take your trolley inside the green exclusion areas or between a green and a greenside bunker.
6. Take note of the various remarks which can be seen on the score cards, the tee plates and the notice boards.
7. Ensure you are carrying a pitch mark reparer with you at all times and repair your pitch marks at every opportunity.
8. Please do not forget to rake the bunker after playing your shot from one, and leave the rake in the bunker.
9. Please do not forget to replace divots from the fairways and use the boxes of soil to replace divots from the tees.
10. When approaching the 10th Tee, please use the path on the right of the tee.
11. When playing the 6th / 15th hole please take your bag/trolley around the back of the green, or deposit your bag/trolley to the rear right hand side of the 7th / 16th tee. Please do not cut across the front of the green with your bag/trolley.
12. When playing the 6th/15th do not leave the provided ball scoop between the tee and green.
