Good morning, Wausau School District Families and Staff:

We are reaching out to let you know that if you are currently without power, or find yourself at any point today without power, we know logging onto Google Meets and participating in virtual learning may not be an option. We understand and that's okay. We also have a lot of staff without power who are in the same situation and not able to log on. So, even though your student may be able to sign on, their teacher may not.

Please know, we are all going to work together to get everyone on the same page when we are back in the buildings tomorrow.

As always, we appreciate your patience and flexibility!

Thank you,

Wausau School District Administration
