Message from Mrs. Behnke

Hard to believe it is November already. We have enjoyed a beautiful fall and just around the corner the weather will change. As I reflect on the Minnesota weather, what resonates is how quickly it can change. We have already seen that and as you might imagine the Lost & Found has exploded. If you have noticed an item missing you may want to stop by school to see if it may be among the many items left behind on a daily basis. Also, just a reminder that we do go outside for recess everyday unless the weather doesn't

permit. Please have your child ready for outside everyday. As the temperature drops overnight it will be a surprised to students who are not dressed for 25 minutes of outside recess. It is time for hats, mittens, jackets and boots on the ready. Not a bad idea to send extra socks/shoes. If your child is in need of outerwear, please contact the school office and we will do what we can to assist.

This fall we reintroduced FALCON FAMILIES. This is a time when staff lead multi-age groups of 15 students in a focus activity. Here is our purpose statement:

We are gathered as a family who will stick together through all our years at Falcon Heights, meeting about once a month. We do this to practice the Falcon Way, meet new people, build community, and know that we all belong here. We are here to count on each other, support each other, and encourage each other. Each one of us is important, we all matter, and we all have something to contribute. We are a Falcon family.

Last month the Falcon Families created a patchwork design with everyone's name and design. This month we will play Falcon Bingo the Wednesday before Thanksgiving break. We are looking for 3 adult volunteers to help at the prize tables. If you are interested in helping out at our Bingo that will happen 2:10-2:55pm on November 23rd, please call the school office or email louise.portuese@isd623.org. Thank you to PTA for contributing the funds for this fun event.

Next PTA meeting November 14 at 6:30pm

We welcome your attendance and input as we meet and discuss our current agenda items for Falcon Heights Elementary School. You can attend and participate in discussions and ideating with the PTA regardless of being a paid member and are able to join at any time if you wish. There is free childcare available at our meetings in the Friendship Connection room. School age kids and siblings are welcome.

Please email Mara Bliss @President@fhpta.org with any requests or questions. We will meet in the school library and we look forward to seeing you on Monday!

From the Health Office

Cold and flu season is upon us and has arrived earlier than usual. The community is seeing cases of RSV, flu, pink eye, stomach bugs, strep throat, and common colds and coughs, not to mention COVID-19.

We have COVID home antigen test kits available for staff and students at all our schools. Just ask for one! We will send test kits home in a backpack at a parents request, or parents can come pick them up.

New!

We are pleased to be able to provide Rapid PCR tests to staff and students again this school year. They are done at a clinic in Roseville. The test is a low nasal swab that tests for four viruses with one swab: COVID, RSV, Influenza A, and Influenza B. If you are having respiratory or other COVID symptoms, and test negative for COVID on the home antigen test, then ask for a referral to this clinic from your school nurse.

Please remember to do the following things:

- -- Cover your cough!
- -- Wash hands frequently.
- -- Keep your student home if they are not feeling well.
- -- Test for COVID (we have test kits available to send home upon request).
- -- Positive COVID test requires 5 days isolation at home, then may return to school on

day 6 and wear a mask until day 10. -- Other illnesses: Students can return to school once they are fever-free for at least 24

hours (without the use of fever-reducing medications), and it has been at least 24 hours since the last episode of vomiting or diarrhea, and the student is feeling well enough to fully participate in class.

FFEJ Updates

We would love to have you join our next meeting!

We will host our next meeting on Wednesday, November 30 at 7:00 pm. This will be in person at school.

We will meet bimonthly and the rest of our meeting dates are as follows: February 1st, March 29th, and May 31.

At these meetings we hope to talk about how we can support the school in creating affinity groups, planning community events, and working with school and district leadership to learn how we can best support the work they are doing to advance the district equity goals.

For more information feel free to email us at falconfamiliesforequityjustice@gmail.com.

Family Service Night 2023:

Falcon Families for Equity and Justice and the Falcon Heights PTA are again co-hosting a Family Service Night on Wednesday, January 18th 6-7:30.

We hope to provide students, families, teachers and staff with the opportunity to come together to support organizations in our community, by working on volunteer projects at various stations.

More information soon to come! In the meantime, if you are interested in helping us plan please reach out to Cari Kokotovich (cmkokotovich@gmail.com) for more information or join our first planning meeting of the year, November 17th at 7:30pm. 23-24 Enrollment Lottery

The Enrollment Lottery for the 23-24 school year is now open! Applications are being accepted through January 27, and will be processed the week of January 31. Families will be notified of lottery results and next steps the week of February 6.

Siblings of current students must still apply for the lottery. All schools will offer sibling preference in placement. This means based on space availability, siblings of current students will be placed into the school/program before the lottery drawing. If space is not available at the time of the lottery, siblings will receive preference on the waitlist.

To submit an application for the enrollment lottery, **CLICK HERE** <u>Espanol</u>. If you live outside district boundaries you will also have to apply for <u>Open Enrollment</u>.
