

Crockett County Schools

Director of Schools:

As another year comes to a close, I want to say thank you for your commitment, love and service to the students of Crockett County. I hope you take time and appreciate the true meaning of the holiday season and spend time with family and friends. I look forward to the new year and all the possibilities that are ahead. Thank you again for all you do and remember one of the greatest gifts you can give someone is time.

Special Education: We want to wish Mrs. Tera Stephens continued success in her new position. Mrs. Tera is leaving us at Christmas to oversee Haywood County's Behavior Program. She will be missed at FES! We want to welcome Mrs. Shannyn Ferguson to our FES Sped Team. Sped PD Jan. 3rd in Mrs. Maggie's room at CCHS beginning at 8:30 am.

LEAPs: STEM activities, crafts, slime, and special guests have filled the afternoons of LEAPs. The LEAPs program is planning and preparing for our next semester. If you would like to share a talent, work with a student that needs extra support in reading or math, spend a couple of hours an afternoon teaching through activities you can't do

during the regular day and be paid at a superior rate, contact Allison Smith, allison.smith@crockettcavs.net .

Pre-k: All things holiday in our Pre-K classrooms! The Pre-K classrooms have been busy with excitement from Thanksgiving Pow Wows to Elf for the day and gingerbread houses, the Pre-K students are ready for the holidays.

Food Service: Crockett County High School and Friendship Elementary enjoyed being able to host community members for a delicious Thanksgiving meal for the first time in over two years!

Coordinated School Health: Our winter staff wellness challenge will start in January. Be on the lookout for more information about, Winter Wellness, coming in January.

Professional Development: Jan. 3, 2023, at each building (K-5 Math teachers at Friendship Elementary School 9:00-12:00).

Instruction: Math instructional materials will be adopted this school year. Please continue to review the Math curriculum samples as they are delivered to your school.

ESSER: You can review ESSER on our school website and complete a survey there. Here is the link for the survey as well. [ESSER Survey](#)

Newsletter: If you have anything you wish to share in our district newsletter, please email Dr. Katie Mansfield at katie.mansfield@crockettcavs.net. We know there are lots of great things happening in our district and we want to share them! Check out our Facebook page for up-to-date information as well!

HONORING ALL WHO SERVED

VETERANS DAY

UNITED STATES OF AMERICA

Thank you to all of our Veteran's in our school family. We appreciate your service and are grateful that we could honor you at our Veteran's program at CCHS.
