School Goals

As NSCD high school students enter one of our vibrant neighborhood or charter schools, NCSD fosters a joy of learning, nurtures a positive vision for their future, and cultivates a school environment where all cultural heritages are valued. NCSD's high schools are striving to achieve this by providing multiple college-credit opportunities, career-technical courses, and activities for many interests.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

NCSD believes the physical, social, and emotional safety of all students is a priority no matter their demographics or identities. Therefore, NCSD has an obligation to each student, family, staff member, and community member to provide environments that hold a fundamental sense of safety and respect. NCSD values all people regardless of background, race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, marital status, age, disability, or familial status.
