Sometimes it's hard to acknowledge that a parent or loved one is aging to the point where additional care is required. When you find yourself becoming part of a senior's caregiving routine, remember that you have free access to supportive resources and information from your work-life team.

Your Company's complimentary EAP program is available 24/7 and is here to help when you're facing issues that interfere with your health, well-being, and productivity at home or at work.

LET US BE YOUR RESOURCE FOR:

- Assisted Living Arrangements, Retirement Communities and Nursing Homes
- In-home Care, Back-up Care, and Personal Care
- Adult Daycare and Respite Care
- Financial and Legal Options
- Transportation and Meal Programs
- Long-term Care Insurance
- Senior Centers Companions, and more...

Your EAP is always available to assist you, your spouse or domestic partner, and children up to age 26. Contact us 24/7 at 800-777-4114 or visit the EAP website at www.FirstChoiceEAP.com.
