

Beija Gonzalez

Beija Gonzalez was elected to the OGSD Board in November of 2020 and currently serves as the trustee for area one as well as a representative for both the Legislative and East Side Alliance committees. Trustee Gonzalez is a woman in tech, community organizer consultant, and proud mother of two young daughters currently attending school in the Oak Grove School District.

Trustee Gonzalez grew up in a working-class Black and Latino household and has lived in the community and attended school in the OGSD from K-8th grade. Like her father, who has dedicated his life's work to the OGSD and its students serving as a bus driver for 20 years, Trustee Gonzalez has an immense sense of dedication to serve the district and preserve the legacy of the district that raised her.
