 - a. Review records relating to his or her minor child;
 - b. Learn about his or her minor child's courses of study, including, but not limited to, parental access to instructional materials intended for use in the classroom. Such procedures will provide for a parent to be notified in advance of such course content so that he or she may withdraw his or her minor child from the

course; and

- e. Provide written notice that photographs or video or voice recordings of his or her minor child are not permitted, subject to applicable public safety and security exceptions.
