**Part III. Statement of Assurance**

On behalf of the Newton Municipal School District, I hereby submit a local Dropout Prevention Plan to provide goals, activities, and services necessary to meet the two overarching goals of the state dropout prevention plan: (1) Increasing the state graduation rate to 90% by 2022-2023; (2) reducing the state dropout rate by 50% by 2022-2023

- I hereby certify that the information contained in this plan is in compliance with the appropriate federal and state laws and regulations.
  - I hereby certify that our school district will cooperate in carrying out any evaluation conducted by or for the Mississippi Department of Education.
  - I hereby certify that our school district will submit reports as requested by the Mississippi Department of Education.
  - I hereby certify that our school district has consulted with parents, community partners, business partners, teachers, school staff, building administrators, and others in the development of this local dropout prevention plan.
  - I hereby certify that our school district has taken into account relevant, scientifically based research, strategies, and best practices indicating services most effective in preventing dropouts if we focused on students in the earliest grades.
  - I hereby certify that our school district will prepare and submit an annual progress report on increasing the graduate rate, reducing the dropout rate and reducing the truancy rate.
  - I hereby certify that our school district will endorse and implement the Fifteen (15) Effective Strategies to promote a reduction in the dropout rate.
  - I hereby certify that our school district has based the dropout prevention plan on scientifically based research, best practices and all laws in determining strategies to reduce the dropout rate for students with disabilities under IDEA.
  - I hereby certify that our school district will evaluate our district dropout prevention plan on an annual basis to determine appropriate changes needed for future school years.
  - I hereby certify that our District School Board has reviewed and approved this plan for submission to the Mississippi Department of Education.
-

### Needs Assessment Outcomes

In this section, please describe the major outcomes from your district needs assessment, as they address the following areas. **Note:** Based on the outcomes of your district needs assessment, you may wish to divide this area into various sub-sections (i.e., student-based, staff-based, school-based, project-oriented, etc.)

Needs Assessment Areas	Descriptions
Target Group Identified	Students retained one or more years, low academic achievement, high # of unexcused absences, multiple suspension, expulsions, high number of discipline referrals, course failure in 9 <sup>th</sup> grade, pregnant students, unwed mothers and fathers, students employed and working a high # of hours per week: Approximately 10 students will be in the targeted group to reach the proposed 40% of students.
Data Collection Methods Used	Surveys, face-to-face interviews, CPAS scores, Standardized Tests, and Survey
Prioritized List of Needs	1. Money for programs/services 2. A teacher from each grade to tutor after school and full time tutor at each campus. 3. Weekly counseling sessions with counselors in areas of self-esteem, motivation, teen pregnancy, conflict resolution 4. Ongoing professional development for teachers and administrators 5. Ongoing opportunities for parent/community involvement.
Short Term Goals	1. Increase student participation in tutoring 2. Increase counseling sessions on various topics 3. Professional development geared for at-risk students 4. Increase parent/community involvement opportunities 5. Guest speakers for students 6. Incentives for good grades, attendance and behavior 7. Mentoring by exemplary students for elementary and middle students
Long Term Goals	1. Educate the community about the importance of education 2. Secure funding for programs through federal or private grants 3. Parenting classes 4. Ongoing professional development for parents and teachers 5. Active participation in PTO.
Recommendations for future needs assessments	1. Survey actual dropouts 2. Survey parents for reasons of lack of involvement 3. Survey students for serious ideas to make classes more interesting/relevant 4. Surveys for parents and community leaders. These surveys are then used to compose data to provide feedback for actual meetings during the year with each of the stakeholders to discuss different ways to address the needs of each.

### Current District Initiatives

In this section, please list each of your current district dropout prevention initiatives, demonstrating how they fit within the 15 Effective Strategies from the National Dropout Prevention Center Network (NDPC/N) and for the various school levels. Each initiative should be related to the three overarching goals of: increasing the district graduation rate; reducing the district dropout rate; and reducing the district truancy rate. Please provide an elaboration of each program on separate attachments, labeled Appendix A – Current District Initiatives.
