FISCAL YEAR 2022-23
First Interim Report

CRITERIA AND STANDARDS FOR REVIEWING SCHOOL DISTRICT INTERIM REPORTS

The **First Interim Report** provides an opportunity for the first review of the District's budget for **2022-23**. It is a time to adjust the budget based on the Enacted State Budget and subsequent trailer bills, the closing of the prior fiscal year, and other factors that impact revenues and expenditures. The First Interim Report covers the period of time from July 1 through October 31 and must be submitted to the county office of education no later than December 15.

The following narrative is presented in the same sequence as the accompanying **2022-23 First Interim General Fund Summary – Unrestricted/Restricted Revenues, Expenditures, and Changes in Fund Balance.**

A. REVENUE

- 1) Property Tax/LCFF – Projected LCFF sources increased by \$142,542 to reflect property tax estimates based on information provided by the Orange County Auditor Controller's Office. Secured property tax revenue is projected to be \$63.2 million and represents growth of approximately 7.55%. The District will continue to monitor property tax revenue estimates, calculation assumptions, and the district's actual rates of change. Other adjustments include the estimated Education Protection Account (EPA) entitlement funding based on average daily attendance (ADA).

- 2) Federal Revenue – When compared to the original budget, federal revenues are slightly lower by \$9,858. Projected amounts have been revised based on the updated award allocation of federal revenue.

- 3) Other State Revenue – State revenue increased by \$4.2 million. The large increase in state funding is primarily the result of the 2022 Enacted State Budget which included two new one-time restricted block grants, the Arts, Music & Instructional Materials Block Grant and the Learning Recovery Emergency Block Grant. The following chart depicts all the changes in state revenue.

PROGRAM NAME	AMOUNT CHANGE
Arts, Music & Instructional Materials Block Grant	1,594,986
Learning Recovery Emergency Block Grant	851,472
Home-To-School Transportation Funding	782,263
Career Technical Education Incentive Grant	419,295
K- 12 Strong Workforce Program	252,029
Kitchen Infrastructure Grant	100,000
Universal Prekindergarten Planning Grant	99,598
Early Intervention Preschool Grant	61,836
School Readiness	41,714
Expanded Learning Opportunities Program (ELOP)	15,416
State Lottery	3,451
Other State Revenue	(8,485)
	4,213,575

- 4) Other Local Revenues – Other local revenues are derived from a variety of sources including bus passes, donations, interest earnings, special education funding, and other miscellaneous revenues. This category increased by \$340,966 of which, nearly one-half was attributed to higher estimated interest earnings. The District holds the majority of its funds in the Orange County Treasury Investment Pool. Other upward budgetary adjustments include the excess employer contribution to the CalSTRS Defined Benefit Supplement Program.

B. EXPENDITURES

- 1) Certificated Salaries – Expenditures for certificated staff are projected at \$29,174,871, an increase of \$260,207 compared to the original budget. Salary changes implemented after the start of the school year include professional development opportunities for teachers and other certificated staff that promote educator equity, quality, and effectiveness. In addition, to further assist with the strategic arts education plan, a full-time teacher on special assignment has been funded to provide leadership, oversight, support, and technical assistance for the visual and performing arts programs within the district's K-12 setting. Position control is in balance with the revised budget as presented.
- 2) Classified Salaries – Expenditures for classified staff are projected at \$10,836,777, an increase of \$150,515 compared to the original budget. A 2-year pilot program for professional development has been implemented to assist classified staff with growth and development opportunities. Costs of stipends, substitutes, noon duty supervision, and extra duty have also been adjusted to provide additional support across the district. Position control is in balance with the revised budget as presented.
- 3) Employee Benefits – Necessary adjustments have been made to employee benefits to reflect the salary adjustments as noted above. The benefit category has an increase of \$156,251.
- 4) Books and Supplies – Expenditures for books and supplies are adjusted as carryover is applied from the prior year. An increase of \$723,625 in books and supplies is budgeted for expenditures generated from donations and also adjustments to CTE grant spending for new computers and other instructional materials.
- 5) Services and Other Operating Expenditures – An increase of \$2,790,183 in services and other operating expenditures can be attributed to districtwide staff development, professional conferences/workshops, software licenses, social facilitation & expanded learning program services, special education placements, and various routine maintenance projects at the school sites.
- 6) Capital Outlay – Nearly ten years ago, the Technology Department embarked on a journey called “4Cs Learning Environment” (4CLE) to re-envision how to improve learning. Classrooms and libraries have been redesigned to support the 4C's: Creativity, Collaboration, Critical Thinking, and Communication. The District continues to invest in this vision and an increase of \$456,872 in capital outlay reflects this commitment to creating inspiring learning spaces.
- 7) Other Outgo – An increase of \$255,467 in other outgo reflects the estimated higher cost of district-funded county programs.
- 8) Transfer of Indirect/Direct Support Costs – No changes at First Interim.

D. OTHER FINANCING SOURCES AND USES

- 1) Interfund Transfers
 - a) Transfers In – No changes at First Interim.
 - b) Transfers Out – No changes at First Interim.
- 2) Other Sources/Uses
 - a) Sources – GASB Statement No. 87 outlines new requirements for lease accounting for governmental entities.
 - b) Uses – No changes at First Interim.

F. FUND BALANCE

Fund balance meets requirements, as it is not less than the sum of its components.

SUMMARY

CASH FLOW ANALYSIS

Requirements are met as a cash flow analysis indicates that there will not be a negative cash balance at or before the end of the fiscal year.

MULTI-YEAR COMMITMENTS

Since budget adoption, the District entered into a lease agreement with Pitney Bowes for postage meter and maintenance services. The new lease agreement in the amount of \$30,705 is a 5-year lease (\$511.75 x 60 months excluding taxes). GASB 87 is an accounting standard that requires reporting the present value of all lease obligations for disclosure on the District's financial statements effective for fiscal years ending on/after June 30, 2022. These values are determined from the lease terms, stated or implied interest rates, amortization of lease values, etc. which are subject to annual audit.

CONCLUSION

At this time in the fiscal year, the District is in a satisfactory financial condition. It is recommended that, based on the **First Interim Report**, the Governing Board approve the following:

1. A "**Positive Certification**" that this District will be able to meet its financial obligations at year-end and two subsequent fiscal years.
2. Revisions to the Operating Budget as outlined in this report.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.

LAGUNA BEACH UNIFIED SCHOOL DISTRICT

FUND DESCRIPTIONS

FUND 01 **The General Fund** is the chief operating fund for Laguna Beach USD. It is used to account for the ordinary operations of the district. All transactions except those required or permitted by law to be in another fund are accounted for in this fund. Restricted projects or activities within the general fund must be identified and reported separately from unrestricted projects or activities.

FUND 11 **The Adult Education Fund** is a separate fund used to account for state appropriations and to finance specific programs for the education of adults. Funds can be expended on salaries, benefits, supplies, books, services, and equipment related to adult education programs (Education Code Section 52616.4).

FUND 13 **The Cafeteria Fund (Nutrition Services)** is used to account separately for federal, state, and local resources to operate the food service program (Education Code sections 38090-38093). The purpose of the food service program is to provide nutritious meals to the students. The District participates in the National School Lunch Program and the School Breakfast Program. The District serves approximately 500-550 lunches and 200-230 breakfasts to the students from kindergarten through twelfth grade on a daily basis.

FUND 17 **The Special Reserve Fund for Other Than Capital Outlay Projects** is used primarily to provide for the accumulation of moneys for general operating purposes other than for capital outlay (Education Code Section 42840). On May 11, 2004 the Board of Education approved the target of reserving two-thirds of the Community Funded differential (the difference between Revenue Limit funding and Community Funded funding) to be achieved by June 30, 2009. Funds reserved for the Community Funded differential are deposited into this fund.

FUND 25 **The Capital Facilities Fund (Developer Fees)** exists to account for monies received as mitigation fees levied on developers, property owners or other agencies as a condition of approving new development or additions to existing real property. The authority for these levies may be local government ordinances (GC 65970-65981) or private agreements between a school district and the developer. Expenditures from this fund are to be used for the purpose of funding the construction or reconstruction of school facilities (Education Code sections 17620-17626).

FUND 40 **The Special Reserve Fund for Capital Outlay Projects** exists to account for the accumulation of moneys for capital outlay purposes (Education Code Section 42840). This fund is separated into three sub-funds in accordance to with resolutions #01-02, #14-02 and #14-03.

Sub-fund 4040 exists to account for the **Facility Repair and Replacement Program (FRRP)**.

Sub-fund 4041 exists to account for the **Vista Aliso property reserve**. The District holds a re-purchase agreement on the property.

Sub-fund 4042 exists to account for the **Capital Improvement Plan (CIP)** that goes above and beyond prior commitments for repair and replacement needs, but extends to improvements of facilities for program and enrollment growth. A ten-year plan will be developed and revised, at least annually, to prioritize major projects.
