

Titans Talk

Keep on Reading

KCPS is dedicated to literacy with our Love to Read Initiative. Please continue to read with us and use our online resources at:

<https://www.kcpublicschools.org/families/kcps-loves-to-read>

Student Code of Conduct

Many students are still violating the dress code, please check out pg 13 of the student code of conduct, which is available

Access Infinite Campus

Infinite Campus' Parent Portal allows parents/guardians to access academic information and other student records, including schedules, attendance, behavior, assignments, progress reports, grades, school-related fees and school email messages.. Please inquire how to sign up if you need help.

Fine Arts Team

Left to Right

Band director: Mr. Malanga, Art director: Mr. Jonte, Choir director: Mr. Moore

Here at Northeast Middle School, our Fine Arts teachers are dedicated to providing the avenue to open young minds to creative outlets. They state, "Our vision is to develop inquisitive, skillful, caring young artists and musicians who represent themselves, their families, and the larger KCPS community with character, pride and self-esteem. As NEMS arts educators we strive to help young people grow

into adults who contribute to a better world through the unifying power of the Visual and Musical Arts."

Research shows that students involved in Fine Arts have an increased likelihood for academic success. Fine Arts provide a range of benefits that include mental, emotional, and physical well-being because of the creative outlet that it provides and the

need to daily tune in on fine motor skills. Students involved in Fine Arts are also more apt to pick up and learn a foreign language as adults than adults who were never students of fine arts programs. While some may view learning an instrument, breathing deeply to produce vocal sound or producing a physical representation of their feelings to be quite challenging, the end result proves the challenges to be intrinsically rewarding and even cathartic. The benefits and rewards of creating and observing art is unending. We only need to listen, look, or watch to know this to be true. Art is all around us, we just have to pay attention.

A Food Pantry is here!

Northeast Middle School has partnered with Harvesters and School Smart to create our very own food pantry to help families in need. The price of food is continuing to increase and more families need help putting food on the table. We are so excited to be able to bless our families in this community with the help of Harvesters Food Bank. We are having a pickup every other Thursday from 1:30-3. Food cannot go home with students, as it is too heavy to carry. If your family is in need of food and cannot make it to pickup, please call the school to make arrangements with Mrs. Mohamed, 816-418-3408, or Mrs. Gomez, 816-418-3502. We do not need to see id and we will not ask questions. We need a signature and to know how many people are in your family. It's really that easy and we look forward to serving our families of Northeast Middle School.

Student Council

The Student Council is planning on having a Spirit Week before the Fall Break. They are also planning an assembly to celebrate our students and our staff here at NEMS. If you would like to vote on Spirit Week themes, activities and events, visit this website and have your voice heard.

[Spirit Week](#)

Coming Up In November

Nov 17, AVID field trip

Nov 21-25, Fall Break **NO SCHOOL**
