

School Calendar

The Superintendent shall recommend a school calendar meeting all statutory requirements to the Bethany Board of Education (Board) for its review and modified as it believes appropriate, for its approval.

The calendar recommended to the Board may include the operation of the school on state holidays providing a suitable nonsectarian educational program is held to observe the holiday, except for those holidays that occur in December and January.

The school calendar shall show school days in each school month, the number of school days in each month, legal and local holidays, staff development days, early closing days, vacation periods, and other pertinent dates.

The Board may develop and adopt its own school calendar to begin school on any day before or after Labor Day or use the approved Regional Educational Service Center uniform regional school calendar.
