

Educational Research in the School

All requests to conduct research within the Bethany Public School District (District) must be directed to the Superintendent of Schools. The following criteria will be utilized to make a determination regarding the approval of such requests:

1. The study results in direct benefits or provides direct services to the children within the District;
2. The study provides in-service opportunities for the growth and development of faculty and/or staff;
3. There be no expenditures of District funds or use of staff/faculty time unless there are benefits as described in 1 and 2 above.
4. Students participating in studies, authorized by the Superintendent, must have the approval of their parents/guardians.
