Previous Name

Do you have a **previous legal name** that was used on legal documents or education transcripts?

☐ Yes ☐ No

Social Security Number

The Social Security Number (SSN) or Taxpayer Identification Number (TIN/iTIN) is used by the college as a means of matching student records, facilitating federal financial aid, and reporting tax-related information to the Internal Revenue System (IRS). However, it is not required for admission.

Why am I being asked for my social security number? [?](#)

Do you have a social security number or taxpayer identification number?

☐ Yes, I have a social security number or taxpayer identification number.
☐ No, I do not have a social security number or taxpayer identification number, or I decline to provide one at this time.

Parent/Guardian Information

Determining your California residency for tuition purposes is based on the residency of your parent(s) or guardian(s) until you are 19 years of age, except in certain special circumstances. Nonresident students who meet eligibility requirements may apply for nonresident tuition exemption (AB540). [?](#)

Select the statement that applies to you:

Social Security Number:

Why am I being asked for my Social Security Number?

A Social Security Number (SSN) or Taxpayer Identification Number (TIN/iTIN) is needed to allow California Community Colleges to report tax-related information to the Internal Revenue Service (IRS).

However, this reporting is not required with respect to non-U.S. resident students (whether documented or undocumented), students taking non-credit courses, students whose qualified tuition and related expenses are waived or paid with scholarships or paid by an institutional third party including an employer or government agency. (26 C.F.R. Â§ 1.6050S-1.) A SSN or TIN/iTIN is not required when IRS reporting is not required.

- ☐ I have a **parent** or **guardian**. [?](#)
- ☐ I was in **foster care** at any time after my 13th birthday. [?](#)
- ☐ I do not have a parent or guardian, or at least one of the following statements is true about me:
- I do not have a living parent or guardian.
 - I am or have been married.
 - I am legally **emancipated**. [?](#)
 - As of January 15, 2023, I will be on active duty in the armed services.
 - As of January 15, 2023, I will have been **self-supporting** for at least one year. [?](#)

Parent/Guardian Information: By California law, qualification for resident tuition is based on the residency of your parent(s) or guardian(s) until you are 19 years of age, except in certain special circumstances. The Parent/Guardian Information question is used to determine whether or not you need to provide information about a parent or guardian for the purposes of determining residency. If you are under the age of 19 and have at least one parent or guardian, select the option, "I have a parent or guardian" and enter the information in the text input fields. If you do not have a parent or guardian, or if any of the bulleted statements are true about you, or if you have been in foster care at any time after your 13th birthday, select the appropriate option and continue to the next question. Your response will not affect your admission to college. This information is protected by federal and state laws and will not be shared or used outside of the admission process.

Parent: For the purposes of this college application, your parent is a natural or adoptive mother or father with whom you live and/or who provides your support, care, and control. If you have two parents, you can enter the name of either one.

Guardian: For the purposes of this college application, your guardian is a person other than a parent who has been legally appointed to provide your support, care, and control. If you have two guardians, you can enter the name of either one.

Court-Ordered Foster Care: You have been in foster care if you were removed from your biological family through an order by a court, which can include placement with foster parents, in a group home, or with relatives/extended family members. If you were living with relatives you must have been placed through the foster care system by an order of the court.

Foster Care includes, but is not limited to, placement in out-of-home care under the supervision of the Juvenile Probation Department. As long as you were placed within the foster care system by order of a court, you were in foster care. Having a legal guardian does not necessarily mean that you have been in foster care. If you need assistance with determining whether you were in foster care, you can contact the California Foster Care Ombudsman's office at (877) 846-1602 or fosteryouthhelp@dss.ca.gov.

Emancipated: Being emancipated means that you have been legally released from the care and control of parent(s) and/or guardian(s), and are now responsible for your own care and control.

To be considered legally emancipated for the purposes of this college application, you must have received a declaration of emancipation from a California court, or have been legally emancipated in another U.S. state.

Self-Supporting: You are considered to be **self-supporting** if you do not receive *any* financial support from a parent or legal guardian in the year leading up to the start of the term for which you are applying

Financial support you may receive from colleges, institutions, or individuals who are not your parent or legal guardian does not affect whether you are considered **self-supporting**.
