Introduction & Location

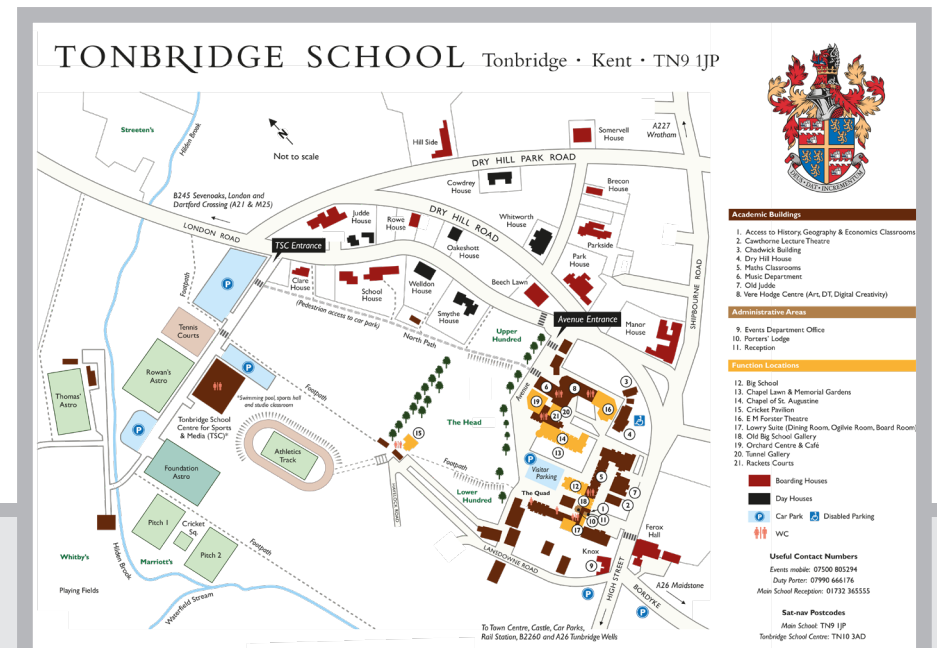

Tonbridge School offers a wealth of outstanding facilities. The site has a strong culture of traditional values and high performance across all aspects of the business and is constantly looking to accommodate premium clients to utilise the facilities whilst supporting future elite performers within many fields.

Tonbridge Events has a proven track record of providing residential facilities for both National and International clients. Our facilities are suitable for both male and female guests aged 8 to adult. We can provide advice regarding staff to student ratios and welfare guidance if required.

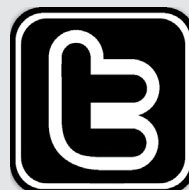

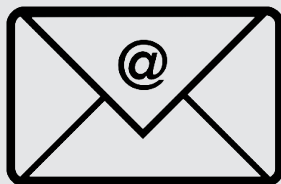

Hirers are responsible for every aspect of their activities during the hire period, co-ordinating all course programmes and content, marketing, bookings, staffing, supervision, welfare and health and safety of guests at all times.

Tonbridge School's extensive 160 acre site is situated centrally in Tonbridge, approximately one mile from Tonbridge Railway Station and an hour from international airports, Gatwick, Heathrow and Stansted.

A video introduction and directions to the site can be found on our website www.hire.tonbridge-school.co.uk. A full size site plan is available on page 8.

Site Plan

Music & Drama Facilities

The Music Department offers a wide selection of locations for all types of musical events including residential music schools, recitals, examinations, recordings and practice areas.

The facilities include the [Recital Room](#) seating up to 120 guests, the smaller [Octagon Room](#) and up to 15 further classrooms and specialist practice rooms. As an all Steinway school, Tonbridge has a superb range of pianos ranging from Essex and Boston pianos in practice rooms to four Steinway grand pianos in performance locations.

If your residential course includes a concert or final performance, [Big School](#) or the [Chapel of St Augustine](#) can be reserved. We can also provide a box office service for ticket sales.

[The Chapel](#) is a beautiful and creative venue for recordings and concerts and is home to the magnificent Marcussen Organ, the second largest of its kind in the UK.

EM Forster Theatre

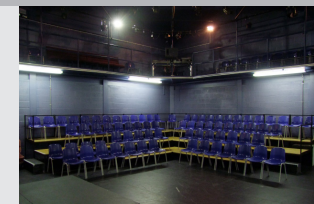

The Chapel

The [EM Forster Theatre](#) offers a flexible, professional space for a diverse range of artistic events including theatre, comedy, dance, and music productions.

The theatre seats up to 370 patrons split between the stalls and circle level. The stage measures over 8m by 7m and a complete lighting, projection and sound service is available.

Within the complex there is a studio theatre (seating up to 90) and a drama classroom. The main foyer contains an integrated bar and the nearby mezzanine foyer can also be adapted for teaching, rehearsal or break-out areas

Academic & Sporting Facilities

Cawthorne Lecture Theatre

A selection of locations suitable for academic studies, meetings, lectures and briefings and digital teaching areas are available. These range from classrooms and lecture facilities, seating up to 250 guests. All areas have high specification Audio Visual equipment.

The [Cawthorne Lecture Theatre](#) is found in the centre of the school site and has been modernised with graduated seating for up to 120 guests and full AV facilities. It is therefore an ideal venue for conferences, presentations and film nights.

[Tonbridge School Centre](#) is a landmark in national sporting provision and has some of the best indoor and outdoor sports facilities in South East England.

Outdoor facilities include: six-lane athletics track, long/triple and high jumps, shot put, discus, javelin, hammer and pole vault, three astroturfs for hockey, football and tennis, plus three artificial clay tennis courts.

Indoor facilities include: six-lane 25m swimming pool, sauna, sports hall for badminton, basketball, football, cricket and volleyball, climbing wall, a sports studio for dance, exercise activities and table tennis, physiotherapy room ice baths, full changing room/shower facilities and a café/bar.

Tonbridge School Centre

Catering

Catering requirements for all guests are provided by our on-site catering team within the Orchard Centre dining rooms which are centrally based on site.

All menus are produced on a daily basis by our own chefs, from fresh locally sourced ingredients. Menus are created with an emphasis on healthy eating and produced with dietary and nutritional requirements in mind.

Any special dietary requirements or allergies can be catered for individually if notified prior to arrival. An example residential menu is available on page 7.

Menus can be adapted to include a BBQ night and packed lunches for day trips and excursions.

Accommodation

THE BOARDING HOUSES

Residential accommodation is available on site for up to 350 guests within our boarding houses. Accommodation is suitable for guests aged 8 upwards.

There are seven boarding houses available. Each house is of individual character with between 45 – 60 beds, all having a selection of rooms including singles, twin & a few small dormitories.

If required houses can be segregated to accommodate male and female guests.

Accommodation (Continued)

BEDROOMS & BATHROOMS

Bedrooms will be set up with bed linen (a mattress protector, fitted sheet, pillow and pillow protector, pillow case, duvet and cover).

The cleaning of the residential accommodation bedding and other resident's requirements are maintained at an extremely high level.

All bathrooms and ablutions are shared within close location of the bedrooms, floor plans will be provided to assist with the suitable allocation of rooms.

Games Room

Bedroom - Park House

ADDITIONAL FACILITIES

In addition to bedrooms, each boarding house has further areas including refreshment rooms to make tea & coffee, TV/Cinema rooms, recreational games rooms with football tables, table tennis tables & areas to relax, drying rooms for kit and computer & printing facilities.

WI-FI ACCESS

Tonbridge School's free Wi-Fi network is available across the main school site.
