

COVID-19 Testing Sites

Absolutely FREE! No appointment needed! Same day results

LTS has partnered with the CDC to provide citizens across Michigan with access to FREE Covid-19 testing. LTS currently operates permanent, walk-up, and drive-thru testing sites nationwide, and uses industry-leading tests to detect Covid-19 in both symptomatic and asymptomatic patients. Our testing and laboratory services ensure the integrity of all specimens. You can trust our expertise to ensure you get the highest level of healthcare services when you test with LTS.

WHY CHOOSE US?

LTS and partners host COVID-19 testing events 7 days a week across the state of Michigan. We have administered over 1 million COVID-19 tests and pride ourselves on our high level of professionalism and efficiency. You can trust us with your health!

YOUR LOCAL TESTING OPTION
