Question:
Will we be seeing costs today?
COMMUNITY ENGAGEMENT SESSION #3
Exploring Concept Areas

South Area

Central Area

North Area
Neigborhooding

How can we realign classrooms to allow intra and cross departmental collaboration?
Classroom Furniture

What impact can flexible furniture have on the learning environment?
Why is a common student space important? What would that look like?
Special Education

How can Special Education spaces better serve their program?
Library & Tutoring Center

How can these facilities become more of a ‘hub’ of student life?
Physical Education / Athletic & Performing Arts Facilities

What are the concepts for improving the PE / Athletic Facilities & Performing Arts Facilities?
‘...the purpose (is) to turn out physically developed as well as intellectually cultivated graduates, sound minds in sound bodies, young men and women who shall be equipped for all the responsibilities and tasks of an exacting social and industrial situation.’

OPRF Superintendent RM McDaniels
Chicago Tribune, August 12, 1928
