EXEMPTIONS

The law allows parents/guardians to choose an exemption from immunization requirements based on their personal beliefs or medical conditions. For children with medical exemptions, the physician's written statement should be submitted. Schools should maintain an up-to-date list of pupils with exemptions, so they can be excluded quickly if an outbreak occurs.

NOT MEETING REQUIREMENTS

Refer pupils who do not meet these State requirements to their physician or local health department. Give families a written notice indicating which doses are lacking.

CONDITIONAL ADMISSIONS

Children who lack one or more required vaccine doses that are not currently due may be admitted on condition that they receive the remaining doses when due (Title 17, CCR Section 6035).
