On behalf of the **Galveston Public Schools Hall of Honor Committee** and **Superintendent Dr. Jerry Gibson**, we'd like to officially let you know that your nominee has been selected into the inaugural class of honorees for 2022.

After culling through numerous nominations sent in from all over the country, we'd like to congratulate you, as well as your nominee for being an outstanding alumnus of Ball High School and/or Central High School.

There will be a reception honoring your nominee from **5:30 p.m. to 7:30 p.m. Jan. 19** at **Mario's Seawall Italian Restaurant, 628 Seawall Blvd. in Galveston**, and we'd like for you and the nominee to attend if possible.

To that end, we'd ask that you RSVP at <https://www.gisd.org/community/hallofhonor> no later than Dec. 31, so that we may know if you'll be able to attend. If you can't attend, please let us know and we'll get the specially designed keepsake that we'll be presenting to each honoree and/or their family on Jan. 19.

Sincerely,  
Galveston Public Schools Hall of Honor  
Committee  
**Angela Wilson, president**
